COMMUNITY CENTER

Ready to Expand

The Westerville Parks and Recreation Department is excited to announce the Community Center Expansion project has moved into the Construction Document/Bid Preparation portion of the project. Renderings of updates were recently shared with Westerville City Council illustrating new features that can be expected in the newly renovated center.

The completion of the project remains on schedule. Visit www.westerville.org/centerexpansion for continuous updates.

CENTRAL ENTRY

Welcoming drop-off area with updated entry vestibule. Rotating doors will be replaced with automated sliding doors.

THOMAS JAMES KNOX RINK LEGACY

Begins with Street Hockey

The journey to Westerville’s newest sports facility, the Thomas James Knox Rink, has taken more than two years. Sadly, it started with one family’s tragedy and their unstoppable drive to find a way to turn their loss into inspiration and lifelong learning for others. In April, Westerville Parks & Recreation broke ground on construction of an outdoor rink that will live on in a young Westerville son’s memory.

Jim and Lisa Knox of Westerville unexpectedly lost their 14-year-old son, Thomas (TJ), in 2015. They turned their grief into a memorial that will honor the pursuit and joy of the sport he loved since the age of six.

The rink, expected to be complete in July, will operate at Alum Creek Park South, 535 Park Meadow Rd., offering instructional clinics, special programs and recreational leagues.

Along with the Knox family, the McConnell Foundation, Westerville Parks Foundation, Westerville Parks & Recreation and other sponsors and donors, partnered in the design of an outdoor concept to heighten the profile of hockey in the region and remove barriers to the sport, like costly equipment and private facility restrictions.

In partnership with the Columbus Blue Jackets Street Jackets program, street hockey will be the first major program to run at the site, with registration for play and sport skills development beginning later this summer. Street hockey will begin with an emphasis on youth ages 5-14, focused on the sport’s ongoing development in Westerville and surrounding communities. The Columbus Blue Jackets- endorsed curriculum will train coaches and show young athletes how to learn and love the sport of hockey, championing a new generation of fans to support the hometown team.

“Love built this rink, and as long as it stands, there will be more kids who can play the sport, more families who can together be active and more value to the Westerville community,” said Randy Auler, Westerville Parks & Recreation Director. “This was made possible by the determination of the Knox family and the generosity of our partners, including the Columbus Blue Jackets Street Jackets program. We’re excited to get started!”

Visit page 48-49 for the inaugural street hockey schedule. Registration begins May 18.

PLAY
WITH PURPOSE

Westerville Parks and Recreation specializes in park development and recreational programming, but building partnerships that impact lives is equally important to the department. Most recently, the Hanby Park Improvement Project presented an opportunity to provide meaningful change, not only in park development for residents, but also to bring happiness to children thousands of miles away.

While planning a space that would offer new amenities (the City’s first splash pad!) and expand the neighborhood park nearest Uptown, an opportunity to reuse and recycle the play structure came to light.

Based on U.S. code and safety guidelines, play structures have strict removal and relocation standards. Westerville could not reassemble and reuse the equipment here, so a number of partners came together to create a pathway for the equipment to make a nearly 2,300-mile journey to Casa Hogar Los Angelitos, an orphanage in Manzanillo, Mexico.

This project was the first of its kind in Central Ohio; partners committed to problem-solving and innovative approaches so the project could reach and enrich the lives of the children in southwestern Mexico. Working with Kids Around the World, the Westerville Sunrise Rotary Club, and POD Design LLC, the play structure from Hanby Park was removed, refurbished and reassembled earlier this year at Casa Hogar Los Angelitos (pictured). Volunteers from Westerville Sunrise Rotary pledged to make annual visits to the site, offering ongoing support and ensuring the previously loved structure is safe and secure.

The donated play structure found a new home, while planning continued to develop a new signature space for Hanby Park. The design effort focused on transforming the park from a passive to an active, open space. Now, expanded walking paths and bike trails improve access for neighbors and Uptown visitors. New playground equipment fits all ages and abilities, including accessible swings as well as an open green space for unstructured play. The water spray-ground is expected to be one of the most popular features when the park opens in May.

The project has also paired community partners with unique programming opportunities. The Westerville Public Library sponsors the “Little Library” at the park for free access to books. The Ohio to Erie Trail, which spans the state of Ohio from Cincinnati to Cleveland, will promote local tourism, as well as offer events for traveling cyclists.

The Westerville Garden Club, which recently placed a Blue Star Marker at the site in honor of men and women in the military, donated time and materials to complete the park’s new flower beds. And, the Westerville Area Resource Ministry will offer its free summer lunch program for underserved children near the park.

From the Train Depot to the splash pad, Hanby Park is sure to be among the most exciting sites in Westerville for play and exploration. For more information on this and other projects, please visit www.westerville.org/parks.
Westerville Mayor Craig Treneff is hosting a series of neighborhood chats to connect with residents, answer questions and get information and feedback on City programs and services. Residents will receive postcards notifying them of their date, time and location as neighborhood meetings are scheduled.

“We know not every resident can attend City Council meetings at City Hall. We hope this forum will give those who want the opportunity a more convenient way to have their voices heard,” said Mayor Treneff.

A critical function of these sessions will be discussing emerging initiatives and seeking feedback while addressing any other questions or concerns. The next scheduled meeting will be held on Monday, June 25. Visit www.westerville.org for location and time.

**TOPICS OF DISCUSSION INCLUDE:**

**WESTERVILLE SAFE:** An emerging City initiative to develop or enhance programs for those in need, including victims of domestic violence and human trafficking.

**NEIGHBORHOODS:** The City is looking closely at housing and how best to support its neighborhoods. We want your thoughts on protecting property values and existing housing stock, as well as meeting future needs.

**KINDNESS AND CIVILITY:** In light of programs like Neighborhood Bridges, Neighbor2Neighbor and Otterbein University’s Kindness Matters campaign, what more can we do to improve community relationships at the neighborhood level?

Learn more about City Council and provide feedback about City issues at www.westerville.org/council.

**Westar Place Offering**

**Exciting Options for Entertainment**

When it comes to fun in Westerville, options seem endless. For those seeking a night on the town close to home should consider adding Westar Place to their options.

The new Renaissance Hotel, a Marriott hotel at 409 Altair Pkwy, in Westar Place, offers a full schedule of live music, restaurant and lounge overlooking scenic views. Featuring 222 guest rooms and 15,000 square feet of conferencing space, it’s a great spot to host events or a weekend staycation. Find more information at www.renaissancewesterville.com.

Just across the street from the hotel, along Cleveland Avenue, are many new additional options. Coffee lovers have no doubt already discovered the new Starbucks. Just a few steps away is the new Local Cantina, serving Mexican specialties and craft drinks. Next to the Mexican restaurant will be central Ohio’s first Bru Burger Bar, featuring rooftop seating and upscale burger creations.

It’s easy to meet your friends at these new Westar Place spots. COTA’s Bus Rapid Transit line, CMAX, will bring visitors right to Westar Place from the Columbus Metropolitan Region. Stay up-to-date about business development in the City by visiting business.westerville.org.
CELEBRATING A LIFETIME OF DISCOVERY
In the City of Westerville

Explore New Music with Free Concert Series
Alum Creek Amphitheater, 221 W. Main St.
Westerville is full of soul, especially during live concert season at the Alum Creek Amphitheater. Bring the entire family for warm summer nights full of free outdoor fun. From the Summer Concert Series starting in June, to the Family Concert Series and Jazz at the Amp, you’ll be dancing your way through the summer. See page 21 for a complete schedule.

Field of Heroes
Friday, May 25-Monday, May 28
at the Westerville Sports Complex
325 N. Cleveland Ave.
In its 10th year, the Field of Heroes is a meaningful community tradition attracting visitors from far beyond Westerville. Take in the awe-inspiring sight of more than 3,000 full-sized American flags standing in honor of our heroes. For more information, visit www.fieldofheroes.org.

Senior Olympics National Qualifier
Friday, June 8 - Saturday, June 30
The City of Westerville is proud to host the Ohio Senior Olympic State Games in June, a qualifier for the 2019 National Senior Games in Albuquerque, New Mexico. Come support older adult athletes as they compete in a variety of athletic events. Learn more at www.ohioseniorolympics.org.

Outdoor Classes
For some, there’s nothing like spending a leisurely day outside in Westerville parks. If you crave a bit more structure, you’ll love taking advantage of outdoor classes offered by Westerville Parks and Recreation. Get ready to breathe in the fresh air, get active and make friends in the great outdoors. Classes are available for all ages.
Fourth of July
Westerville hosts a day of patriotic fun on July Fourth like no other community. The day begins with the annual 5K Rotary Run and Walk, followed by the Children’s Run. Be sure to bring your hats, sunglasses and canned food items to the parade at 1 p.m. Food donations will be collected for WARM along the route. Be sure to stop by Westerville South High School, 303 S. Otterbein Ave., where there will be live music, food trucks and games. The day caps off with a bang with a fireworks display at dusk. For more information, visit www.westervillerotary.com.

Westerville Parks Provide Picture-Perfect Backdrops for Shutterbugs
Whether you’re a professional photographer or just learning your way, you can capture beautiful moments in your Westerville parks. Here are some fan-favorite shutterbug destinations in the City:

- **Heritage Park, 60 N. Cleveland Ave:** With beautiful flowering trees and the historic Everal Barn and Homestead, your options for rustic beauty are plentiful.

- **Hannah Mayne Park, between Glenwood Dr. and Summit St.:** Beyond the playground is a scenic bridge over a woodland stream offering the perfect setting for photos in the woods.

- **Highlands Park, 245 S. Spring Rd.:** Just near the water park is a running stream and wetland area ideal for spotting wildlife.

Parks and programs can play an integral role in a person’s development over a lifetime. Preschoolers learn that scraped knees can be forgotten in a moment, older children carve out their places in the world and adults remember what it means to have fun and learn again. (continued on page 56)
Beginning Wednesday, May 9, residents and businesses will be called upon again to “Light Central Ohio Blue.” This program, organized by Bill Swank, a 29-year law enforcement veteran from Central Ohio shows support for law enforcement with blue lights and ribbons. In its third year, the initiative complements National Police Week, beginning Wednesday, May 13 and National Peace Officer Memorial Day on Tuesday, May 15.

Swank says the purpose of the initiative is two-fold: to honor those who have lost their lives in the line of duty and to show support to police families. He said the community’s outpouring of support for law enforcement was felt far beyond Westerville.

Just months after the line-of-duty deaths of Westerville Division of Police (WPD) officers Anthony Morelli and Eric Joering, the support for blue still burns strong in the City.

“So many law enforcement agencies were just taken aback by the Westerville community’s response to February 10,” he said. “It doesn’t take away the sadness of the officers, but it helps those left behind know their sacrifices were not in vain.”

While WPD Chief Joe Morbitzer officially ended WPD’s mourning period on March 10, he knows well the pain felt in the community is far from healed. He hopes the momentum continues in showing support for first responders, including 9-1-1 dispatchers, firefighters and those in the military.

“I think our city can lead the way in recognizing true American heroes,” Chief Morbitzer said. “We’ve really diluted the concept of a ‘hero.’ We need it to reflect what we want our kids to follow.”

Chief Morbitzer encourages residents to honor the legacy of Officers Morelli and Joering by serving others.

“[The community has] given enough to WPD. I’d like them to convert that, if they’re in the giving mood, to make a donation of money, time or talent to the community,” he said. “Take that and move it forward.”

Officers Morelli and Joering will be honored at the National Police Memorial Service in Washington D.C. in 2019.

FALLEN OFFICERS TO BE HONORED AT FIRST RESPONDERS PARK

The state of Ohio recently approved $500,000 to contribute to the construction and placement of a permanent memorial that will honor our fallen officers at First Responders Park (312 W. Main St). The project is currently in design. More information will be available soon at www.westerville.org/westervillestrong.

YOU CAN HELP!

KNOW THE SIGNS OF HUMAN TRAFFICKING

At a community forum hosted by the Westerville Division of Police (WPD) in March, more than 80 community members gathered at Westerville City Hall to learn from a panel of experts. Panelists included Franklin County Municipal Court Judge Paul Herbert, founder of CATCH Court; Dr. Marlene Carson, a survivor of human trafficking and founder of The Switch Anti-Human Trafficking Network; Brytanni Barker and Quincy Brook from The Salvation Army; and Westerville Division of Police Chief Joe Morbitzer.

WPD emphasized suburban communities like Westerville are not immune to human trafficking, noting the pathways to becoming a victim of human trafficking are varied. Panel experts pointed to domestic violence, drug addiction, misleading promises of reputable work and perpetrators who “groom” victims over time as common preceding factors. Once involved, victims often find themselves stuck in a cycle of abuse making it difficult to break free.

According to the Ohio Human Trafficking Commission, signs of human trafficking include, but are not limited to:

- Sleeping bags in a facility that indicate employees are living in the same place they work and back rooms that appear to be living space.
- Workers may appear exceptionally young or fearful or particularly submissive.
- Security measures that appear to keep people inside an establishment - barbed wire inside of a fence, bars covering the insides of windows.
- Not allowing employees to go into public alone, or speak for themselves.

If you suspect someone you know or have seen may need help, contact the National Human Trafficking Hotline at 1 (800) 373-7888 or text “HELP” or “INFO” to 233733 to help connect victims or potential victims. Their call will connect people in need to a local response network.

Watch the full video of the community forum and find more information about local efforts to help victims of human trafficking at www.westerville.org/police.
In March, Westerville City Council approved a revised Uptown improvement plan that will help ensure the stability and vibrancy of the district for years to come.

When considering the planned 2019 resurfacing of State Street, from Lee Terrace to Hoff Road, City staff asked Council to consider expanding the scope to include certain recommendations from the Uptown Master Plan, which was unanimously approved by City Council and the Uptown Review Board in 2014.

Improvements along State Street, from Walnut to Park Streets, will include replacing damaged curb and repairing sidewalks as needed, as well as installing bump outs near the north side of West Plum Street with a pedestrian-activated flasher.

Between Park and Home Streets, along State Street will include the replacement of curb along both sides of the street, replacing sidewalks to meet ADA requirements and installing two bump outs: the north side of the drive near Westerville Division of Police and Winter Street with a pedestrian-activated flasher.

To learn more, visit www.westerville.org/uptown. For information about other improvement projects around the City, visit www.westerville.org/construction.

KNOW THE CODE
For Your Summer Projects

As the Central Ohio region warms, Westerville homeowners start gravitating toward their to-do lists of outdoor projects. Adding a call to the City to the list can save residents time, money and headaches in the long-run. The following information provides helpful considerations, but is in no way fully encompassing of City Code. For clarification about Code considerations, please call (614) 901-6650 or visit www.westerville.org/planningdev.

FENCES
One of the top complaints the City receives about fences each year are those that creep over property lines. Before installing a new fence, even if it’s just a replacement, you still need to obtain a free zoning certificate. The application requires a survey-based plot plan, including the location of the fence. This helps ensure the fence is built within property lines, which is the responsibility of the resident. Failure to comply with City code can result in some hefty fines, but not after the Code Enforcement team attempts to voluntarily resolve issues among homeowners.

SHEDS/ACCESSORY STRUCTURES
These handy structures are vital to many weekend warriors. Those that are 100 sq. ft. or less do not typically require a permit and can be located anywhere in the rear yard as long as it is completely to the rear of the home. Sheds 100-200 sq. ft. will require a free zoning certificate and anything larger is subject to a building permit, fee and inspection.

Sheds must be located at least 10 ft from the primary structure. Distance from the property lines depends on the zoning district. The best way to determine applicable zoning standards that apply to a specific lot is to contact Planning staff before you begin your project.

DECKS
These pillars of backyard relaxation require a bit more legwork, as these structures require a building permit and review from Building, Zoning, Engineering and Electric Division staff. It’s best to check in with the Planning and Development Department before getting started, even if you’re hiring a contractor. A common mistake is assuming a contractor is taking care of the permit paperwork. If you hire a contractor and you agree they will take care of all the permits, make sure you’re receiving copies of all the paperwork. If there’s an issue, the responsibility is on the homeowner, not the contractor.

Other summer projects that require free zoning certificates include patios, driveway extensions and similar improvements. For more information about code enforcement and permit applications, visit www.westerville.org/planningdev.
Giving back to the community is one of the guiding principles of the Westerville Parks Foundation. Since 2014, the Westerville Parks Foundation has provided 115 individuals the opportunity to participate in programs and activities offered by Westerville Parks and Recreation Department. Traditionally, funds for scholarship opportunities have been provided through Westerville Parks and Recreation Shelter deposits, Garden Plot reservation deposits, the Bunny Hop 5K, and the Adopt a Foot program. New initiatives in 2018 have been developed and implemented to bolster the scholarship program.

ONLINE DONATIONS
Now individuals can make donations to the scholarship program via www.westervilleparksfoundation.org. By clicking on the DONATE tab at the top of the web page, users can set up recurring or one-time donations on the secure web portal.

WESTERVILLE LICENSE PLATE
Proceeds from the license plate go to the Westerville Parks Foundation and anti-bullying initiatives for children. It’s easy to order the plate and get additional information at www.bmv.ohio.gov, by clicking Specialized Interest Plate under the Vehicle Registration tab.

SPONSORSHIP OPPORTUNITIES
The Westerville Parks Foundation is now providing corporate and private sponsorship opportunities. Sponsoring the Westerville Parks Foundation will provide exposure at three signature Foundation events, the Bunny Hop 5K, Jazz at the Amp Concert Series, and the Great Westerville Pumpkin Walk (Coming this fall). Details can be found on the Westerville Parks Foundation website www.westervilleparksfoundation.org.

The Westerville Parks Foundation strives to ensure that financial hardships do not prevent individuals from enjoying the programs and amenities offered by the Westerville Parks and Recreation Department. If you or someone you know is interested in learning more about the scholarship program or in need of an application, you can find this valuable information on the Parks Foundation website, or you can pick up an application at the front desk of the Westerville Community Center (350 N. Cleveland Ave.).

BOARD MEMBERS
Diane Conley, Chair; Mark Hopkins; Pete Otteson, Treasurer; Mark Dilley, Ex-Officio; Craig Treneff, Mayor; Valerie Cumming, Council Liaison; James McCann, Park and Recreation Advisory Board Liaison; Dr. Scott Ebbrecht, Westerville City Schools Liaison.

The Westerville Parks Foundation works cooperatively with the Westerville Parks and Recreation Department to secure philanthropic support to create and sustain parks, trails, public spaces, and programs for future generations.
The Thomas James Knox Rink
Alum Creek Park South, 535 Park Meadow Rd
The Thomas James Knox Rink will serve the Westerville community by offering a central location for youth to be introduced to hockey as a team sport, providing space for community programming to develop the skills of players of all ages, and creating a public space for current players to sharpen their talents. The rink is set to open later this summer. Additional information and a full list of classes can be found on pages 48 and 49.

Prohibition Sculpture Dedication
City Hall Courtyard, 21 South State St.
The Prohibition Sculpture, created by artist Matthew Gray Palmer, will highlight the impact of the Anti-Saloon League in Westerville and commemorate the Prohibition movement and Westerville’s role with the 18th Amendment. The sculpture will be installed in the newly completed courtyard in front of Westerville City Hall.

Support your parks with a Westerville license plate!
Westerville specialized license plates are available at the Ohio Bureau of Motor Vehicles (BMV). Show your civic pride and represent the community by riding in style. Proceeds from the plate sales will benefit the Westerville Parks Foundation and anti-bullying initiatives for children. Purchase yours online at www.bmv.ohio.gov.
More Space to Play  
for Mount Carmel St. Ann’s  

4TH FRIDAYS

The City of Westerville will close State Street for each Mount Carmel St. Ann’s 4th Friday, April through September. The popular events, presented by the Westerville Visitors and Convention Bureau (WVCB), will feature the closure of State Street, between East Park and West Home Streets, to allow more space for attendees.

The street will close promptly at 5:30 p.m. and reopen at 9:15 p.m. In order to protect the strict open and closure times, vehicles left parked along this section of State Street after 5:30 p.m. will be towed.

WVCB has arranged for a free shuttle service to Uptown from The Point at Otterbein University, 60 Collegeview Rd. The shuttle will drop off/pick up at the WVCB office at 20 W. Main St. (blue awning) every 15 minutes until 9 p.m. to accommodate those who are parking further away.

Find event themes and more information at www.visitwesterville.org.

PARKING RESTRICTIONS
Parking along Vine Street, between Park Street and Old County Line Road, will be prohibited from 4 -10 p.m.

ROAD CLOSURES
- East Home Street and the parking lots on the northeast and southeast corners of North State and East Home Streets
- East College Avenue from State to Vine Streets
- West College Avenue from State Street to the City Hall parking lot
- Winter Street to the parking lot entrance. Access to the Union Savings Bank drive-thru will be maintained via Winter Street
- East Main from State Street to the parking areas behind the Uptown businesses/Haywood Alley

A barrier allowing local traffic only will be placed on Walnut Street for motorists traveling northbound.

NEW UTILITY BILLING  

Payment Portal

The City of Westerville has introduced a new online service to help customers manage their utility accounts. The utility customer care portal will enable residents to pay utility bills online*, enroll in autopay and view e-bills, usage data, payment history and more. To get started, visit www.westerville.org/billpay.

Additionally, customers can now make debit or credit card payments over the phone without registering by calling 1 (844) 368-1114*. Check payments will not be accepted by phone.

Please note utility bills may still be paid using existing methods, including in-person, mail-in and drop-box service.

For assistance, contact the Utility Billing Department at (614) 901-6430 or email askutilitybilling@westerville.org.

*Service fees apply, see www.westerville.org for details.
WESTERVILLE EARN ‘TRIPLE CROWN’ WITH DEDICATION TO TREE CANOPY

On March 6, 2018, the same day as Gov. John Kasich’s final State of the State address in Westerville, Otterbein University was named a “Tree Campus USA” by the Arbor Day Foundation. This designation secured the Westerville’s standing as the only “triple crown” city in Ohio. That same day, the City received its Tree City USA designation for the 42nd consecutive year and its 20th Tree Line USA designation.

ROTARY VOLUNTEERS TO ENSURE GREENER FUTURE FOR WESTERVILLE

To help bolster the City’s tree canopy and eliminate unnecessary open space, the Sunrise and Noon Rotary Clubs of Westerville worked together to plant trees across Huber Village and Hoff Woods parks in April.

Nearly 200 trees were planted in time to grow into small pockets of wooded area, which will serve as an important natural resource for residents and animals. These small areas will not only save the cost and manpower of mowing, but will provide environmental advantages. Trees provide a multitude of benefits, including the reduction of stormwater runoff, improved air quality by filtering dust and other pollutants out of the air and absorbing carbon dioxide and giving off oxygen and also carbon sequestration. Newer data is showing that trees and natural areas help to reduce stress in people and increase recovery time from illness and injury. These benefits will be minimal at first, but as the trees begin to mature, they will increase exponentially.

Selected for use in these wooded areas were a mixture of canopy and understory native trees. This will allow for them to incrementally develop into a naturalized, mature native wooded area with a good amount of species diversity. The City of Westerville Urban Forestry team is also partnering with Russell Tree Experts and their “Tree For A Tree” Program. Through this program, additional native tree seedlings will be provided and planted by volunteers into these new areas to enhance the species diversity of the new spaces as well as increasing the age diversity. Both age diversity and species diversity are key elements to helping a natural space maintain a healthy ecosystem despite things like invasive pests, disease and climate change. With any success, these spaces will become nice accents to our award-winning parks system and will be places of fun and adventure for the next generation of Westerville youth.

Aqua Aerobics has been one of the most popular water fitness classes offered at both the Community Centers indoor pool and Highlands Park Aquatic Center (HPAC). This summer, Sunday sessions are now available at HPAC.

Not only is Aqua Aerobics adding this new class, this summer also features the return of instructor Stephanie Bellflower, an energetic, long-time employee who has been teaching with Westerville Parks and Recreation at HPAC well before its renovation and grand reopening in 2011.

According to Stephanie, the time was right for a return. “Teaching fitness classes is something I must be good at since it will be 36 years in June,” says Bellflower. Her secret? “I try to make movements fun and tell funny stories.”

While Stephanie jokes around, water aerobics is an excellent way to stay in shape. The buoyancy of the water makes movements much easier on the knees, especially in heated water.

“I started the water aerobics program at Highlands in 1987 because being in the water is like being a kid again,” said Bellflower. “‘Water people’ are usually a little more laid back than ‘land people’ but I love leading both kinds of classes.”

It’s never a bad time to try something new for your health. We hope this summer you are able to find fitness opportunities that you enjoy pursuing with the City of Westerville.

SWIMMING LESSONS

ADAPTIVE SWIM LESSONS (Ages 3 - 12, Teen class for ages 13-18)
Adapted Aquatics is designed for children and teens with special needs. This program is designed to give individuals an opportunity to experience the benefits of aquatics. With the assistance of aquatic staff, participants will work on enhancing their swimming abilities and comfort level in the water. This is a great opportunity to interact with others and have some fun! Parents may be in the water with their child.

TINY TOT SWIM LESSONS (Ages 6 - 24-mos.)
The Tiny Tot program is designed to develop the child’s comfort level in water and readiness for learning more advanced swimming skills. Parents work one on one with their child in the water to learn front kicks, prone glide, underwater exploration, rolling over and holding position.

GOLDFISH SWIM LESSONS (24 months to 4-5 years)
The Goldfish program is designed to develop the child’s comfort level in water and readiness for learning more advanced swimming skills. Parents work one on one with their child in the water to learn front kicks, prone glide, underwater exploration, rolling over and holding position.

THREE & ME LESSONS (Age 3)
This program acts as a bridge for your three-year-old children between the parent/child and guppy classes. If your three-year-old is still hesitant to be in the water without a parent, this program may help. A parent will be in the water with their three-year-old. Children will work on front kicks, bubble blowing, supported floating, and underwater exploration.

GUPPY SWIM LESSONS (Ages 3 - 6)
Children must be comfortable in the water without their parents.
Water Exploration. This class is suitable for children who are beginner swimmers. Children will learn elementary swimming skills for building upon future levels. Objectives include: supported front and back floats, kicking, bubble blowing, alternate arm action and safety skills. Two-year-olds are not allowed in this class. Parents are not in the water with their children.

TADPOLE SWIM LESSONS (Ages 3 - 8)
Primary Skills. Suitable for swimmers who have passed Guppy and/or can meet the prerequisites. Children should be able to submerge for three seconds, float on their back and front with support and do a supported crawl. Objectives include: independent back and front crawl and finning on back. Most students require two or more sessions before completing all objectives.

TURTLE SWIM LESSONS (Ages 4 - 12)
Stroke Readiness. Suitable for students who have passed Tadpole and/or can meet the prerequisites. Children should be comfortable in 3.5’ - 4’ of water, float on their back and front independently, swim front crawl with arm strokes and kick for five yards. Objectives include: gliding with push off, coordinating components of the front and back crawl, elementary backstroke, treading water, bobbing, basics of diving and more.

DOLPHIN SWIM LESSONS (Ages 4 - 12)
This program bridges the gap between the Turtle class in shallow water and the Minnow class in deeper water. Skills include floating, treading water, front and back crawl, basics of diving, and deep water entry and safety.

MINNOW SWIM LESSONS (Ages 5 - 12)
Stroke Development. Suitable for swimmers who have passed Turtle and/or can meet the prerequisites. Children at this level should be comfortable in deep water, swim front crawl with rhythmic breathing for 20 yards, swim back crawl for 20 yards, tread water for 30 seconds and complete a dive from the seated position. Objectives include: deep water bobbing, rotary breathing, diving from side of pool, building endurance by swimming distances, the basics of breaststroke, side stroke, turning at the wall and more.

PORPOISE SWIM LESSONS (Ages 5 - 12)
Stroke Refinement. Suitable for swimmers who have passed Minnow and/or can meet the prerequisites. Children at this level should be comfortable in deep water, swim front crawl with rhythmic breathing for 25 yards, swim back crawl for 25 yards, tread water for one minute and complete a dive from the standing position. Objectives include: alternate breathing, elementary backstroke, dolphin kick, diving from a diving board and more.

SHARK SWIM LESSONS (Ages 6 - 14)
Swimmers should be able to dive into deep water, perform the four basic swim strokes for 15 yards each and tread water for one minute. Objectives will vary according to the student’s needs and level. Objectives include: approach and hurdle on diving board, enhancing strokes, butterfly stroke, flip turns, breast and side stroke turns, stroke enhancement, endurance training and diving.

TEEN/ADULT SWIM LESSONS
This class is suitable for teens and adults at the beginner level. The instructor will develop individual lesson plans for each participant. Participants will gain confidence in their swimming skills and learn safety in and around the water.

DAY CAMPS

WESTERVILLE PARKS AND RECREATION CAMPS

The excitement of the final day of school may be quickly exhausted when planning on how to fill those summer days. Why not sign your kids up for a short summer camp through Westerville Parks and Recreation? These modern summer camps offer everything from theatre to engineering. They will provide the perfect way to fill the gaps between family vacations and trips. Below are five reasons to try one or more of these camps this summer.

- **Try something new.** In addition to popular sports and art options, campers can build a getaway vehicle or pirate ship, solve a series of challenges and work together to build a kingdom.

- **Reinvent yourself.** In school, a child might be considered the athlete or brain. What better way to try out a new identity as an actor?

- **Escape the screens.** Whether they are traveling across Ohio or dropping in to a Fun Club, minds and bodies are guaranteed to be engaged at camp.

- **Build self-esteem.** The controlled and safe environment of a structured camp promotes independent accomplishment without worrying about competition or evaluation.

- **Combat “there’s nothing to do” syndrome.** With the many options available, you can do something new every week and not even make a dent in your options.

Sign up for one or more of the many options and discover new adventures, friendships and unbridled imagination this summer.

GREEN GRASS, FRESH AIR
AND YOGA

Summer, is a time for relaxation, reflection and renewal. What better way to experience these mind/body benefits than with a new yoga class offered through Westerville Parks and Recreation. Uptown Yoga Serenity nurtures your connection with nature while providing a relaxing workout, all at the newly renovated City Hall Courtyard. Participants will find this class builds strength and flexibility, facilitates stress reduction and promotes a mind/body connection.

Did you know many yoga poses gained their names from plants and animals? Practicing yoga outdoors allows one to embody the sense of the pose while actually looking at what inspired it.

Harness the stability and power of a tree while you stand grounded in Vrksasana (Tree pose) or experience the flow, relaxation and composure of a flower in Vikasitakamalasana (Flower pose).

See page 47 for class details on this energizing practice discovering the power of summertime relaxation.

STREET HOCKEY COMES TO WESTERVILLE
THOMAS JAMES KNOX RINK

The Thomas James Knox Rink, located within Alum Creek Park South at 535 Park Meadow Rd., will serve the Westerville community by offering a central location for youth to be introduced to outdoor hockey as a team sport, providing a place for community programming to develop the techniques of players of all ages and creating a space for current players to sharpen their skills.

Street hockey can be played by all ages and on almost any flat, open surface. With a little space, some friends, a few sticks and a ball, you’ve got yourself a game. However, the new rink opens the door to more possibilities and partnerships benefitting young athletes.

Boys and girls ages 6-14 will have the opportunity to participate in the Street Jackets program in partnership with the Columbus Blue Jackets. Certified program specialists will work with young athletes to inspire leadership and promote fair play for all ages and abilities. The safety and development of individual athletes are at the core of all Westerville Parks and Recreation sports programs.

Skill development will focus on key fundamentals, including:

- Shooting
- Passing
- Stick handling
- Goaltending

The rink will also host opportunities for high school leagues and open skate times for all ages.
STREET HOCKEY COMES TO WESTERVILLE

SKILLS N’ DRILLS

DURATION: 6 Weeks
INSTRUCTOR: Recreational Coaches
RATE: $25
DISCOUNTED RESIDENT RATE: $20

This sneaker-only course will progress each week covering stick control, passing, shooting, coordination, movement and game play. Classes will consist of a short warm up followed by 30-minutes of skill development and 10-minutes of game play. Hockey sticks will be provided but class members may use their own equipment.

5- to 8-year-olds

Players will learn the basic skill development of street hockey. The focus will be on safety of the individuals and knowing rules and fundamentals of the sport while keeping the fun factor.

SPORTS
SPECIAL INTEREST

Kickball, originally called “Kick Baseball” was invented around 1917 by Nicholas C Seuss, supervisor of Cincinnati Park Playgrounds. Between 1920-1921, kickball was used by physical education teachers to teach children the basics of baseball. Today the game is played by all ages and abilities; no sports knowledge and very little equipment is required. The game of kickball helps with foot/eye coordination, increases physical strength, concentration and lower-body strength.

“This is the perfect team sport for all levels of play,” said Lindsay Buis, Adaptive and Inclusive Specialist with Westerville Parks and Recreation. “Teams can be made up of a mixed group of abilities making it the perfect blended sport.”

The first-annual Kickin’ It with Friends inclusive kickball game is scheduled for June 30 at Hoff Woods Park, 556 McCorkle Blvd. Each registered player (ages 16 and up) will be placed on one of six teams and receive a t-shirt, lunch and award. The day will be packed with fun for the whole family and include snow cones (provided by the Westerville Civitan’s Club); games, face painting, music and fun. The Westerville Lion’s Club will offer concessions and the Boy Scouts will do a presentation of flags. Only those wanting to play need to register; all others can enjoy viewing the games and events.

For more information see page 55. If you would like to volunteer, please contact the Adaptive and Inclusion Specialist at (614) 901-6501 or email lindsay.buis@westerville.org.

Preschool-age children are primed for discovery because they are experiencing so many things for the first time. At this age, we see children sharpening motor skills, interacting with each other more and learning (and pushing) the boundaries of the world around them.

At an age where imaginations are untethered and possibilities for play endless, it’s important to create constructive opportunities that aid in the development of preschool children. Your Westerville Parks and Recreation team would like to be partners in your child’s development, hosting dozens of fun activities for the summer.

From creative classes featuring funky music to “ooey-gooey” experiences that make science fun—Westerville preschoolers have a lot to learn together this summer. It’s in this safe, structured social play time that children learn to share, take chances and to enjoy active, social experiences.

The pages that follow are full of opportunities from Westerville Parks and Recreation for preschoolers to discover the joy of learning and socializing.

Not sure if a class is for your child? Call Westerville Parks and Recreation at (614) 901-6500. Staff is happy to answer questions and talk through best options for your tot.

Activity # Date Time Day(s)
313124-01 Jun 18 - Jun 21 10 - 11 a.m. Mon-Thu
As children age, life can become little more complicated (for them at least). Focus starts to turn to finding their place in the world, who they want to be and how they want to be seen. It’s the perfect time to get involved in group learning and team building activities. At this age, children are developing advanced skills they will take with them throughout their lives.

Westerville Youth Parks and Recreation programs are designed to help children discover their affinities and develop their talents. Budding artists can meet fellow creatives while trying their hands at crafts, painting and sewing; fresh air-seekers can get active while exploring the great outdoors; future entrepreneurs can earn their first-aid certifications and learn the basics to coding.

The beauty of youth is that there is no need to oblige oneself to one subject matter. Encourage children to explore a sampling of activities found in the pages that follow as they discover the people they were made to be.

Continues on page 64.

Once we reach adulthood, it’s far too easy to convince ourselves that we have a handle of the world and there is nothing left to discover. That feeling is a great indicator that there is something to rediscover: ourselves. Threat yourself to a new experience this summer with Westerville Parks and Recreation.

Peaceful painting and gardening classes will allow adult participants an opportunity to express their creativity. Those looking for more practical learning experiences can dive into parent-focused classes or even first aid for pets. Not mention the many fitness classes aimed at helping adults become their healthiest selves (see pages 44-47).

ONLINE PROGRAM EVALUATION

The Westerville Parks and Recreation Department is pleased to have you participate in our programs and classes. We recognize the importance of providing the highest level of service to our participants and appreciate hearing from you concerning your experience in specific programs and/or activities.

Complete the evaluation form online at www.westerville.org/programs.

PARKS MAINTENANCE SHOP
Mon - Fri 7 a.m. - 4:30 p.m.
Phone: (614) 901-6590
Fax: (614) 901-6597

The Parks Division manages more than 595 acres of park land in 50 locations and maintains neighborhood, community and school parks; nature preserves; sports complexes; greenways; and all City grounds. Facilities also include managed wetlands, mini parks, baseball/softball diamonds, soccer fields, tennis courts, sand volleyball courts, basketball courts, an amphitheater, fitness station, playgrounds, shelters, restrooms and more than 44 miles of bikeways/leisure paths. The Urban Forestry staff maintains more than 12,000 street trees. In addition, the Division maintains public gardens, flowerbeds, flower pots, hanging baskets and 65 acres of medians and City Right-of-Ways.

PARKS & RECREATION GIFT CARDS

Looking for that perfect gift? Give the gift of good health with a Parks and Recreation gift card.

Gift cards are redeemable for daily admissions, activities, classes and passes with Westerville Parks and Recreation.
The Westerville Parks & Recreation Department is pleased to offer online registration for its classes, programs and shelters. Online registration streamlines the process of registering by eliminating the need to wait in long lines on registration day.

Any household that has previously participated in a Parks and Recreation program, pass, or facility reservation may already have an online account.

Those wanting to sign up for the first time will need to create your own account through our online registration site www.westerville.org/registration. Click Create an Account and follow the prompts.

Proof of residency is required in order to be eligible for the discounted resident rates.

With your active online account, you will be able to view class information, process registration and reservations, make secure credit card payments and view class enrollment counts from your home or office 24 hours a day! You can even make changes to your household and member’s information—fast, easy and secure. User name/Passwords and Household Information can be changed once you log in. Click on “My Accounts.”

Send complete registration form and payment in the form of a check or money order payable to “City of Westerville” to:
Westerville Parks and Recreation, 350 N. Cleveland Ave., Westerville, OH 43082-9105.

Mailed registrations will be processed after Resident Registration and will be processed daily at random as time permits. We are not responsible for delayed mail.

In the event your class is filled and you pay by check, your check will be returned to you. You are registered unless we notify you otherwise.

PLEASE NOTE

Residency Status expires at the end of each year. Proof of residency is required only once in a calendar year. Prove your residency status each January for the entire year.

Payment for all programs/activities and facility reservations must be made at time of registration.

Still have questions? Visit the web at www.westerville.org/parks, click About Us and FAQ’s for additional information.
POLICIES & PROCEDURES

Fair Share Policy
The City of Westerville Parks and Recreation Department is largely financed through City Income Tax dollars. Therefore, to be considered a “Resident” in our registration process, you must live or work full time within the corporate City Limits of Westerville or be a spouse or child of such person. “Non-resident” applies to all others. Even though you may have a Westerville mailing address or live within the school district, you may not live within the Westerville City Limits. We ask for your understanding when registering.

Resident/Non-resident Rates
To receive discounted resident rates, Westerville residents will be required to present identification such as a valid driver’s license, photo ID card, utility bill or pay with a check with an address printed by the bank. Individuals employed full time in the Westerville City Limits will need to provide proof of employment on company letterhead with the signature of the personnel director or president or a current paycheck with their employer’s name and address along with a valid driver’s license. If a household has been granted residency status due to providing proof of Westerville income tax withholding and it is later revealed that a full refund of these taxes occurred, the City of Westerville reserves the right to collect the difference between the resident fee paid originally for the activity or pass and the appropriate non-resident fee. A $5.50 resident ID card may be purchased for registration and admission convenience.

Non-resident Fee Policy
The non-resident fee is an additional $5 to any program $20 or less and $10 for any program more than $20 and less than $60 and $15 for any program $60 or more. Seasonal and Annual Pass fees, daily admission fees and rental fees are 50 percent higher for non-residents.

Payment By Check
Checks should be made payable to the “City of Westerville.” There will be a $5 service fee for all checks not honored for any reason by any bank.

Scholarship Assistance Programs
The Westerville Parks Foundation offers scholarships for activities and passes to any age person who lives in the Westerville corporate City limits. These scholarship programs are designed to assist residents who may be experiencing a financial hardship with fees. Some restrictions may apply. Interested individuals may obtain scholarship applications at the Westerville Community Center.

Photo/Video Release Policy
By registering for any Westerville Parks and Recreation program, you agree to allow publication of photos/videos taken at any program, event or facility associated with the City of Westerville Parks and Recreation Department.

Age Policy
Children nine and under must be accompanied by an adult at all times while in the Community Center.

Cell Phone Policy
The use of cell phones in any City of Westerville Parks and Recreation Restroom, Locker Room, Fitness Area or Pool is not permitted.

Access to All Americans with Disabilities Act
This landmark civil rights legislation went into effect Jan. 26, 1992. It is a significant step forward to make our society's services and opportunities fully available to all Americans by combating barriers and prejudices that confront those of us with disabilities. The City of Westerville is committed to implementing the intent and spirit of this legislation. Those who may need assistance in order to enjoy our programs should contact the Administrative Office at (614) 901-6500 at least two weeks in advance of the program to discuss any necessary accommodations. TDD line: (614) 901-6413.

Persons with disabilities are invited to participate in all programs offered through the Westerville Parks and Recreation Department. When registering for a program, we ask that participants requiring special assistance mark the designated box on the registration form or add a note to your class when registering online.

Pass Refund Policy
All Community Center PASSports, Highlands Park Aquatic Center Passes, Sprouts Wait Room Cards and Gift Certificates are non-refundable and non-transferable.

Hardship Termination Criteria
The following criteria must be met to qualify for a hardship refund:

A job transfer outside a 25-mile radius of the Community Center. PASSholder or class registrant must provide a letter from his/her Human Resources Department stating that he/she is being transferred including forwarding address and phone number for verification.

In case of medical condition the following options are available:

A Community Center PASSholder or a class registrant may receive a refund if he/she provides a letter from a physician stating that they are on a medical restriction of an indefinite nature.

A Community Center Pass or Senior Center Membership can be put on hold and the expiration date extended if the participant provides a letter from a physician stating how long they are on a medical restriction.

A $5 transaction fee shall apply to all hardship refunds in addition to the prorated amount.

Program Refund Policy
Canceled Classes
If a class is canceled or closed, you will receive a full refund in the form of a check or credit refund (must be on credit card used.) There will be no cash refunds. Refunds take approximately three weeks to process.

REFUND BEFORE THE CLASS BEGINS
Refunds will be made only before the start of the class for one of the following circumstances and a $5 transaction fee will apply:

• When the refund is requested at least seven (7) days in advance (except where otherwise noted) of the first class meeting provided it does not reduce the participation level below the required minimum.

• When documentation is presented for an approved hardship situation.

REFUNDS AFTER THE CLASS BEGINS
• Refunds will be made only when documentation is presented for an approved hardship situation.

• A $5 transaction fee will apply.

CUSTOMER SATISFACTION GUARANTEE POLICY
In the event you are not satisfied with a program or service, The Westerville Parks & Recreation Department shall offer the following options:

• Repeat the program at no charge - or

• Receive a gift card that can be applied to any other program - or

• Receive a refund (processing takes approximately two weeks.)

NOTE: Adults sports leagues, camps, trips, consumable program supplies, daily admissions, annual passes, facility rentals, special events or tickets to certain events are exempt from the Satisfaction Guarantee.

Camp Refund Policy
Camp refund policy will be as follows: A $25 transaction fee will be processed per week, per child for every refund issued. All camp refunds must be submitted 30 days before the start of the camp session the household is looking to get refunded for. For more information, call the Program Supervisor at (614) 901-6506.

Cancellation of Activities
Due to Inclement Weather
All daytime (before 5 p.m.) programs will be canceled when Westerville Schools are closed due to inclement weather. Cancellation of evening programs (after 5 p.m.) will be determined by 4 p.m. on Saturdays, information will be available on daytime classes beginning at 8 a.m. and on evening classes beginning at 4 p.m. The Department will issue cancellation announcements on WBNS 10-TV and radio stations 94.7 FM and 610 AM. Information will also be available on the SPORTS/INCLEMENT WEATHER HOTLINE:

Due to Low Enrollment
The City of Westerville Parks and Recreation Department reserves the right to cancel classes due to low enrollment.
