Summer Finale!

All good things must come to an end, but that doesn't mean we don't have one more action packed week of Camp Peanut. This week we will be dividing up into teams, making team flags and practicing our dodgeball skills to prepare for the ultimate tournament. At the end of the week only one team will get to place their names on the trophy of champions! All of this fun plus a pizza party will help to make this the best sendoff ever. We had a great time being your counselors and we hope that you'll join us next year, here at Camp Peanut!
