How to Use the New Guide Categories

Westerville Parks and Recreation is excited to offer the following updates in an effort to streamline class organization for a more enjoyable experience while you review the many opportunities we offer each quarter.

Updates include a re-organization of classes by age and interest to provide a clearer path to register. Table of Contents and class sections of the guide include:

- **AQUATICS**
  Includes aquatic fitness (water aerobics) and swim lessons.

- **CAMPS**
  Special interest and seasonal camps that include all day and week-long selections.

- **FITNESS AND WELLNESS**
  Includes all aerobics, group fitness, mind/body/yoga/Pilates for adults ages 14 and up.

- **SPORTS**
  Includes information on all classes and sports leagues for all ages.

- **ADAPTIVE & INCLUSIVE**
  Includes accessible classes in arts, learning and physical activities for all ages.

- **PRESCHOOL**
  Includes arts, learning, physical activities and parent/child classes for ages birth through age 6.

- **YOUTH**
  Includes arts, learning and physical activities for ages 6 through 16.

- **ADULT**
  Includes arts, learning and physical activities for ages 16 and up.

- **OLDER ADULT**
  Includes arts, learning and physical activities for Senior Center members ages 55 and up.

If you have additional questions, please call the Community Center front desk at (614) 901-6500.

TAKE A TOUR:
Community Center Project Coming to Life

It’s almost time to break ground on the Westerville Community Center Expansion Project. Beginning this edition, we are taking a closer look at specific new and upcoming amenities. Let’s start where it all begins, the main entry upgrades, including the customer service desk and atrium, will be a true guest experience. And one of the most popular spots in the building: aquatics. Upgrades and additions to the pool are among the most exciting in the expansion plan.

Westerville Parks & Recreation Director Randy Auler says counter space will be styled after modern hotel front desks, with individual check-in and service stations to maximize personal interaction with staff members.

“We toured Community Centers across the region and kept coming back to how innovative yet personal some centers have been to adopt practices in the hospitality industry,” said Auler. “We really appreciated the idea and know it will be greatly successful here. If there’s one thing we hear all the time, it’s how much visitors appreciate the friendliness and helpful attitudes of staff. We’ll be even more accessible with this set-up.”

Along with more spacious arrival plaza and expanded parking, the main entry will be much more inviting, says Auler.

The Watering Hole, the official name of the indoor park, has changed little since the Center’s opening in 2001. At the time, the indoor pools were among the most modern and innovative in comparison to other centers across the nation. With the expansion project, space and style will be transformed in the aquatics area.

Auler is most eager to introduce interactive water slides. The experience, he says, will practically eliminate potential boredom from a standard slide that uses only moving water and gravity. The pool will soon feature slides that incorporate lights and scoring/gaming systems to record speed and accuracy.

“I like to call this ‘competitive water sliding,’” said Auler. “Imagine your kids competing to see who gets the highest score per slide. They may be sliding all day.”

The aquatics area will also feature the addition of a warm water therapy pool. These pools are commonly used for rehabilitation purposes as well as relaxation. To house these new amenities, the pool area will expand further into the current green space to the southwest of the building, which is currently vacant.

In the winter edition of the Community Recreation Guide, we’ll take a closer look at the integration of the Older Adult Center, a demonstration kitchen, new fitness space and a social lounge. To see renderings and designs, visit www.westerville.org/expansion.
Never Forget: FIRST RESPONDERS PARK SET TO EXPAND

Planning is underway for the expansion of Westerville’s First Responders Park (FRP), located at 374 W. Main St.

The park was first dedicated in 2010 to honor the service and sacrifice of all first responders. The centerpiece to the park is a section of steel known as “C-40” from the north tower of the World Trade Center that fell during the terrorist attacks on Sept. 11, 2001.

Since that time, FRP has become a go-to gathering place for events recognizing first responders, including the annual 9/11 Observance ceremony and a memorial service held for Westerville Division of Police Officers Anthony Morelli and Eric Joering, who were killed in the line of duty in February 2018.

“First Responders Park has long been considered for expansion because of its size and the persistent road noise that can be disruptive to events. The tragic loss our community experienced this year only emphasized our need for more space to honor our local first responders who have made the ultimate sacrifice,” said Randy Auler, Westerville Parks and Recreation Director.

A committee including the Westerville Chiefs of Police and Fire, as well as other City representatives, worked together with landscape architecture firms POD Design and McGill Smith Punshon to create the concepts for the park upgrades. Both firms donated their services free of charge in honor of Officers Morelli and Joering.

Concepts of planned updates include extending the park further north. A path curls around the park, allowing attendees to take in the full experience as they observe dedicated markers for first responder agencies. Commemorative elements, like a large water feature, will also be integrated into the space. Plans include a center lawn providing enough space for events, speakers and music during community remembrance events. The concepts were thoughtfully planned, with attention to detail paid to creating a space with a daytime and nighttime personality. All elements of the existing park, including commemorative bricks, will be incorporated into the redesigned space.

The improvements are estimated to cost $1 million, half of which has already been provided by the State of Ohio which generously donated $500,000 toward the project to be used in fiscal year 2018. Find status updates about this project at www.westerville.org/FRP.

Join us in honoring those citizens who step-up in a crisis as we remember 9/11 in the shadow of “C-40”. See page 19 for more information.

City to Launch Military Pole Banner Program

On Veterans Day, many family members of military servicemen and women or veterans will share images of their loved ones on social media. Now residents can have their military heroes recognized in Uptown Westerville.

The City of Westerville is launching a military banner program to honor the sons and daughters of our City who are currently serving or hold Veteran status from a branch of the U.S. Armed Forces (Army, Navy, Air Force, Marine Corps and Coast Guard) by displaying full-color, double-sided banners featuring their military photos in the Uptown-area.

Banners will be displayed during the month of May and then again in November. They will be distributed to those who have purchased them the first week of December.

Applications will be accepted on a first-come, first-served basis beginning Monday, Jan. 7–Friday, March 1. Applicants are encouraged to use the time before the start date to scan their military member’s images and ensure it is high-resolution for print quality purposes. A portion of the $130 cost will go to support the Westerville Parks Foundation. There are a limited number of poles available. Once this quota has been filled, applicants will have the option of being added to a waitlist for next year.

The applicant must be an immediate family member (spouse, child, parent, sibling, grandchild or legal guardian) of the service member.

Find more information about this program at www.westerville.org.
The City of Westerville is focused on keeping residents on the move with safe roadways ready to support future generations of travelers. Ten years ago, the City promised residents streets would be improved, specifically neighborhood streets rated in less than “good” condition would be improved to “good” or “better” within 12 years.

Find the steps we’re taking to keep this promise on the GoWesterville interactive map. Visit [www.westerville.org/construction](http://www.westerville.org/construction) for updates on major capital improvement projects in the City including Cleveland Avenue/Schrock Road, the Uptown Improvements Project and more.

**Look Ahead to 2019**

**UPTOWN IMPROVEMENTS PROJECT**
The City is committed to keeping the Uptown-area physically and economically vibrant. This effort includes pavement resurfacing and sidewalk replacements along State Street, between Walnut and Home Streets to bring them in compliance with the Americans with Disabilities Act (ADA). Learn more about the investments being made in the heart of the City at [www.westerville.org/construction](http://www.westerville.org/construction).

**NEW ROADS AT WESTAR PLACE**
From the opening of the Renaissance Marriott hotel to new amenities and services like the COTA CMAX Bus Rapid Transit line, it is clear to see that business is thriving in Westar Place. Infrastructure improvements must be made to ensure sustained growth in the area. In 2019, this includes the extension of Altair Parkway and Westar Boulevard, as well as the construction of a new road connecting Polaris and Altair Parkways. Healthy development is good for the business and residential communities in Westerville, bringing income tax to fund City services, plus the creation and retention of jobs. Learn more about economic development efforts in the City at [business.westerville.org](http://business.westerville.org).

**IMPROVEMENTS TO WESTERVILLE PARKS**
The Westerville Parks and Recreation team works continuously to provide better experiences for residents and visitors. Visit the GoWesterville interactive map at [www.westerville.org/construction](http://www.westerville.org/construction) and select the “Parks” tab for information about projects impacting the City’s recreation spaces.
Westerville has many historic distinctions, but none as unique as its role in the 18th Amendment to the U. S. Constitution. This amendment prohibited the manufacture, sale or transportation of “intoxicating liquors” in the United States. In June, a new piece of privately-funded public art, The American Issue, was installed in the Westerville City Hall Courtyard, 21 S. State St.

The American Issue was commissioned for the City of Westerville by Bruce Bailey, a lifetime Westerville resident and City Law Director. The sculpture recognizes the City as the home of the 18th Amendment. In the early 1900s, Westerville was a rural village consisting of 1,500 citizens, many of whom moved here to work for the Anti-Saloon League. The amendment gave birth to the era known as Prohibition, which in turn influenced a tumultuous time in our nation and the way we live today.

The Anti-Saloon League was located where the Westerville Public Library sits today. It waged an unprecedented political campaign to successfully champion Prohibition which is a complex issue dealing with the struggle between government regulation and individual rights. With language advocating both the 18th and 21st Amendments, The American Issue acknowledges Westerville’s unique historic role and captures the complexity of the Prohibition story.

The sculpture, created by Columbus-born artist Matthew Gray Palmer, was donated to the City.

“During the Prohibition era, people were willing to put their country first before themselves, hoping that outlawing alcohol would result in a better country and society,” said Bailey. “They called it the ‘noble experiment,’ but in the end, the nation learned it can’t legislate morality. The 18th Amendment is important because, by its passage and repeal, our democracy demonstrated the strength and resiliency of its representative nature.”

A video detailing the process for bringing the sculpture to the City and other facts about the public art piece can be found at www.westerville.org/americanissue. For more information on Westerville’s historic role in Prohibition, visit the Anti-Saloon League at the five-star Westerville Public Library or visit www.westervillelibrary.org/AntiSaloon.
Summer 2018 proved to be a busy season with many park openings and events. We are grateful for the support of the Westerville community and hope these gatherings provided great family fun and learning.

City Designates Parks “NO SMOKING” Zones

Westerville parks are now officially “no smoking” zones after Westerville City Council adopted an ordinance to prohibit smoking and the use of electronic cigarettes in community parks. The legislation is an effort to reduce and eliminate secondhand smoke and the resulting negative smoking effects including litter and strong odor. At sites most commonly frequented by children, the ban will also help protect young lungs at play.

According to the U.S. Centers for Disease Control and Prevention (CDC), secondhand smoke exposure contributes to approximately 41,000 deaths among nonsmoking adults and 400 deaths in infants each year. Secondhand smoke can cause strokes, lung cancer and coronary heart disease in adults.

The CDC emphasizes pronounced negative health effects for children. When exposed to secondhand smoke, children are at an increased risk for sudden infant death syndrome, acute respiratory infections, middle ear disease, more severe asthma, respiratory symptoms and slowed lung growth.

Electronic cigarettes are included and specifically prohibited in the ban. The use of an e-cigarette, often called “vaping,” has become popular as either an alternative or in addition to regular cigarette or tobacco use. However, vaping is not without harm to bystanders.

The ban is inclusive of all 43 Westerville parks and more than 40 miles of recreational trails along the Westerville Bike & Walkway system. Westerville joins several other Central Ohio communities banning the use of tobacco and smoking in parks. Columbus, Dublin, Powell and Grove City all have same or similar prohibitions in parks on the books.

In partnership with Franklin County Public Health, the Westerville Parks & Recreation Department has placed “No Smoking” signs in all City-owned parks and green spaces. Additionally, Parks and Recreation will promote smoking cessation programs.

The ordinance has been in effect since August 2, 2018. For more information, please visit www.westerville.org/parks.

INTERNET PURCHASE EXCHANGE SITES ENDORSED BY WPD

Social media, apps, websites and other online options are quickly replacing traditional garage and yard sales. On Facebook alone, there are multiple groups for buyers and sellers. A “New Albany and Westerville Areas Buy Sell Trade” group has more than 11,000 members. “Westerville Yardsale Group” has more than 4,000, as does “Westerville Steals and Deals.” Simply put, advertising housewares and used items online has significantly greater exposure to potential buyers.

While the vast majority of Internet-based sales between neighbors are honest and friendly, there are stories that warrant safety precautions. Robberies, fraud and scams have been reported over time, which led public safety officials to issue warnings, tips for transactions and special sites to safely exchange items or money.

Designating a site to maximize the safety of both the buyer and the seller, the Westerville Division of Police (WPD) has introduced an “Internet Purchase Exchange Zone” program. The WPD lobby at 29 S. State St. and the Westerville City Hall lobby at 21 S. State St. are offered as exchange sites for parties agreeing to a buy, sell or trade arrangement. The WPD lobby is open day and night, while City Hall is available only on weekdays during normal business hours (8 a.m. – 5 p.m.).

The sites feature signage and offer some enhanced safety features that may not be available at other public sites, including a staff presence and surveillance (where available). Still, WPD Lieutenant Ron McMillin says safe Internet exchange sites are no substitute for caution and common sense when it comes to buying, selling and trading from unknown sources.

“The idea is to use a place like this instead of your home,” he said. “We want people to use these locations with confidence, but also avoid the mistake of trusting too quickly. Never share your personal information, especially usernames, passwords and financial information. Pay cash when you can, especially when you’re meeting with someone for the first time. Generally, stay aware of your surroundings, and call us if you don’t feel safe.”

WPD has registered the two sites on the national registry of safe trade locations online at www.safetradestations.com.
PUBLIC POWER WEEK
Sustainable Programs Empower Electric Division Customers

Public Power Week occurs the first full week in October. During this time, the Westerville Electric Division encourages customers to take note of the many programs available that empower residents to help reduce costs and energy consumption.

APPLIANCE RECYCLING: Trade in old appliances in exchange for a $50 pre-paid VISA debit card or digital debit card download. Visit www.westerville.org/takemyfridge to get started.

ECOSMART CHOICE®: Electricity is generated from a variety of fuel types including fossil fuels, nuclear and renewable sources. Nearly 63% of all electricity generated in the U.S. last year came from fossil fuels like natural gas, coal and petroleum. According to the U.S. Energy Information Administration (EIA), fossil fuel sources were responsible for 35% of energy-related carbon dioxide emissions in the United States in 2016. However, once electricity is generated and sent to the grid, there is no real way to track the source. EcoSmart Choice® allows consumers to support renewable energy equivalent to a portion of their electric usage. Learn more at www.westerville.org/electric.

NEST RUSH HOUR REWARDS: Nest Rush Hour Rewards helps put future electric rates in the hands of customers by allowing them to help the City keep peak usage down during the hot summer months. When a Westerville Electric Division customer who owns a Nest thermostat opts in to the program, they will automatically reduce energy usage during “Rush Hour” events. Rush Hour events occur in summer months during specific high heat and humidity, weekdays from 2-6 p.m. The program will begin again in summer 2019 but you can still take advantage of the $75 rebate. Get started at www.westerville.org/nest.

Find more information about these and other programs on the City’s website at www.westerville.org/electric.

Set Aside Old Holiday Lights For Recycling

Dusting off your holiday decor soon? Don’t throw your holiday lights in the garbage. Instead, keep them somewhere handy for the Westerville Electric Division Holiday Light Recycling Collection, beginning Monday, Nov. 19 from 8 a.m. - 4 p.m. at the Electric Division’s facility, 139 E. Broadway Ave. The program will end on Thursday, Jan. 31 at 4 p.m.

The Westerville Electric Division is offering one high-efficiency LED light bulb for one strand of old lights. Each household may receive up to three new bulbs from the Electric Division. However, there is no limit to how many stands of lights may be recycled.

Think of this program as the gift that keeps on giving. Residents get old, tangled lights out of the house and receive a new, long-lasting bulb; the Electric Division removes inefficient holiday lights from draining the power grid; Rumpke, the City’s refuse and recycling vendor, reduces holiday string lights tangled in their equipment. And, because the old lights will be taken and safely recycled, it’s beneficial for the environment.

Last year, Westerville residents helped recycle 500 lbs of holiday lights through this program. Find more information online at www.westerville.org/electric.
This Fire Prevention Week, the Westerville Division of Fire is embracing the theme “Look. Listen. Learn. Be aware. Fire can happen anywhere” through education and entertainment. The week will again begin with the annual Fire Prevention Week Open House at all Westerville Fire Stations from 1-4 p.m. on Sunday, Oct. 7. Firefighters will present special demonstrations at Station 111, located at 400 W. Main St. during this time. For Westerville Division of Fire Chief Brian Miller, the goal of the day is to present important information alongside plenty of fun.

“We’ll have a puppet show and games for the youth in attendance and adults will walk away with important lessons about how to keep their families safe in their homes,” Chief Miller said. “I encourage every resident in Westerville and Blendon Township to attend this important event.”

This year Westerville firefighters will drive home the purpose of looking for potential existing fire hazards in households, listening for the sound of smoke alarms and learning two ways out of every room.

Find additional details about Fire Prevention Week at www.westerville.org/fire.

Connecting Residents to Resources
WFD Service Coordinator offers Preventative Help

A new Westerville Division of Fire (WFD) service – and person – is helping to connect Westerville and Blendon Township residents with critical programs in the region. Francie Hughlock joined WFD in February as a community services coordinator. Her assistance is offered free of charge and completely optional to residents-in-need as a result of a collaboration with National Church Residences, which provides Hughlock’s services to the City at no cost.

With 10-years of experience helping connect people, especially older adults, with helpful programming, Hughlock is focused on bridging the gap between needs and fulfillment. Once she gains consent from a resident, the work begins. A big focus of her work with older adults is connecting them with resources to help them maintain a good life in their own homes.

According to WFD Chief Brian Miller, paramedics will spend up to 20 minutes with a resident treating and evaluating symptoms before transporting them to a hospital. While they are able to tell patients about available resources, follow-up services are outside their scope.

Hughlock acts as an advocate for residents in need who have struggled to connect with family members, health care providers and community resources, spending hours with each person she helps. She adds a personal touch to each visit, helping to resolve issues like in-home fall risks and connecting residents with addiction services.

In addition to WFD patients, Hughlock works with other City agencies like the Westerville Division of Police and Code Enforcement Division to help residents they identify as potentially needing assistance. She can be contacted at francie.hughlock@westerville.org or by calling (614) 551-6927.
The 2018 Leaf Collection Program for the City of Westerville kicks off Monday, Oct. 15. The Westerville Public Service Department has scheduled five collections per household through Friday, Dec. 21. Collections occur seven-10 days from the assigned “set out” date.

Kevin Weaver, Westerville Public Service Director, encourages residents to keep leaves on the tree lawn and not in the street, curb inlets and catch basins. He also asks that residents remove things that could get in the way of equipment such as cars and basketball hoops.

“Piling leaves in the street or curb inlets can cause a hazard,” said Weaver. “These mechanisms are in place to help prevent street flooding. Leaves can clog drains and cause water to back up onto the street, putting drivers at risk when it rains.”

Weaver says keeping leaves on the tree lawns also helps to protect downstream water quality.

Residents who miss their leaf collection date can always place leaves in paper, biodegradable bags or other yard waste receptacles for Monday’s yard waste collection.

The Public Service Department recommends the following tips and guidelines for efficient leaf collection:

- Rake all leaves to the tree lawn (between the sidewalk and the street), but not in the street, the night before the start of your scheduled collection.
- Ensure leaf piles are free of large sticks, twigs and any trash or debris that could cause damage to the leaf collection equipment and injuries to personnel.
- Avoid parking vehicles in front of leaves during collection times.

The City collected about 4,500 cubic yards of leaves in 2017. Leaf collection schedules are mailed to residents in late September. For more information about the program, schedule and status updates visit www.westerville.org/leafcollection. Please contact the Public Service Department with any questions or concerns at (614) 901-6740 or publicservice@westerville.org.

HOUSEHOLD HAZARDOUS WASTE COLLECTION

Back in September

Each year, the City of Westerville Public Service Department hosts a spring and fall Household Hazardous Waste Collection in partnership with the Solid Waste Authority of Central Ohio (SWACO). These events provide residents an opportunity to properly dispose of potentially harmful chemicals. The fall collection will be Saturday, Sept. 8 from 8 a.m. - 2 p.m. at the Westerville Public Service Complex, 350 Park Meadow Rd.

This program keeps dangerous materials out of local landfills. When harmful chemicals are stored on land, they can leak from their containers contaminating soil and groundwater. These collection dates provide residents an opportunity to remove potentially harmful substances from the home for safe disposal, not in the home’s trash can. Materials like paint, batteries and even nail polish can pose a risk to refuse workers as trash compactors can cause combustion.

SWACO officials recommend residents scan packaging for words like “poison,” “corrosive,” “flammable” and notes to use in a well-ventilated space. If they are included, it’s a good sign the product should be stored safely until the next Household Hazardous Waste Collection.

For a complete list of acceptable items visit www.westerville.org/hhw. To dispose of items between the two events, SWACO has a permanent Household Hazardous Waste Center at 645 E. 8th Ave. Find more information at www.swaco.org.
The City of Westerville will debut an interactive map this fall to help residents better track leaf and snow removal progress.

During leaf collection season and snow events, Westerville Service Department staff are hard at work clearing tree lawns and City streets.

While residents indicated an overall satisfaction with these services in the 2016 Resident Survey, the City saw an opportunity to improve day-to-day communication about the progress of our Road Warriors. With this new portal, residents can see to-the-minute results of crews as they move about the City.

During leaf collection and snow events, residents will see what streets were treated in the last two, six, 12 and 24-hour time frames, in addition to selecting specific roads for more detailed data.

Find more information on the City’s website www.westerville.org/roadwarriors.

WELCOMING WESTERVILLE’S Newest First Responders

Westerville welcomed four full-time firefighters and two full-time police officers this summer.

Firefighters Ryan Wamsley, Stephen Burger, Andy Taylor and Andy Saunders were sworn in at the July 2 Westerville City Council meeting.

Wamsley has been with the Westerville Division of Fire (WFD) as a part-time firefighter since 2012. He began his career as an EMT in Chicago before moving to Westerville and earning his paramedic certification.

Burger was an active member in the Fire and EMS Boy Scout Explorer Program with the Central Ohio Joint Fire District before attending the Columbus State Community College Grant LifeLink Paramedic Program. He started as a part-time WFD firefighter in January 2017.

Taylor brings with him nine years of full-time experience and 15 years of part-time experience in the fire service. He was hired as a part-time firefighter for WFD in January 2017. He earned his State Fire Certification in 2002 from Delaware JVS, and then received his paramedic certification in 2005 from Grant EMS.

Saunders has his bachelor’s degree in Business Administration from The Ohio State University Fisher College of Business. He also attended the Ohio Fire Academy and Central Ohio Technical College for his firefighter and paramedic certifications. He has served the Granville Township Fire Department for ten years and was hired as a part-time WFD firefighter in January 2017.

Westerville Division of Police (WPD) Officers Brittany Robertson and J.P. Hill-Spann graduated from the Columbus Police Academy in July.

Officer Robertson graduated from the University of Cincinnati where she majored in Criminal Justice with a minor in Psychology and joined the Ohio Air National Guard as a Security Forces member.

After graduating from Stivers School for the Arts, Officer Hill-Spann enlisted in the Air Force Reserves as a C-17 airplane mechanic and was recently promoted to the rank of Staff Sergeant (E-5). He earned his bachelor’s degree in Business and Aviation from Liberty University in 2017.

More information about the Westerville Division of Fire can be found at www.westerville.org/fire. Learn about the Westerville Division of Police at www.westerville.org/police.
Help Us Recognize Westerville Champions

The community is invited to nominate citizens who have made outstanding contributions to the Westerville community. Those selected to the Champions of Westerville program are commemorated with a plaque that is displayed in a public space. Nominations are accepted throughout the year.

The program was created to recognize the work of individuals who go above and beyond to make the City a better place.

Nominations are held in three categories: an outstanding individual, which acknowledges the sustained and lasting contributions made by that person; a historical event, person or place that honors Westerville’s history, founders or other figures or a benefit/organization that recognizes the significant benefit of a donation.

Nominees should display a range of qualifications including: a visionary and community role model; an example of exemplary leadership in the Westerville community; having forever changed or improved the community; having made a lasting impression that is evident for future generations; significantly impacting local history and quality of life and someone who was a Westerville resident at the time of accomplishment.

Learn more about previous winners, view a map of their markers and download a nomination form online at www.westerville.org/champions.

Calendar Merges with Community Recreation Guide

The merging of the two publications reduces paper waste significantly and also streamlines event listings with more frequency (quarterly vs. annually) so that scheduling changes have a better chance of being captured.

Dickey says the best part of the calendar—resident and visitor-submitted photos—will continue.

“The merging of the two publications reduces paper waste significantly and also streamlines events listings with more frequency (quarterly vs. annually) so that scheduling changes have a better chance of being captured. We will continue to ask for and publish photos from residents and visitors in our parks, neighborhoods, Uptown and other special events and places in Westerville,” she said. “If you tag us in your photos on Facebook, Twitter or Instagram, we may reach out for permission to share with the rest of the community.”

Share your photos with us on social media by using #westerville, #acitywithinapark or #westervillestrong.

The best resource for finding the most up-to-date information and event listings is the City website. Visit www.westerville.org/calendar or click “Events” at the top of the page to access the monthly calendar.

BOARDs and COMMISSIONs VACANCIES
APPLIcATIONS ACCEPTED UNTIL OCT. 19

Westerville City Council will accept applications for vacancies on City of Westerville boards and commissions through Friday, Oct. 19. Board and Commission members play an essential role in City government by evaluating areas of special interest and, when appropriate, making recommendations to City Council. All positions are unpaid, voluntary appointments.

Positions are available on the following Boards and Commissions:

PLANNING COMMISSION (two vacancies)
Four-year term
Board of Zoning Appeals (one vacancy)
Four-year term
Uptown Review Board (three vacancies)
Three-year term
Parks and Recreation Advisory Board (four vacancies)
Three-year term
Personnel Review Board (one vacancy)
Three-year term
Income Tax Review Board (one vacancy)
Three-year term
Visitors and Convention Bureau (one vacancy)
Three-year term

Only residents having lived within City corporate limits at least six months may be appointed to a Westerville Municipal Board or Commission as established or created by City Charter, Code or general state laws. The rules also state that members of City Boards and Commissions must be a registered elector and may not hold public office, serve on another City Board or Commission and cannot be employed by the City of Westerville (unless where State law allows).

To apply, visit the City’s website at www.westerville.org. Please direct questions to Mary Johnston, Clerk of Council at (614) 901-6410 or mary.johnston@westerville.org.

Free Uptown Public Wi-Fi in Uptown
Now Provided by WēConnect Data Center

The City-owned WēConnect Data Center is now powering free public Wi-Fi in Uptown Westerville.

The Data Center team began installing new wireless access points in Uptown in the spring with plans to continue the updates in all City buildings. The equipment provides a faster connection for the service. The public network can now be found as “WēConnect” (SSID).

Opened in 2012, the Data Center is the nation’s first municipal facility of its kind. Now a multi-million dollar community asset, WēConnect serves as a connectivity hub for local and regional businesses, providing scalable capacity for future growth. Learn more about WēConnect at www.westerville.org.
Not just a playground and shelter

The 2014 Westerville Parks and Recreation Open Space (PROS) master plan called for new and existing park projects to incorporate signature experiences and spaces throughout the City of Westerville. With that in mind, the initiative on how to incorporate art into parks throughout the City began. In October 2017, the Parks and Recreation Department initiated a “Call for Artists” to commission an artistically designed playground and shelter for Towers Park.

The importance of art accessibility in parks is central to the Public Art in Westerville Spaces program. This structure will serve a practical purpose as a shelter and as a large-scale public art installation. This shelter was designed by artist Anthony M. Ball of Tork Collaborative Arts, a full-service, three-dimensional art, fabrication and production studio in Columbus. Their work can be found in many museums, public parks and landscapes, as well as healthcare, hospitality, commercial and retail environments.

Ball calls this structural canopy his most ambitious project to date. His site-specific design breaks from traditional park shelters and will be a first-of-its-kind in construction as well. In lieu of traditional construction materials like wood and asphalt shingles, the aluminum canopy will be tiled with a colorful mosaic field composed of hundreds of semi-transparent tiles, each piece hand-tinted and cast in the artist’s studio. Some visual cues were taken from the park’s existing color palette and landscape, including the electric towers for which the park is named.

“The canopy will be central to a children’s play area and experience, so it was important to keep that client in mind. I have spent much of my career bypassing galleries in favor of accessible spaces like parks, gardens and landscapes,” said Ball. “My art doesn’t require explanation, it requires interaction.”

The dual-duty shelter and art installation is titled “Nature’s First Green” with estimated completion in late summer.

*(Dec. 3-Dec. 6)*
Each year, during the two weeks prior to Labor Day, the Westerville Community Center undergoes an annual maintenance period when major renovation projects and deep cleaning takes place. This is done in an effort to continue the Gold Medal tradition by providing the highest quality facilities, while minimizing inconvenience to guests. The annual maintenance schedule coincides with a time on the calendar when the outdoor facilities are readily available including the Highlands Park Aquatic Center and all Westerville parks. In fact, all Ultimate PASSholders with the Community Center receive free access to the Aquatic Center during this time.

In addition to closures in many areas of the Center, the entire Watering Hole including lap, leisure and slide pools, as well as the hot tub will be closed. This allows for draining, cleaning and general maintenance of the pools and deck area that can not be done throughout the year.

All swim lessons and aqua aerobics are scheduled to begin in the fall season after Labor Day. Classes and lesson information for these classes may be found on the following pages and at www.westerville.org/registration.

For a breakdown of scheduled closures, see page 19 or visit www.westerville.org/parks.

SWIMMING
LESSONS

ADAPTIVE SWIM LESSONS  PC
(Ages 3 -12, Teen class for ages 13 - 18)
Adaptive Aquatics is designed for children and teens with special needs. This program is designed to give individuals an opportunity to experience the benefits of aquatics. With the assistance of aquatic staff, participants will work on enhancing their swimming abilities and comfort level in the water. This is a great opportunity to interact with others and have some fun! Parents may be in the water with their child.

TINY TOT SWIM LESSONS  PC
(Ages 6 -24-months)
The Tiny Tot program is designed to develop the child's comfort level in water and readiness for learning more advanced swimming skills. Parents work one-on-one with their child in the water to learn front kicks, prone glide, underwater exploration, rolling over and holding position.

GOLDFISH SWIM LESSONS  PC
(24 months to 4-5 years)
The Goldfish program is designed to develop the child's comfort level in water and readiness for learning more advanced swimming skills. Parents work one-on-one with their child in the water to learn front kicks, prone glide, underwater exploration, rolling over and holding position.

THREE & ME LESSONS  PC
(Age 3)
This program acts as a bridge for your children between the parent/child and guppy classes. If your child is still hesitant to be in the water without a parent, this program may help. A parent will be in the water with their child. Children will work on front kicks, bubble blowing, supported floating, and underwater exploration.

GUPPY SWIM LESSONS
(Ages 3 - 6)
Children must be comfortable in the water without their parents.

Water Exploration. This class is suitable for children who are beginner swimmers. Children will learn elementary swimming skills for building upon future levels. Objectives include: supported front and back floats, kicking, bubble blowing, alternate arm action and safety skills. Two-year-olds are not allowed in this class. Parents are not in the water with their children.

TADPOLE SWIM LESSONS
(Ages 3 - 8)
Primary Skills. Suitable for swimmers who have passed Guppy and/or can meet the prerequisites. Children should be able to submerge for three seconds, float on their back and front with support and do a supported crawl. Objectives include: independent back and front crawl and finning on back. Most students require two or more sessions before completing all objectives.

TURTLE SWIM LESSONS
(Ages 4 - 12)
Stroke Readiness. Suitable for students who have passed Tadpole and/or can meet the prerequisites. Children should be comfortable in 3.5’- 4’ of water; float on their back and front independently, swim front crawl with arm strokes and kick for five yards. Objectives include: gliding with push off, coordinating components of the front and back crawl, elementary backstroke, treading water, bobbing, basics of diving and more.

DOLPHIN SWIM LESSONS
(Ages 4 -12)
This program bridges the gap between the Turtle class in shallow-water and the Minnow class in deeper water. Skills include floating, treading water, front and back crawl, basics of diving and deep water entry and safety.

MINNOW SWIM LESSONS
(Ages 5 - 12)
Stroke Development. Suitable for swimmers who have passed Turtle and/or can meet the prerequisites. Children at this level should be comfortable in deep water; swim front crawl with rhythmic breathing for 20 yards, swim back crawl for 20 yards, tread water for 30 seconds and complete a dive from the seated position. Objectives include: deep water bobbing, rotary breathing, diving from side of pool, building endurance by swimming distances, the basics of breaststroke, sidestroke, turning at the wall and more.

PORPOISE SWIM LESSONS
(Ages 5 - 12)
Stroke Refinement. For swimmers who have passed Minnow and/or can meet the prerequisites. Children at this level should be comfortable in deep water; swim front crawl with rhythmic breathing for 25 yards, swim back crawl for 25 yards, tread water for one minute and complete a dive from the standing position. Objectives include: alternate breathing, elementary backstroke, dolphin kick, diving from a diving board and more.

SHARK SWIM LESSONS
(Ages 6 - 14)
Swimmers should be able to dive into deep water; perform the four basic swim strokes for 15 yards each and tread water for one minute. Objectives will vary according to the student’s needs and level but include: approach and hurdle on diving board, enhancing strokes, butterfly stroke, flip turns, breast and side stroke turns, stroke enhancement, endurance training and diving.

TEEN/ADULT SWIM LESSONS
This class is suitable for teens and adults at the beginner-level. The instructor will develop individual lesson plans for each participant. Participants will gain confidence in their swimming skills and learn safety in and around the water.

HOMESCHOOL SWIM LESSONS
Swim lessons are a great physical education addition for the homeschool curriculum. Children will be divided according to their ages.

DIVING LESSONS
This class will help participants gain knowledge of and build upon competitive diving skills. Specific skills taught include front approach, front jump, back dive and more. Participants must be able to swim one length of the lap pool.

Level I - Divers will learn diving safety, shallow and deep dives, and competitive diving entries. Students must be able to swim one complete lap before taking this class.

Level II - Divers will learn forward and back take-offs, straight, tuck and pike positions, dive come-outs and body control. Students must complete Level I before taking this class.

**INFANT AQUATICS 614**  
INSTRUCTORS: Jayne Ackerman, Certified Infant Aquatic Survival Specialist  
AGE(S): 6 months and older with adult

Students learn how to survive drowning risks through survival swimming and self-rescue techniques. Survival floating and the swim-float-swim sequence are mastered quickly and serve as the foundation for proper stroke development. This progressive program is designed to take students from beginners to advanced swimmers as efficiently as possible. Available one to five days per week. Contact (614) 300-5765 or swim@infantaquatics614.com to schedule lessons. Visit www.InfantAquatics614.com to learn more.

**INFANT SELF RESCUE**  
INSTRUCTORS: Jennifer Tyson  
AGE(S): 6 months - 6 years

Babies 6-to-12-months learn to hold their breath underwater, turn onto their backs and float unassisted. Children ages 1-to-6-years old are taught to expand this into a swim-float-swim sequence. Your child will also learn how to master the ISR Self-Rescue technique when fully clothed. Call Jennifer Tyson, Certified ISR Instructor at j.tyson@infantswim.com or (614)315-7174 to schedule.

As clocks fall back into autumn, new classes offered through Westerville Parks and Recreation will help you move forward to better health.

Essentrics®, a full-body dynamic stretch and strengthening program to rebalance and rejuvenate the entire body without added weight, is scientifically designed to do just that. Otherwise known as “Classical Stretch,” airing on PBS for over 20 years and created by Miranda Esmonde-White, Essentrics® has helped many regain control over their weight, mobility, posture, balance and chronic pain.

“Movement of every part of the body daily is the key to anti-aging,” said Jill Roth, Certified Essentrics® instructor. “This promotes increased blood flow and necessary fluids to all muscles, bones, joints, connective tissue and vital organs, promoting detox and an increased sense of vitality.”

Essentrics® is a low-impact, highly adaptable program used to train professional athletes, everyday fitness enthusiasts and those just looking to feel better and remain mobile. If this sounds like you, check out Essentrics® this fall. For more information, visit page 40.

Fencing was one of the first sports to be played in the Olympics at the 1896 Games in Athens, a tradition that continues today. There are three forms of fencing: foil, épée and sabre. Each uses a different type of sword and follows different rules. Once an important form of self-defense, fencing has become a compelling sport that requires strength and agility—both mentally and physically.

This year, four new fencing classes have been added to the fall line-up with Westerville Parks and Recreation and cover youth through adult. Through instructions, drills, games and supervised bouts, participants will learn good technique, sportsmanship, self-discipline, gain quick reflexes while having lots of fun!

Each class is an excellent introduction to this dynamic sport and is designed to provide a well-rounded overview, as well as give participants the ability to be physically active. Classes will be led by former Colombian national team member, Isabel Alvarez, head coach at Profencing.

For additional information, see page 44.

OHIO ROLLER HOCKEY CLUB
ADULT LEAGUES AVAILABLE

Ohio Roller Hockey is partnering with the Westerville Parks & Recreation Department to provide instruction for youth roller hockey programs and adult roller hockey leagues. For more information about this organization, visit www.ohiorollerhockey.com or email ohiorollerhockeycoop@gmail.com.
What began as a demonstration sport in 1956 in the Netherlands has become a popular and exciting addition to the Paralympics, making its debut as a competition sport in the 1980s. Sit Volleyball rules state players should be in a seated position with their torso (from shoulders to rear-end) touching the court at all times. A typical ready position is with the player sitting on the floor, both legs in front slightly bent and arms ready to push in any direction.

In 2005, Club Sit Volleyball was introduced and played with teams consisting of those both differently-abled and not differently-abled. The idea is that it is open to all individuals and any skill level. Being in a seated position provides a level playing field brings athletes of all abilities together.

Westerville Parks and Recreation provides an inclusive environment for all and is excited to offer this new opportunity for all members of the community. For more information about this new class addition, see page 49.

**TEX - Texas Roadhouse**

8440 Lyra Dr.
Westerville’s youngest residents have a new park where they can run, play and splash in. Hanby Park, 115 E. Park St. opened this spring to a great crowd.

Hundreds of community members came to celebrate the opening of the playground, complete with a 24-foot-tall climbing tower with two slides, a preschool playset, swings and new sprayground. These new features join a Blue Star Memorial Marker honoring men and women in the military, donated by the Westerville Garden Club and the train depot built in 2012 that offers shaded seating, restrooms and a water fountain. President’s Grove has been maintained, providing treasured green space in the area.

Hanby Park is open during daylight hours, seven-days a week. Pack a picnic, grab a towel and the family and enjoy the fun right in the heart of Westerville.

**DID YOU KNOW?**

The play structure that once stood in Hanby Park has been refurbished and donated to an orphanage in Manzanillo, Mexico bringing joy to the children at the Casa Hogar Los Angelitos orphanage.

The City of Westerville dedicated the Thomas James Knox Rink on Saturday, June 30 during a special event with the Columbus Blue Jackets introducing street and roller hockey league and clinic play with the newest facility at Westerville’s Alum Creek Park South, 535 Park Meadow Rd. It is a legacy project completed in partnership with Jim and Lisa Knox of Westerville, who lost their 14-year-old son Thomas, an avid hockey player, unexpectedly in 2015.

More than 400 youth ages six to 14 came out to learn the sport of hockey at the Try Hockey for Free Day with the Columbus Blue Jackets. The 60-minute clinic covered the basics skills of stick-handling, passing and shooting. Skills N’ Drills classes with the Street Jackets were so well attending throughout the summer that a new session is scheduled for fall that includes a Level II for those that have either taken the summer class or know a bit about the sport already.

Also available this fall is a new Learn to Skate program with the Ohio Roller Hockey Club. Students will learn the basics of skating while being introduced to hockey skills.

For more information on the fall classes and clinics, see page 47.

TREE PLANTING
IN TIME FOR FALL

Cooler temperatures mean fall is around the corner. If you are planning to plant a tree, this is the perfect time of year for both your private yard and throughout the City. The Westerville Urban Forestry City Tree Master Plan has a goal of increasing the City’s tree canopy from 34 to 40%. Increased canopy cover will help decrease stormwater runoff and increase the amount of carbon removed from the air. Fine particulates are filtered from the air and energy costs are reduced by shading homes, among many other benefits.

The Urban Forestry team is working to accomplish this goal through a number of different management plans and programs, one of which is planting the right tree in the right place. This method plants larger species trees where space permits and smaller species trees where space is limited helping to provide a more sustainable urban forest into the future. In addition to the right tree, right place, the crabapple management plan is working to remove undesirable and unhealthy crabapple trees and replace them with healthier more diverse species that are appropriate for each location. The team is also working with the Westerville Engineering Division to come up with alternative solutions to preserve trees as part of the sidewalk reconstruction program, as well as working with volunteer groups to plant new street trees in high priority planting locations along Westerville streets.

What can residents do to help? Plant a tree in your own yard. “Private property makes up a large portion of the City and is an area that residents can have a large impact on,” said Matt Ulrey, Urban Forestry Manager with Westerville Parks and Recreation. “If you need to remove a tree from your yard plan to plant a replacement. If possible, plant a species that will be a large canopy tree that will provide your home, neighbors and the community at large with all of its benefits.”

The Parks Division manages more than 595 acres of park land in 50 locations and maintains neighborhood, community and school parks; nature preserves; sports complexes; greenways; and all City grounds. Facilities also include managed wetlands, mini parks, baseball/softball diamonds, soccer fields, tennis courts, sand volleyball courts, basketball courts, an amphitheater, fitness station, playgrounds, shelters, restrooms and more than 44 miles of bikeways/leisure paths. The Urban Forestry staff maintains more than 12,000 street trees. In addition, the Division maintains public gardens, flowerbeds, flower pots, hanging baskets and 65 acres of medians and City Right-of-Ways.

GIFT CARDS

Looking for that perfect gift? Give the gift of good health with a Parks and Recreation gift card.

Gift cards are redeemable for daily admissions, activities, classes and passes with Westerville Parks and Recreation.

MONTHLY PROGRAM

Monthly Payment options available for all full-year Ultimate Passes. Renewal and Household Discounts are not available with this program. Stop by or call the Westerville Community Center, 350 N. Cleveland Ave., (614) 901-6500 for more information.
PLEASE NOTE
The Westerville Parks & Recreation Department is pleased to offer online registration for classes, programs and shelters. Online registration streamlines the process of registering by eliminating the need to wait in long lines on registration day.

Any household that has previously participated in a Parks and Recreation program, pass, or facility reservation may already have an online account.

Those wanting to sign up for the first time will need to create an account through our online registration site www.westerville.org/registration. Click “Create an Account” and follow the prompts.

Proof of residency is required in order to be eligible for the discounted resident rates.

With your active online account, you will be able to view class information, process registration and reservations, make secure credit card payments and view class enrollment counts from your home or office 24 hours a day! You can even make changes to your household and member’s information—fast, easy and secure. User name/passwords and household information can be changed once you log in. Click on “My Accounts.”

THINGS TO KNOW
Residency Status expires at the end of each year. Proof of residency is required only once in a calendar year. Prove your residency status each January for the entire year.

Payment for all programs/activities and facility reservations must be made at time of registration.

Still have questions? Visit the web at www.westerville.org/parks, click “About Us” and “FAQs” for additional information.
POLICIES & PROCEDURES

Fair Share Policy
The City of Westerville Parks and Recreation Department is largely financed through City Income Tax dollars. Therefore, to be considered a “Resident” in our registration process, you must live or work full time within the corporate City Limits of Westerville or be a spouse or child of such person. “Non-resident” applies to all others. Even though you may have a Westerville mailing address or live within the school district, you may not live within the Westerville City Limits. We ask for your understanding when registering.

Resident/Non-resident Rates
To receive discounted resident rates, Westerville residents will be required to present identification such as a valid driver’s license, photo ID card, utility bill or pay with a check with an address printed on the check. Individuals employed full time in the Westerville City Limits will need to provide proof of employment on company letterhead with the signature of the personnel director or president or a current paycheck with their employer’s name and address along with a valid driver’s license. If a household has been granted residency status due to providing proof of Westerville income tax withholding and it is later revealed that a full refund of these taxes occurred, the City of Westerville reserves the right to collect the difference between the resident fee paid originally for the activity or pass and the appropriate non-resident fee. A $5.50 resident ID card may be purchased for registration and admission convenience.

Non-resident Fee Policy
The non-resident fee is an additional $5 to any program more than $20 and less than $10 for any program more than $20 to less than $60 and $15 for any program $60 or more. Seasonal and Annual Pass fees, daily admission fees and rental fees are 50 percent higher for non-residents.

Payment By Check
Checks should be made payable to the “City of Westerville.” There will be a $2 handling fee for all checks not honored for any reason by any bank.

Scholarship Assistance Programs
The Westerville Parks Foundation offers scholarships for activities and passes to any age person who lives in the Westerville corporate City limits. These scholarship programs are designed to assist residents who may be experiencing a financial hardship with fees. Some restrictions may apply. Interested individuals may obtain scholarship applications at the Westerville Community Center.

Photo/Video Release Policy
By registering for any Westerville Parks and Recreation program, you agree to allow publication of photos/videos taken at any program, event or facility associated with the City of Westerville Parks and Recreation Department.

Age Policy
Children nine and under must be accompanied by an adult at all times while in the Community Center.

Smoking Policy
In accordance with City of Westerville Ordinance 2018-19, all indoor and outdoor public park spaces are smoke free.

Access to All Americans with Disabilities Act
This landmark civil rights legislation went into effect Jan. 26, 1992. It is a significant step forward to make our society’s services and opportunities fully available to all Americans by combating barriers and prejudices that confront those of us with disabilities. The City of Westerville is committed to implementing the intent and spirit of this legislation. Those who may need assistance in order to enjoy our programs should contact the Administrative Office at (614) 901-6500 at least two weeks in advance of the program to discuss any necessary accommodations. TDD line: (614) 901-6413.

Persons with disabilities are invited to participate in all programs offered through the Westerville Parks and Recreation Department. When registering for a program, we ask that participants requiring special assistance mark the designated box on the registration form or add a note to your class when registering online.

Pass Refund Policy
All Community Center PASSports, Highlands Park Aquatic Center Passes, Sproutz Wall Room Cards and Gift Certificates are non-refundable and non-transferable.

Hardship Termination Criteria
The following criteria must be met to qualify for a hardship refund:
- A job transfer outside a 25-mile radius of the Community Center. PASSholder or class registrant must provide a letter from his/her Human Resources Department stating he/she is being transferred including forwarding address and phone number for verification.
- In case of medical condition the following options are available:
  - A Community Center PASSholder or a class registrant may receive a refund if he/she provides a letter from a physician stating that they are on a medical restriction of an indefinite nature.
  - A Community Center Pass or Senior Center Membership can be put on hold and the expiration date extended if the participant provides a letter from a physician stating how long they are on a medical restriction.

A $5 transaction fee shall apply to all hardship refunds in addition to the prorated amount.

Program Refund Policy
CANCELED CLASSES
If a class is canceled or closed, you will receive a full refund in the form of a check or credit refund (must be on credit card used). There will be no cash refunds. Refunds take approximately three weeks to process.

REFUNDS BEFORE THE CLASS BEGINS
Refunds will be made only before the start of the class for one of the following circumstances and a $5 transaction fee will apply:
- When the refund is requested at least seven (7) days in advance (except where otherwise noted) of the first class meeting provided it does not reduce the participation level below the required minimum.
- When documentation is presented for an approved hardship situation.

REFUNDS AFTER THE CLASS BEGINS
- Refunds will be made only when documentation is presented for an approved hardship situation.
- A $5 transaction fee will apply.

CUSTOMER SATISFACTION GUARANTEE POLICY
In the event you are not satisfied with a program or service, The Westerville Parks & Recreation Department shall offer the following options:
- Repeat the program at no charge - or
- Receive a gift card that can be applied to any other program - or
- Receive a refund (processing takes approximately two weeks.)

NOTE: Adults sports leagues, camps, trips, consumable program supplies, daily admissions, annual passes, facility rentals, special events or tickets to certain events are exempt from the Satisfaction Guarantee.

Camp Refund Policy
Camp refund policy will be as follows: A $25 transaction fee will be processed per week, per child for every refund issued. All camp refunds must be submitted 30 days before the start of the camp session the household is looking to get refunded for. For more information, call the Program Supervisor at (614) 901-6506.

Cancellation of Activities
Due to Inclement Weather
All daytime (before 5 p.m.) programs will be canceled when Westerville Schools are closed due to inclement weather. Cancellation of evening programs (after 5 p.m.) will be determined by 4 p.m. On Saturdays, information will be available on daytime classes beginning at 8 a.m. and on evening classes beginning at 4 p.m. The Department will issue cancellation announcements on WBNS 10-TV and radio stations 94.7 FM and 610 AM. Information will also be available on the SPORTS/INCLEMENT WEATHER HOTLINE.

Due to Low Enrollment
The City of Westerville Parks and Recreation Department reserves the right to cancel classes due to low enrollment.

Notice to Participants
Participants must recognize that all classes/activities of a physical nature involve some risk and by registering for a class/activity of this nature there is an assumption of risk by the participant. The City of Westerville Parks and Recreation Department is dedicated to providing safe facilities and equipment as well as qualified staff for all participants. Every effort is made to ensure participant safety and to provide first-class recreational activities, facilities and parks. In the event of a serious accident or illness, it is the policy of the City of Westerville to: (1) contact the Westerville Fire Department Paramedics to perform first aid and, when necessary, recommend transport of the victim to the hospital; (2) reach the parent, guardian or emergency contact as soon as the situation allows.

Cell Phone Policy
The use of cell phones in any City of Westerville Parks and Recreation Restroom, Locker Room, Fitness Area or Pool is not permitted.
FITNESS ROOM
The Fitness Room has more than 45 cardiovascular machines for all workout types and abilities and can be utilized by persons 16 years of age and older. TV monitors are placed within easy viewing and can be accessed through radio frequencies. The strength training area includes 20 Cybex, LifeFitness and Paramount selectorized machines and a free weight area with dumbbells (from two to 100 pounds).

ORIENTATION FOR NEW PASSPORT HOLDERS
Are you new to the Community Center? New users are required to complete an orientation. Fitness staff will:

- Show you how to use the cardiovascular equipment
- Discuss Fitness Room policies
- Have you fill out a health history questionnaire that will be kept on file.

Free introductory strength-training class offered to novice exercisers. Available by appointment only; please see Fitness Room staff to schedule.

PERSONAL TRAINING AVAILABLE
Our degreed and certified health professionals will coach you to achieve optimum fitness results. Only annual Ultimate or Fitness Room passholders may use a personal trainer. Fees and appointments are arranged between the passholder and trainer. Information can be located at the community center front desk or fitness desk.

SPROUTS WAIT ROOM

When it comes to your child, nothing is more important than his/her safety. The Sprouts Wait Room at the Westerville Community Center offers parents peace of mind while they work out. A well-trained staff provides quality child care for children ages 6 months to 9 years. By providing guideline policies on cleanliness, disciplinary action, health and safety, numbered wristbands, security cameras, and a sign in/out by parents, the Sprouts Wait Room ensures a safe environment. For more information, please call the Program Manager at (614) 901-6506.

FAMILY GUEST PASS
As an additional benefit to pool pass holders, each household has the option of adding up to two additional guests to their season pass. Guest passes are unnamed passes attached to the primary household for which the season pass was purchased. The pass may only be used once per day, and the primary household is responsible for the conduct of their guests while in the facility.

HIGHLANDS PARK AQUATIC CENTER CLOSURE POLICY
In an effort to ensure the safety and security of everyone, we ask that all participants in the Monday - Friday swim lessons, adult swim and toddler swim gather their belongings and exit the facility before we reopen for our regular hours of operation. Any participant that paid a daily admission in the morning session that wishes to return, may reenter through the passholder line. We appreciate your understanding.

FAMILY GUEST PASS
As an additional benefit to pool pass holders, each household has the option of adding up to two additional guests to their season pass. Guest passes are unnamed passes attached to the primary household for which the season pass was purchased. The pass may only be used once per day, and the primary household is responsible for the conduct of their guests while in the facility.
