Community Center Expansion Underway

Help for the Winter Season
Service Request Portal Now Available
Welcome

Welcome to the Westerville Community Recreation Guide, your go-to publication for all things City news and activities. Within these pages, you’ll find important updates about City programs and, of course, exciting winter activities planned through Westerville Parks and Recreation.

In addition to exploring the season’s class offerings, take some time to peruse the first section of the book. There you will find exciting updates about projects and programs like the Westerville Community Center expansion on pages 4-5, the City’s efforts to promote healthy families on page 7, updates to the City’s zoning code on page 12 and much more.

It is our intention to bring you a high-quality Guide with information relevant to your life. If you’d like to see something else included in this publication, or if you notice something we could be doing better, please don’t hesitate to notify Toni Schorling, Community Recreation Guide Editor, at toni.schorling@westerville.org.

Westerville Parks and Recreation staff are excited to get the Expansion Project underway.

Front Cover: Westerville Parks and Recreation Director Randy Auler along with Mike Phillips (L), Recreation & Operations Supervisor and Doug Vineyard (R), Parks & Facilities Superintendent take part in the groundbreaking of the Community Center Expansion on October 16, 2018. Additional information on the Expansion can be found on page 4.
Construction is underway on the Westerville Community Center Expansion Project. Most of this month, crews will continue demolition. Construction begins on the west gymnasium, building out toward the existing parking lot. Foundations will be poured on the north side (new fitness space), pool area (aquatics for warm-water therapy) and west gym (multi-activity, or MAC, gym).

FIRST QUARTER 2019

Structural steel will be set for the MAC gym and fitness area. At the pool area, excavation for the warm water therapy pool will begin. Demolition will occur throughout the building, requiring temporary walls in several places. Demolition begins for the southside expansion.

LATE MARCH 2019

The west gym closes for use. (Accommodations will be made for gym users at partner facilities). Mid-May to August requires the closure of the pool. Hours will be extended at Highlands Park Aquatic Center.

*Construction projects of this size require flexibility. These dates are scheduled but subject to weather, supply deliveries and contractor schedules. For the most up-to-date information and timelines, please visit www.westerville.org/centerexpansion.
Q&A
Here are a few frequently asked questions regarding the expansion project.

Q: How long will the project take?
A: Groundbreaking took place Oct. 16 with the expected completion date of Feb. 2020.

Q: Who are the architect and building companies?
A: Williams Architect, a national design, architecture, engineering and planning firm with more than 40 years experience was selected for Architectural planning. Robertson Construction from Heath, Ohio submitted the winning bid for construction. Robertson has worked on projects that include Ohio University, The Ohio State University, Owens Corning Fiberglass, Kroger, Dublin, Olentangy City Schools and more.

Q: How big will the Community Center be once complete?
A: More than 44,000 additional square feet will be added, bringing the new Community Center to 140,766 square feet of community recreational and gathering space. This updated space will bring a new fitness center, group fitness rooms, adventure fitness course, gymnasium, warm water therapy pool, active older adult operations, demonstration kitchen and plenty of extra programming space for people of all ages, abilities and interests.

Q: Will there be additional parking?
A: Yes, 174 parking spaces are being added for older adults bumping the total parking spaces from 373 to 547.

Q: Will the older adults area be larger than its current location?
A: Yes, the new area will grow by more than 40% and include space for social gathering, programs, billiards, arts and crafts, computer stations and more.

During the cold weather, some residents will reach out to the City seeking help or opportunities to help their neighbors in need. The holidays can highlight the great number of individuals and families in the community who need assistance. Fortunately, Central Ohio is home to a number of organizations and citizen groups that ramp up efforts to help people in need throughout the year.

To help streamline the search for organizations, the City of Westerville maintains a list of civic organizations and community resources to connect residents with resources at [www.westerville.org/heartoftheholidays](http://www.westerville.org/heartoftheholidays).

Help is also available for people in an immediate or urgent situation.

Are you or someone you know facing crisis? Those needing assistance in Franklin County can contact HandsOn Central Ohio at (614) 221-6766 to be instantly connected to a bevy of resources for free. Find more information at [www.211centralohio.org](http://www.211centralohio.org).

Delaware and Morrow County residents can contact HelpLine of Delaware and Morrow Counties, Inc. Residents in crisis can call (714) 369-3316 24-hours a day, seven days a week to speak with a support specialist. They also offer a text message service. To get started, text "helpline" to 898211. More information can be found at [www.helplinedelmor.org](http://www.helplinedelmor.org).

Additional information on how you can help through Westerville Parks and Recreation can be found on page 19 of the Community Events section.

**Need Smoke Detectors? You Call, We’ll Install For Free**

The National Fire Protection Agency (NFPA) recommends installing smoke alarms in each bedroom, outside sleeping areas and on each level of a home. If your house is in need of working smoke alarms or if your smoke detectors are more than 10 years old, they need to be replaced. The Westerville Division of Fire (WFD) partners with the American Red Cross to offer free detectors and installation for Westerville and Blendon Township families. No questions asked and at no cost to the homeowner. Call (614) 901-6600 to initiate service.
In 2017, more than 76,000 domestic dispute calls for help were made to law enforcement agencies in the state of Ohio. More than 3,000 of those calls resulted in domestic violence in Franklin County. In Westerville, 48 cases of domestic violence resulted in a criminal charge.*

Domestic violence is the willful intimidation, physical assault, battery, sexual assault, and other abusive behavior as part of a systematic pattern of power and control perpetrated by one intimate partner against another.

It’s grasp on communities, including our own, is alarming. Domestic abuse is pervasive around the globe, including the United States, where:

- Nearly 20 people per minute are victims of physical violence by an intimate partner, equating to over 10 million women and men.
- One in four women and one in seven men in the United States report experiencing physical abuse by a partner.
- On a typical day, there are more than 20,000 phone calls placed to domestic violence hotlines nationwide.

The need for resources and assistance for families facing domestic violence is strong. As a result, communities, health care providers, public safety and advocates are working together to better meet their needs and promote hope and healing.

In October, the City of Westerville and The Center for Family Safety and Healing at Nationwide Children’s Hospital established The Westerville Center for Family Safety and Healing. Located here in Westerville, the center focuses on domestic violence counseling and advocacy services for adults. The Center also provides services designed to increase the safety and education of Ohio’s law enforcement personnel, and increase the education, prevention, and treatment available to the Central Ohio community surrounding domestic violence.

Westerville public safety professionals will provide and participate in training programs for first responders related to domestic dispute calls. Adults who need domestic violence counseling and advocacy services can call the main scheduling line at (614) 722-8293. In case of an emergency, always call 9-1-1.

“Domestic violence is prevalent in every community, including right here in Westerville,” said Sheryl Clinger, Director of Advocacy/Policy and Community Engagement at The Center for Family Safety and Healing. “We are grateful to the City of Westerville for their partnership and for helping bring these much-needed services to Westerville residents.”

Westerville Division of Police Chief Joseph Morbitzer says the establishment of the center is an important step in the City’s efforts to help connect residents in need with expert help that is close to home.

“One of the things we are hoping to achieve with this center is to bring in victims who would have never sought treatment and give them the support they need to change their lives for the better,” Chief Morbitzer said. “And, ultimately, we want to take a more proactive approach; bringing in other City departments to help us identify at-risk households so we can provide the opportunity for early mediation.”

TRACK CITY SNOW PLOWS THIS WINTER

Day or night, when snow falls in the City, the Westerville Public Service Department springs into action to clear the roads. This City service is critical in keeping residents and first responders safe during snow and ice events. And new this winter you can track their progress on the interactive Westerville Road Warrior online portal.

The portal premiered to the public in the fall during leaf collection. During snow events, residents can navigate over to see what streets were treated in the last two, six, 12 and 24-hour time frames, in addition to selecting specific roads for more detailed data.

The mapping system, which can be accessed through your favorite web browser, is powered by tracking equipment attached to City snow plows and leaf trucks that relay data to the online system, creating a streamlined flow of communication to the public.

Access the portal during our next snow or ice weather event by visiting www.westerville.org/roadwarriors.

RESOLVE TO RECYCLE BETTER THIS YEAR

Westerville homeowners will likely receive larger, easier-to-move recycling receptacles this spring courtesy of the City and the Solid Waste Authority of Central Ohio (SWACO). Due to its increased size and ease of use, the carts are expected to promote increased curbside recycling, supporting the City’s overall sustainability initiative. The carts under consideration will be delivered in spring 2019 and can hold up to 65-gallons of recyclables. They feature an attached lid, wheels for rolling and a handle for efficient transport to curbside. A smaller option will also be available for single or small-family users.

New receptacles mean a fresh start and this is the perfect time of year to examine old habits. Why not add improve your recycling habits to your 2019 resolutions list?

Even the simplest acts of environmental stewardship, like following the suggestions below, can help keep the earth healthy for future generations. Considering the growing concern for environmental issues in the world, it should be of comfort to know that making an impact doesn’t necessarily require strenuous effort on behalf of the individual, rather simple, consistent efforts:

**LEAVE ITEMS LOOSE.**
Well-meaning neighbors will do this to help ensure items are processed properly, however, it’s not necessary. In fact, it actually hampers the process as plastic bags are not accepted at recycling facilities because they can become entangled in the equipment.

**NOT SURE IF SOMETHING IS RECYCLABLE?**
Consult Rumpke, not the item. Most containers are printed with some sort of recycling symbol, but that doesn’t mean that form of processing is available. If an item has you stumped, visit www.rumpke.com for a wealth of information.

**HAVE METAL CANS OR PLASTIC BOTTLES?**
They need a little work before they hit the bin. Plastic bottles should be emptied and crushed with the lids reattached. As far as metal goes, aluminum cans, steel cans and lids are all recyclable, so are empty aerosol cans, so long as the lids and tips are removed.

Report Issues to the City
On-the-Spot With Service Request Portal

Would you know what to do if you noticed a pothole along State Street on a Saturday? What if you noticed a problem with a traffic signal overnight? There is no need to wait until the next workday to notify the City, let staff know in an instant with the Westerville Service Request portal.

City staff abide by the mission of providing exemplary municipal services to the Westerville community and fostering prosperity while embracing the City’s unique heritage and character. Providing expedient and courteous customer service is a critical function of fulfilling this mission. The Westerville Service Request Portal plays a big role in that by providing a direct line between residents and staff.

The portal can be found anywhere you are as long as you have access to a mobile device. Access it through the “My Westerville” mobile app, available for Android devices and the iPhone through Google Play and the Apple App Store, respectively. The portal can also be found on the homepage of the City’s website (to the right of the news widget) and directly at www.westerville.org/servicerequest.

Next time you’re out and about Westerville and notice something needing attention, let the City know right away by submitting a service request.

Your Winter Fire, Carbon Monoxide Safety Checklist

According to the National Fire Protection Association (NFPA), nearly half of all home heating fires occur between 5-9 p.m. during the months of December, January and February. The Westerville Division of Fire (WFD) encourages residents to follow these steps to help keep families warm and safe this winter:

KEEP HEATING EQUIPMENT CLEAN AND CLEAR
According to the NFPA, personal heating devices are the second most common causes of home fires during the winter. Failure to clean solid-fueled heating devices, like chimneys, is the leading cause of these fires. Failure to keep flammable items (like paper, furniture, etc.) far away from heat sources was the top contributing factor to home heating fire deaths. The NFPA recommends keeping flammable items at least three feet away from sources of heat and to keep fireplace ashes outside in a tightly covered metal container at least 10 ft. away from the house at all time.

BE AWARE AND PREPARED FOR CARBON MONOXIDE RISKS AROUND YOUR HOME
Winters in Ohio can be tough, and many residents are prepared with portable generators. While these tools will come in handy during a power outage, they can pose serious health risks if used improperly. Exhaust from generators contains odorless carbon monoxide, called “the silent killer.” That is why firefighters recommend keeping the devices away from windows and as far away from the home as possible. Home heating systems are the top contributor to carbon monoxide-related deaths. WFD firefighters say it is imperative for all homes to be equipped with multiple carbon monoxide alarms to alert families in the event of an emergency.

KEEP HOLIDAY TREES WELL WATERED AND DITCH THEM WHEN DRY
The NFPA says that holiday tree fires, while unlikely to occur, are more likely to be deadly than other home fires. When decorating, fire prevention experts recommend replacing any lights with broken bulbs or exposed wires and to remember to unplug the tree before leaving the house and going to bed. According to the U.S. Consumer Product Safety Commission (CPSC), a dry holiday tree can ignite and burn faster than a newspaper. While it can be a bummer to take a dry tree to the curb after the holidays, it’s the safest thing to do. Holiday trees are considered yard waste and can be included with normal Monday collection. Be sure to remove all decoration, cut the tree into four foot lengths and tie in bundles.

The Westerville Division of Police's (WPD) K9 Fiji has received a bullet and stab protective vest thanks to a charitable donation from non-profit organization Vested Interest in K9s, Inc. K9 Fiji's vest is sponsored by Greg Nobis of Delaware, Ohio, and was embroidered with the sentiment, “This gift of protection provided by Greg Nobis.”

Fiji has been a WPD K9 officer for four years, working with Officer Bryan Schwartz. A seven-year-old Belgian Malinois, she and Officer Schwartz have won multiple awards for alertness and focus among other competitive tasks. Since 2013, the duo won eight gold, three silver and four bronze medals at the Ohio Police and Fire Games. She has also been awarded two exceptional duty and one life-saving medal.

Vested Interest in K9s, Inc. is a 501c(3) charity located in East Taunton, Mass. whose mission is to provide bullet and stab protective vests and other assistance to dogs of law enforcement and related agencies throughout the United States. The non-profit was established in 2009 to assist law enforcement agencies with this potentially lifesaving body armor for their four-legged K9 officers. Since its inception, Vested Interest in K9s, Inc. provided more than 3,000 protective vests in 50 states through private and corporate donations at a value of $5.7 million dollars.

Protective vests for law enforcement K9 dogs are valued between $1,700 – $2,200. They weigh an average of four to five pounds and are custom fit to streamline the contour of the dog to maximize protection. The vests have a lifespan and warranty of five years. Fiji’s existing body armor was set to soon expire.

“Fiji is a working dog, and takes her work seriously,” says Officer Schwartz. “She’s clear-headed and able to socialize well, but she’s all business when we’re working. She’s strong, highly trained and very alert. But there’s no substitute for extra safety. On behalf of our entire department, I’m grateful for this donation, which together we’ll use to continue our mission of keeping Westerville safe.”

The K9 protective vest program is open to dogs at least 20 months of age actively employed in the U.S. with law enforcement or related certified agencies. New K9 graduates, as well as K9s with expired vests, are eligible to participate.

Westerville Communications Manager Receives International Appointment

Holly Wayt, manager of the Westerville Communications Division, was named president of the Association of Public-Safety Communications Officials (APCO) International, the oldest and largest organization of its kind; this summer. As president of the organization, she leads, APCO’s efforts to provide professional development, training, technical assistance, outreach and advocacy opportunities for public safety communicators around the world for more than 30,000 members.

Holly has dedicated her 27-year career to helping the Westerville community. She joined APCO just four years after beginning with the City. More information about APCO can be found at www.APCOintl.org.

“I’ve been with APCO since 1995 and it has honestly been the best networking and educational experience that I’ve had in my career,” Holly said. “The benefits of connecting with the people I’ve been able to meet and the opportunity to be involved in the decision making about public safety communications on the local, state and federal levels are innumerable.”

The Westerville Communications Division operates 24-hours a day and responds to more than 70,000 calls for emergency services a year. For additional information, visit www.westerville.org/police.

PRIVATE/PUBLIC PARTNERSHIP
Brings Fintech to Westerville

Westerville now hosts an innovative financial technology (that is, fintech) research and development program at The Point at Otterbein University, 60 Collegeview Rd., thanks to a first-of-its-kind collaborative effort between the University, JPMorgan Chase, the City and JobsOhio.

The outcome of this unique partnership fulfills a specific vision in the City’s Economic Development strategy: connecting industry, higher education and local government to grow the workforce, foster innovation and connect Otterbein University’s well-prepared students with the education that employers need and customers use every day. This sends a message to companies around the world that Westerville is innovative and nimble enough to act quickly.

Every industry has been radically changed by the evolution of technology and the finance industry is no exception. Fintech’s reach extends far beyond Wall Street to our very pockets. It shows up on our phones through mobile apps, works 24/7 to keep our sensitive financial data secure and much more. Now, JPMorgan Chase, a global leader in the industry and the City’s largest employer, has placed Westerville at the center of this movement.

“Attractive for new investment,” said David Collinsworth, Westerville City Manager. “They could be anywhere in the world, but they chose to invest here. When the local, regional and statewide business community grows, we all benefit.”

The program involves the creation of three innovation spaces dedicated to fintech research and development at The Point. JPMorgan Chase has committed to creating project teams comprised of at least 20 percent Otterbein students from various disciplines. Additionally, three JPMorgan Chase employees will teach four courses at the University including one business and one MBA course.

Westerville Electric Division

LINES UP FIRST-PLACE RODEO SCORE

If you are a Westerville Electric Division customer, you are familiar with the team’s fast, courteous service. This summer, the team put their skills to the test at the American Municipal Power, Inc.’s (AMP) 2018 Lineworkers Rodeo in Columbus, winning first place overall in the Journeyman division.

The event brings together lineworkers from other public-power agencies for competition across three areas: Journeyman team, individual Journey and apprentice.

Challenges replicate real lineman tasks and skills needed to serve their respective communities. Participants are judged on safety and work practices, neatness, ability, equipment handling and timeliness. Learn more about AMP’s Lineworkers Rodeo at www.publicpower.org.

WESTERVILLE MOBILITY PLAN
to Help Guide Future Decisions

Westerville’s ability to offer a variety of mobility options relates directly to the vitality of development and the community as a whole. This winter, City staff will present the Westerville Mobility Plan to City Council for consideration. If adopted, the plan will help guide future decisions per considerations set forth in the Westerville Community Plan about how residents and visitors move around the City. The plan seeks to:

- Improve mobility options, making it easier to bike, walk, ride public transportation and drive in our community and connect to the region.

- Enhance quality of life, making it safer for youth to get to school, the workforce to get to their places of employment and for people to move about the City in a way that is pleasing to them.

- Support future and ongoing development, accommodating growth is key to ensuring Westerville can remain economically competitive and vibrant. See the Westerville Community Plan to learn about the City’s vision.

The framework is the result of months of thorough research and consideration. An open house was held during the summer during which residents had the opportunity to review information, ask questions and provide feedback.

The plan will take into account traffic counts, intersection analysis, multi-modal overlaps, street designs for the community, truck routes and the various ways people need Westerville’s roads, trails and sidewalks to function.

The plan will be coordinated with Westerville Parks and Recreation, the Recreation and Opens Space (PROS) plan, MORPC’s Regional Corridor Analysis, ODOT improvement plans and Central Ohio Transit Authority’s (COTA) transit improvements.

Find supporting documents and details about the creation process at www.westerville.org/mobility.
Expansion plans for First Responders Park (FRP) have been approved and will soon be underway, scheduled for completion by September 11, 2019 in time for the annual 9/11 Memorial Observance.

The park, located at 374 W. Main St., was dedicated in 2010 to honor the service and sacrifice of all first responders. It features the “C-40,” a section of steel from the north tower of the World Trade Center that fell during the terrorist attacks on September 11, 2001. The existing park also features a sculpture called “The Crossing.” The sculpture honors Westerville firefighter David Theisen, who was killed in 1998 while battling a blaze in Crooksville.

The park has been eyed for expansion for some time, but the community response to the Feb. 10, 2018 deaths of Westerville Division of Police Officers Anthony Morelli and Eric Joering in the line of duty expedited plans to create a permanent police memorial. Add to that its compact size and proximity to the noise of West Main Street, expansion plans moved forward last summer.

Expansion features include a ceremonial lawn for larger gatherings, a fountain wall memorializing our fallen local heroes and a walkway that features first responder functions of police, fire, emergency dispatch and public safety chaplains. C-40 will remain in its place as a centerpiece to the park; The Crossing will gaze upon the steel from the southwest walkway of the park as part of the feature on firefighters and emergency medical service providers.

The finished park has been designed to provide a comforting place for a grieving community to pay respects to those who gave everything in service.

This project is supported by a generous $500,000 donation from the state of Ohio. Learn more about the project at www.westerville.org/FRP.

**EXISTING CONDITIONS**

The existing park has outgrown its space for important community events like the 9/11 memorial and flag retirement ceremonies. Gatherings at the site must compete with road noise from Main Street. The expansion will create more space for events and provide an atmosphere for quiet contemplation and reflection.

**HEROES MEMORIAL FOUNTAIN**

For the first time in the park, a water feature will be integrated into the site. The gentle falling water against the rock will encourage visitors to stand close and reach out, near the names of fallen first responders embedded into the stone.

**VIEW FROM MAIN STREET**

Reducing noise from Main Street was key to accomplishing a more serene experience for park visitors and community events. The steel remains visible from this perspective, as do the state of Ohio, United States and City of Westerville flags. A pedestrian walkway greets you from this angle as well, to begin the walk into and along the site.

**INTERIOR VIEW OF PARK**

As a visitor is inside the park, there is space to gather or sit alone in thought. A center lawn is introduced with the expansion, ideal for ceremonies and events.
The City of Westerville was named a 2019 Global Smart21 Community by the Intelligent Community Forum (ICF) on Thursday, Oct. 25. Westerville is one of only four cities in the U.S. to make the list, an annual compilation of 21 international communities leveraging their strengths in the broadband economy to advance economic opportunities and quality of life for citizens and the business community.

This is the first ICF recognition for Westerville. Fewer than 200 communities worldwide have been named to this prestigious list. Smart21 communities are eligible to begin a process to be named to the list of 2019 Top 7 Intelligent Communities.

“Our residents, workforce, and community partners can celebrate another distinction that puts Westerville on the map with internationally recognized cities. It’s the purposeful decision-making in technology and advancements in digital equality that attract people and jobs and won us this recognition,” said Todd Jackson, Chief Information Officer for the City of Westerville.

According to the ICF website, Smart Communities are those which have – whether through crisis or foresight – come to understand the challenges of a global economy and have taken conscious steps to create an ecosystem capable of prospering in it. ICF evaluates communities on the basis of their performance in six key indicators: broadband connectivity, knowledge workforce, innovation, digital equality, sustainability and advocacy.

ICF also recognizes communities based on collaboration among city government, private business and education. City staff worked closely with representatives from The Point at Otterbein University, Westerville City Schools, Westerville Public Library, JPMorgan Chase and other key stakeholders to craft the nomination, which combines reporting hard data with qualitative narratives to demonstrate the community’s strengths as a hub of innovation and opportunity. Initiatives like the City’s WeConnect data center and fiber network were representative elements of this innovative approach in the Westerville application.

The announcement was made by Louis Zacharilla, ICF co-founder, during an event hosted by ICF Canada.

“This was a significant effort of telling the Westerville story and our intentional investments in innovation, digital equity and economic development,” said David Collinsworth, Westerville City Manager. “Becoming a Smart21 Intelligent Community puts us in this year’s class with world-renowned cities, including those in Australia, Brazil, France, Taiwan, India, Canada and more. We’re proud of this designation and will continue our efforts to stand out not only in the state of Ohio, but across the globe.”

Honor Your Personal Active Duty

**VETERAN HEROES WITH MILITARY BANNER**

Beginning Monday, Jan. 7, the City will begin accepting applications from residents wishing to honor Westerville sons and daughters holding veteran status or who are currently serving in a branch of the U.S. Armed Forces (Army, Navy, Air Force, Marine Corps and Coast Guard).

The full-color, double-sided banners will feature the individual’s military photo and will be displayed on light poles in Uptown Westerville along State Street, between Home and Walnut Streets. Banners will be displayed during the month of May and again in November to coincide with Veterans’ Day.

Applicants may purchase the banner for $130; reservations for space are accepted on a first-come, first served basis beginning Monday, Jan. 7 through Friday, March 1. Because of the projected popularity for this program and limited number of poles, applicants will be added to a waitlist for the next year if applicable. Part of the banner proceeds will support the Westerville Parks Foundation.

Applicants must provide a high-resolution digital image or scan of their military member’s photo(s). High-resolution means it is at least 300 dots-per-inch (DPI) for print quality purposes. Simply put, the higher the resolution, the more detail the photo contains resulting in an image that can be digitally enlarged to fit the banner.

After a banner is posted for the two-month terms, it will be returned to the individual(s) who purchased it the first week of December 2019. The applicant must be an immediate family member (spouse, parent, sibling, grandchild or legal guardian) of the service member.

Find more information about this program at [www.westerville.org/militarybanners](http://www.westerville.org/militarybanners).

**Free Uptown Public Wi-Fi in Uptown**

**Now Provided by WēConnect Data Center**

The City-owned WēConnect Data Center is now powering free public Wi-Fi in Uptown Westerville.

The Data Center team began installing new wireless access points in Uptown in the spring with plans to continue the updates in all City buildings. The equipment provides a faster connection for the service. The public network can now be found as “WēConnect” (SSID).

Opened in 2012, the Data Center is the nation’s first municipal facility of its kind. Now a multi-million dollar community asset, WēConnect serves as a connectivity hub for local and regional businesses, providing scalable capacity for future growth. Learn more about WēConnect at [www.westerville.org](http://www.westerville.org).
CITY CHARGES UP FLEET
WITH ZERO-EMISSION VEHICLES

With the popularity of electric vehicles on the rise, it’s important for the Westerville Electric Division to understand how they work and their impact on the public power supply. That is why the City added two zero-emission, all-electric vehicles to Westerville’s public vehicle fleet this fall.

“We’ve seen a market shift with electric vehicle options becoming available at more affordable prices. We want to be ready to accommodate the changing interests of Westerville residents,” said Chris Monacelli, Electric Utility Manager.

Westerville took advantage of low unit pricing secured through the City of Columbus fleet bid to purchase two 2018 Nissan LeafS, and will receive a $3,000 rebate for each vehicle.

Kevin Weaver, Westerville’s Public Service Department Director, says the decision to bring on electric vehicles has practical benefits.

“Electric vehicles make a great deal of sense for most tasks that cities perform,” said Weaver. “Our uses are primarily short-range in nature.”

For more information about how the City’s new electric vehicles will be used, visit www.westerville.org.

Electric Division Drop-Offs

Provide Safer Solution for Light, Battery Disposal

The Westerville Electric Division is on a mission to make recycling holiday lights, light bulbs and batteries safer for residents and refuse workers by providing an alternative to throwing the items in the recycling or trash bin.

Holiday lights can become entangled in processing equipment, light bulbs can break and batteries can cause fires in recycling and refuse collection vehicles. All of these items can be dropped off at the Electric Division facility, at 139 E. Broadway Ave. for safe disposal.

Beginning Monday, Nov. 19, the Electric Division will accept strands of lights to recycle in exchange for a LED light bulb (limit three bulbs per household, there is no limit to the number of strands can be recycled.) Participants must bring their lights to the Electric Division, 139 E. Broadway Ave., Monday-Friday between the hours of 8 a.m. – 4 p.m. to receive new LED bulbs. Those not interested in an exchange can drop off strands in the marked bins in front of the facility anytime.

Light bulbs and batteries can be accepted year round. Just bring them to the Broadway Avenue facility and place them in the marked containers. Batteries must be sorted by type. Accepted types include lithium (rechargeable), lead acid wet cell (vehicles) and typical household (AA, AAA, C, D etc.) Please be sure to sort batteries by type.

See more on Westerville Electric Division programs at www.westerville.org/electric.
The Westerville Parks Foundation, in collaboration with the Westerville Parks and Recreation Department, takes pride in their joint mission to ensure that all people have the opportunity to participate in recreation opportunities regardless of financial hardship. For the past 18 years, the Foundation has tirelessly worked to secure philanthropic support to further the efforts of the financial assistance program.

There are many ways to help support the financial assistance program and the Westerville Parks Foundation.

**WESTERVILLE PARKS FOUNDATION BUNNY HOP 5K**

This family-friendly event is for runners and walkers of all ages and abilities. In addition to the 5K race, the Bunny Hop 5K offers a childrens’ 100-meter dash and is scheduled in coordination with the Spring Eggstravaganza where kids can take part in a free Egg hunt and Kidz Zone complete with music, games, inflatables and petting zoo. Funds raised from registrations for the Bunny Hop 5K go directly to the financial assistance program.

**CORPORATE SPONSORSHIP OPPORTUNITIES**

The Westerville Parks Foundation could not thrive without our community partners. Corporate sponsors can donate to the Parks Foundation and receive recognition at our three annual events: the Bunny Hop 5K, the Westerville Jazz Series and The Great Westerville Pumpkin Glow.

**WESTERVILLE LICENSE PLATE PROGRAM**

Purchase your Westerville license plate through the Ohio Bureau of Motor Vehicles (BMV). In addition to showing off your civic pride, a portion of the proceeds go directly to the Westerville Parks Foundation while another portion is donated to anti-bullying initiatives for school aged children.

In addition to these efforts the Westerville Parks Foundation accepts donations from individuals, groups and family foundations. All contributions make a difference in the lives of our community. Please join in support for the financial assistance program by contributing to the Westerville Parks Foundation. Applications for the financial assistance programs as well as additional information about the Westerville Parks Foundation can be found by visiting [www.westervilleparksfoundation.org](http://www.westervilleparksfoundation.org) or email [westervilleparksfoundation@gmail.com](mailto:westervilleparksfoundation@gmail.com).

The Westerville Parks Foundation has provided more than $375,000 to the Parks and Recreation Department to enhance four key areas of the parks system: Trail Enhancements, Public Art, Park Improvements and Scholarships. To date, 265 individuals have received over $13,000 from the financial assistance program.

Funds can be used to:

- Purchase a pass to the Westerville Community Center or Highlands Park Aquatic Center
- Take a program at the Community Center or the Senior Center
- Attend an event
- Join a sports league

Westerville Parks and Recreation Department Serves over 850,000 people annually.
The City is seeking submissions from artists, local and beyond, to showcase their love and fondness for Westerville through art in a new exhibition called “To Westerville, with Love.” This exhibition will feature artists who have created artwork with Westerville as the subject matter and pay homage to the citizens, history, culture and architecture of the Westerville community. A committee of City of Westerville staff and local artists will select entries for exhibition.

“Submissions will be accepted in all mediums, sculpture and audio visual artworks excluded,” said Derrick McPeak, Arts Program Supervisor for Westerville Parks and Recreation. “Artists of any age are encouraged to submit.”

The exhibition will be on display at the Westerville Community Center the month of February.

Entries will be accepted by email only. High quality photos or images of your artworks should be emailed to arts@westerville.org with the subject line “To Westerville, With Love Art Submission.” Individuals may submit up to five pieces each.

All submissions should include the following:

1. Name
2. Phone Number
3. Title of Artwork
4. Medium of Artwork
5. Size of Artwork
6. Value of each Artwork

Artists will be notified by email of their selection and should deliver their submissions to the Westerville Community Center. The City will provide the means for display of two dimensional work. Artists may be required to provide the means for the display of three-dimensional work.

DEADLINE DATE:
Monday, Jan. 7, 2019 at 5 pm.

DEEP WATER AEROBICS
THE PERFECT ADDITION TO ANY FITNESS PROGRAM

No matter the weather outside, the Watering Hole at the Westerville Community Center has opportunities for fitness, recreation and social activity. One staple is the many aqua fitness programs available that take place in both the leisure and lap pools year-round. A popular class is Deep Water Aerobics which takes place in the deep area of the lap pool every weekday morning at 9:30 a.m. This high-intensity class for cardiovascular, strength and tone is a complete workout for the purpose of flexibility, aerobic capacity and overall fitness.

Sylvia Robinson, Westerville’s newest aqua fitness instructor, began teaching as a way to keep herself on a health journey. She quickly discovered a gift for creating a welcoming and safe environment for those fearing judgement in the gym.

“I feel accomplished when people return to my class or take my suggestions and attend other classes,” said Robinson. “I feel trusted and feel like I have an impact. It is more rewarding than anything else I’ve done.”

Aqua fitness classes are a great addition to any physical fitness program, by incorporating team exercises into class, participants begin talking to each other and create what Sylvia calls “accountability partners.” “I try to take time to talk to my participants, get to know them, make them feel welcomed and at home.” she said. “It’s important to keep the atmosphere fun but also give a good workout.”

For more information on the Deep Water Aerobics class offered this season, see page 31.

DOLPHIN SWIM LESSONS  
(Ages 4-12)  
This program bridges the gap between the Turtle class in shallow-water and the Minnow class in deeper water. Skills include floating, treading water, front and back crawl, basics of diving and deep water entry and safety.

MINNOW SWIM LESSONS  
(Ages 5-12)  
Stroke Development. Suitable for swimmers who have passed Turtle and/or can meet the prerequisites. Children at this level should be comfortable in deep water, swim front crawl with rhythmic breathing for 20 yards, swim back crawl for 20 yards, tread water for 30 seconds and complete a dive from the seated position. Objectives include: deep water bobbing, rotary breathing, diving from side of pool, building endurance by swimming distances, the basics of breaststroke, side stroke, turning at the wall and more.

PORPOISE SWIM LESSONS  
(Ages 5-12)  
Stroke Refinement. For swimmers who have passed Minnow and/or can meet the prerequisites. Children at this level should be comfortable in deep water, swim front crawl with rhythmic breathing for 25 yards, swim back crawl for 25 yards, tread water for one minute and complete a dive from the standing position. Objectives include: alternate breathing, elementary backstroke, dolphin kick, diving from a diving board and more.

SHARK SWIM LESSONS  
(Ages 6-14)  
Swimmers should be able to dive into deep water, perform the four basic swim strokes for 15 yards each and tread water for one minute. Objectives will vary according to the student’s needs and level but include: approach and hurdle on diving board, enhancing strokes, butterfly stroke, flip turns, breast and side stroke turns, stroke enhancement, endurance training and diving.

TEEN/ADULT SWIM LESSONS  
This class is suitable for teens and adults at the beginner-level. The instructor will develop individual lesson plans for each participant. Participants will gain confidence in their swimming skills and learn safety in and around the water.

HOMESCHOOL SWIM LESSONS  
Swim lessons are a great physical education addition for the homeschool curriculum. Children will be divided according to their ages.

INFANT AQUATICS 614
INSTRUCTOR(S): Jayne Ackerman, Certified Infant Aquatic Survival Specialist
AGE(S): 6 months and older with adult
RATE: $90
DISCOUNTED RESIDENT RATE: FREE
Students learn how to survive drowning risks through survival swimming and self-rescue techniques. Survival floating and the swim-float-swim sequence are mastered quickly and serve as the foundation for proper stroke development. This progressive program is designed to take students from beginners to advanced swimmers as efficiently as possible. Available one to five days per week. Contact (614) 300-5765 or swim@infantaquatics614.com to schedule lessons. Visit www.InfantAquatics614.com to learn more.

INFANT SELF RESCUE
INSTRUCTOR(S): Jennifer Tyson
AGE(S): 6 months - 6 years
Babies 6-to-12-months learn to hold their breath under water, turn onto their backs and float unassisted. Children ages 1-to-6-years old are taught to expand this into a swim-float-swim sequence. Your child will also learn on how to master the ISR Self-Rescue technique when fully clothed. Call Jennifer Tyson, Certified ISR Instructor at j.tyson@infantswim.com or (614)315-7174 to schedule.

SPRING OTTERS CLINIC
DURATION: 6 Weeks
INSTRUCTOR(S): Highlands Otters Coaching Staff
RATE: $115
DISCOUNTED RESIDENT RATE: $100
This swim team practice is designed for Highland Otters Swim Team participants to get them a boost on their summer season and shake off the winter. No Community Center or HPAC membership is necessary to participate. Children will work on stroke technique, drills and dry land training (running, jumping jacks, lunges).

Wellness embodies more than physical fitness alone and is often described as encompassing many dimensions including emotional, social and environmental well-being. A new class offered with Westerville Parks and Recreation is geared toward this idea. Yoga, Meditation and Mingle will take place at the Everal Barn and Homestead and offers participants the ability to experience historic beauty and comfort while engaging in community support and fitness.

During this event you will be able to concentrate on relaxation while meeting other community members. Take a retreat in your own town and experience an amazing Friday evening. You will meditate and practice Yoga to live music, taste healthy/gluten-free and/or non GMO refreshments and learn about essential oils (at your discretion). Focus on creating a balanced approach to the new year and experience an event that will highlight YOU and being the best version of yourself. Start your year redefining what is “enough” aligning priorities and concentrating on preventative health maintenance. Parks and Recreation is proud to offer accessible healthy active lifestyle opportunities to our residents and surrounding areas.

For more information, see page 24.

Through a NatureWorks historic preservation matching grant offered by the Ohio Department of Natural Resources (ODNR) in 1981 and 1998 and a citizen-driven PROS 2000 income tax increase in 1998, the Westerville Parks and Recreation Department began transforming the Everal Barn and Homestead into what we see it as today, a truly unique setting where heritage and hospitality meet. Everal Barn is quietly nestled where heritage and hospitality meet. Everal Barn is quietly nestled on the grounds of 52-acre Heritage Park and is beautifully renovated.

Those looking for an opportunity to lend a helping hand in City initiatives need look no further than the Westerville Volunteer Portal.

From “elf duty” at Snowflake Castle to helping individuals who are differently-abled, and more, there is an opportunity for everyone to get involved.

“We cannot overstate the importance of volunteers in our community,” said Adam Maxwell, Director of Administrative Services, who oversaw the implementation of the portal. “Residents donate thousands of hours to City programs each year. Their efforts are part of what make this community great.”

Maxwell says that while currently the portal houses mostly Westerville Parks and Recreation opportunities, it will steadily expand to encompass other City-affiliated volunteer groups like the Westerville Citizen Police Academy Alumni Association (WCPAAA) and the Citizen’s Auxiliary Resource Team (CART) through the Westerville Fire Division.

In 2017, residents donated more than 28,000 hours of their time to important City programs. Keep an eye out for opportunities to volunteer for a Westerville Parks and Recreation sports program. Visit www.westerville.org/volunteer for more information.

**ALL SPORTS SPECIAL INTEREST**  
**NEW!**
Westerville Parks and Recreation will again host the #ALLIN Recreation Fair on Saturday, Jan. 26, 2019. With the mission: “To connect the differently-abled community with art and recreation services in the greater Columbus area,” this event is sure to please. Every child or adult who is differently-abled should be encouraged to pursue a hobby that transports them while keeping them in their comfort zone. Recreational activities like sports, arts and crafts and trips have the opportunity to create excitement and friendship throughout their day. Not only do these classes and events release stress, but also build self-esteem and provide an opportunity to channel energy in a positive manner.

During the 2018 event, more than 150 individuals and families visited with 25 vendors whose focus is inclusion and providing recreational activities for individuals who are differently-abled. Attendees received information regarding normal daily care to sports to therapy animals. They even had a chance to sit with a few very special therapy dogs that loved the attention and getting their photo taken.

“It was a wonderfully organized event with lots of useful information about services; and it was clear that you devoted a great amount of time and energy to organizing it,” said one attendee. “Thank you for putting on such a great event!”

The #ALLIN committee, made up of professionals, parents and individuals who are differently-abled was formed after the community requested a location they could go to hear about many opportunities at one time. The event aims to bring in a diverse group of vendors. “This was one of the best fairs we have attended.” said one vendor.

For additional information on the 2019 event, see page 25.

PRESCHOOL

ONE-DAY SEASONAL CLASSES
NOW AVAILABLE

With the winter season upon us, the thought of your preschooler stuck in the house may be worrisome. The Westerville Parks and Recreation preschool program has come up with a great way to get out of the house this winter season while keeping your preschooler excited and interested in the many events available.

Along with the regularly scheduled classes and events that include Pee Wee Play Gym and Toddler Time (page 22), Leapin’ Lollipops, Jumpin’ Jellybeans and many preschool dance classes (page 52) comes a new opportunity for one-day seasonal-themed classes. Classes are available from January to March where kids can have a Pancake Party in pjs, learn about Dinosaurs, find a Leprechaun, spread some love with a Valentine and more. Your little one will be creating crafts, singing, dancing and meeting new friends each month. Two age ranges are offered for age-appropriate play. Sign up for one or all of the classes to keep your little one entertained.

All seasonal one-day pass classes available for ages 18-30 months and 2.5-5 with a parent. All classes take place at the Westerville Community Center, 350 N. Cleveland Ave.

- Jan. 3 - PJ Pancake Party
- Jan. 28 - Wreck-It Westerville
- Feb. 11 - Hearts Galore
- Feb. 25 - More Dinosaurs
- March 11 - Little Leprechauns
- March 18 - Fun with Mickey and Friends

More information can be found on page 55.

YOUTH
TEACHING TRADE
FOR THE FUTURE

Trades jobs (contracting, wiring, carpentry and more) in the United States have traditionally been held by men, with women only holding about 9% of these jobs in the workforce. The word “Tradeswomen” is not even listed in Webster’s Dictionary; the Oxford Dictionary and Dictionary.com lists a definition as “…a woman engaged in trading or a trade, typically on a relatively small scale.”

Because women and girls so infrequently work in trade industries, Westerville Parks & Recreation is proud to introduce new programming to expose girls to a skill-building education and careers.

“Girls in Trades” teaches the building trades, providing an opportunity to experiment with basic power tools such as a cordless drill and everyday hand tools. Students will experience how to wire a lamp and learn how to create and read blueprints for a building project. Not only will the class teach a trade, it will empower girls to take the initiative in trade jobs and provide the ability to fix a leaky faucet, fill a wall with photos and simple tasks at home.

Girls in Trades is available to ages 12-18 from Jan. 26 through Feb. 16. See page 59 for additional details. Know an adult interested in learning about trades? Women in Trades is available this winter as well. See page 63 for information.

Rosie the Riveter is a cultural icon representing women who worked in factories and shipyards during World War II, many of whom produced munitions and war supplies. These women sometimes took entirely new jobs replacing the male workers who joined the military.

A park in the southeastern quadrant of Westerville is not a new idea. The Westerville Parks & Recreation master plan (Parks, Recreation and Open Spaces—or PROS) that helps guide planning and investment long called for a park to serve the community and neighborhoods on the southeast side of town. When the property at 480 S. Hempstead Rd. near McVay Elementary became available, the City acquired it to begin plotting a course to fulfill that vision.

Starting with a series of public meetings earlier this year, conceptual plans were developed based on resident feedback. The response from participants was overwhelmingly positive. The conceptual plan was developed to pay homage to the McVay family, the original landowners, who were deeply philanthropic and loved nature. Akin to other parks and green spaces in Westerville, the theme centers around nature while implementing play features and recreational opportunities.

The concept plan includes the preservation of mature trees on the property. Fun, whimsical and educational elements will maintain and embellish the site’s natural character the McVay family sought to preserve. Also included is a realigned entry drive and bridge, shelter, restroom, trail network, elevated play elements, nature play area, creek interaction zone and meadow as well as a parking lot for park visitors.

The design team will transition to development and construction phases next, which will take the majority of 2019. Construction is expected to begin in 2020.

CRAFTING WITH THE WESTERVILLE SENIOR CENTER

There are many classes available throughout the year through which Senior Center members can relax with friends while creating some exceptional crafts. But, did you know that you can purchase some of these crafts during Snowflake Castle each year? You don’t even need a ticket to do so.

Every year during the week of Snowflake Castle, tables are set up throughout the downstairs entrance of the Everal Barn at Heritage Park. Here you can find items like crochet, holiday ornaments, jewelry, scarves, pillows, bookmarks and tons of Ohio State items. All proceeds benefit the Westerville Senior Association and Westerville Parks and Recreation.

Snowflake Castle is scheduled for Saturday, Dec. 1 and Monday, Dec. 3 - Saturday, Dec. 8 at Everal Barn and Homestead, 60 N. Cleveland Ave.

Unintentional drug overdoses caused 4,050 deaths of Ohio residents in 2016, and opioid’s were responsible for a significant number of those deaths. This presentation will include information on the epidemic, how addiction develops, the medications that are being abused, and treatment options available for opioid addiction. In addition, tips for seniors on keeping their medications safe and how to properly dispose of them will be addressed.

**YOUR MÉDS AND FALL PREVENTION**

Falls and fall-related injury seriously affect older adults’ quality of life and present a substantial burden to the Ohio healthcare system. This presentation will cover who is at risk of falls, simple steps that older adults can take to reduce their risk for a fall, and what medications put seniors at increased risks of falls.

ONLINE PROGRAM EVALUATION

The Westerville Parks and Recreation Department is pleased to have you participate in our programs and classes. We recognize the importance of providing the highest level of service to our participants and appreciate hearing from you concerning your experience in specific programs and/or activities.

Complete the evaluation form online at www.westerville.org/programs.

The Parks Division manages more than 595 acres of park land in 50 locations and maintains neighborhood, community and school parks; nature preserves; sports complexes; greenways; and all City grounds. Facilities also include managed wetlands, mini parks, baseball/softball diamonds, soccer fields, tennis courts, sand volleyball courts, basketball courts, an amphitheater, fitness station, playgrounds, shelters, restrooms and more than 44 miles of bikeways/leisure paths. The Urban Forestry staff maintains more than 12,000 street trees. In addition, the Division maintains public gardens, flowerbeds, flower pots, hanging baskets and 65 acres of medians and City Right-of-Ways.

PARKS & RECREATION GIFT CARDS

Looking for that perfect gift? Give the gift of good health with a Parks and Recreation gift card.

Gift cards are redeemable for daily admissions, activities, classes and passes with Westerville Parks and Recreation.
The Westerville Parks & Recreation Department is pleased to offer online registration for classes, programs and shelters. Online registration streamlines the process of registering by eliminating the need to wait in long lines on registration day.

Any household that has previously participated in a Parks and Recreation program, pass, or facility reservation may already have an online account.

Those wanting to sign up for the first time will need to create an account through our online registration site www.westerville.org/registration. Click “Create an Account” and follow the prompts.

Proof of residency is required in order to be eligible for the discounted resident rates.

With your active online account, you will be able to view class information, process registration and reservations, make secure credit card payments and view class enrollment counts from your home or office 24 hours a day! You can even make changes to your household and member’s information—fast, easy and secure. User name/passwords and household information can be changed once you log in. Click on “My Accounts.”

**PLEASE NOTE**

**Residency Status expires at the end of each year. Proof of residency is required only once in a calendar year. Prove your residency status each January for the entire year.**

Payment for all programs/activities and facility reservations must be made at time of registration.

Still have questions? Visit the web at www.westerville.org/parks, click “About Us” and “FAQs” for additional information.
POLICIES & PROCEDURES

Fair Share Policy
The City of Westerville Parks and Recreation Department is largely financed through City Income Tax dollars. Therefore, to be considered a “Resident” in our registration process, you must live or work full time within the corporate City Limits of Westerville or be a spouse or child of such person. “Non-resident” applies to all others. Even though you may have a Westerville mailing address or live within the school district, you may not live within the Westerville City Limits. We ask for your understanding when registering.

Resident/Non-resident Rates
To receive discounted resident rates, Westerville residents will be required to present identification such as a valid driver’s license, photo ID card, utility bill or pay with a check with an address printed by the bank. Individuals employed full time in the Westerville City Limits will need to provide proof of employment on company letterhead with the signature of the personnel director or president or a current paycheck with their employer’s name and address along with a valid driver’s license. If a household has been granted residency status due to providing proof of Westerville income tax withholding and it is later revealed that a full refund of these taxes occurred, the City of Westerville reserves the right to collect the difference between the resident fee paid originally for the activity or pass and the appropriate non-resident fee. A $5.50 resident ID card may be purchased for registration and admission convenience.

Non-resident Fee Policy
The non-resident fee is an additional $5 to any program $20 or less and $10 for any program more than $20 and less than $60 and $15 for any program $60 or more. Seasonal and Annual Pass fees, daily admission fees and rental fees are 50 percent higher for non-residents.

Payment By Check
Checks should be made payable to the “City of Westerville.” There will be a $31 service fee for all checks not honored for any reason by any bank.

Scholarship Assistance Programs
The Westerville Parks Foundation offers scholarships for activities and passes to any age person who lives in the Westerville corporate City limits. These scholarship programs are designed to assist residents who may be experiencing a financial hardship with fees. Some restrictions may apply. Interested individuals may obtain scholarship applications at the Westerville Community Center.

Photo/Video Release Policy
By registering for any Westerville Parks and Recreation program, you agree to allow publication of photos/videos taken at any program, event or facility associated with the City of Westerville Parks and Recreation Department.

Age Policy
Children nine and under must be accompanied by an adult at all times while in the Community Center.

Smoking Policy
In accordance with City of Westerville Ordinance 2018-19, all indoor and outdoor public park spaces are smoke free.

Access to All Americans with Disabilities Act
This landmark civil rights legislation went into effect Jan. 26, 1992. It is a significant step forward to make our society’s services and opportunities fully available to all Americans by combating barriers and prejudices that confront those of us with disabilities. The City of Westerville is committed to implementing the intent and spirit of this legislation. Those who may need assistance in order to enjoy our programs should contact the Administrative Office at (614) 901-6500 at least two weeks in advance of the program to discuss any necessary accommodations. TDD line: (614) 901-6413.

Persons with disabilities are invited to participate in all programs offered through the Westerville Parks and Recreation Department. When registering for a program, we ask that participants requiring special assistance mark the designated box on the registration form or add a note to your class when registering online.

Pass Refund Policy
All Community Center PASSports, Highlands Park Aquatic Center Passes, Sprouts Wait Room Cards and Gift Certificates are non-refundable and non-transferable.

Hardship Termination Criteria
The following criteria must be met to qualify for a hardship refund:
- A job transfer outside a 25-mile radius of the Community Center. PASSholder or class registrant must provide a letter from his/her Human Resources Department stating that he/she is being transferred including forwarding address and phone number for verification.
- In case of medical condition the following options are available:
  - A Community Center PASSholder or a class registrant may receive a refund if he/she provides a letter from a physician stating that they are on a medical restriction of an indefinite nature.
  - A Community Center Pass or Senior Center Membership can be put on hold and the expiration date extended if the participant provides a letter from a physician stating how long they are on a medical restriction.
- A $5 transaction fee shall apply to all hardship refunds in addition to the prorated amount.

Notice to Participants
Participants must recognize that all classes/activities of a physical nature involve some risk and by registering for a class/activity of this nature there is an assumption of risk by the participant. The City of Westerville Parks and Recreation Department is dedicated to providing safe facilities and equipment as well as qualified staff for all participants. Every effort is made to ensure participant safety and to provide first-class recreational activities, facilities and parks. In the event of a serious accident or illness, it is the policy of the City of Westerville to: (1) contact the Westerville Fire Department Paramedics to perform first aid and, when necessary, recommend transport of the victim to the hospital; (2) reach the parent, guardian or emergency contact as soon as the situation allows.

Program Refund Policy
CANCELED CLASSES
If a class is canceled or closed, you will receive a full refund in the form of a check or credit refund (must be on credit card used.) There will be no cash refunds. Refunds will be made approximately three weeks to process.

REFUND BEFORE THE CLASS BEGINS
Refunds will be made only before the start of the class for one of the following circumstances and a $5 transaction fee will apply:
- When the refund is requested at least seven (7) days in advance (except where otherwise noted) of the first class meeting provided it does not reduce the participation level below the required minimum.
- When documentation is presented for an approved hardship situation.

REFUNDS AFTER THE CLASS BEGINS
- Refunds will be made only when documentation is presented for an approved hardship situation.
- A $5 transaction fee will apply.

CUSTOMER SATISFACTION GUARANTEE POLICY
In the event you are not satisfied with a program or service, The Westerville Parks & Recreation Department shall offer the following options:
- Repeat the program at no charge - or
- Receive a gift card that can be applied to any other program - or
- Receive a refund (processing takes approximately two weeks.)

NOTE: Adults sports leagues, camps, trips, consumable program supplies, daily admissions, annual passes, facility rentals, special events or tickets to certain events are exempt from the Satisfaction Guarantee.

Camp Refund Policy
Camp refund policy will be as follows: A $25 transaction fee will be processed per week, per child for every refund issued. All camp refunds must be submitted 30 days before the start of the camp session the household is looking to get refunded for. For more information, call the Program Supervisor at (614) 901-6506.

Cancellation of Activities
Due to Inclement Weather
All daytime (before 5 p.m.) programs will be canceled when Westerville Schools are closed due to inclement weather. Cancellation of evening programs (after 5 p.m.) will be determined by 4 p.m. On Saturdays, information will be available on daytime classes beginning at 8 a.m. and on evening classes beginning at 4 p.m. The Department will issue cancellation announcements on WBNS 10-TV and radio stations 94.7 FM and 610 AM. Information will also be available on the SPORTS/INCLEMENT WEATHER HOTLINE.

Due to Low Enrollment
The City of Westerville Parks and Recreation Department reserves the right to cancel classes due to low enrollment.

INCLEMENT WEATHER/SPORTS HOTLINE
(614) 901-6888
FITNESS ROOM
The Fitness Room has more than 45 cardiovascular machines for all workout types and abilities and can be utilized by persons 16 years of age and older. TV monitors are placed within easy viewing and can be accessed through radio frequencies. The strength training area includes 20 Cybex, LifeFitness and Paramount selectorized machines and a free weight area with dumbbells (from two to 100 pounds).

ORIENTATION FOR NEW PASSPORT HOLDERS
Are you new to the Community Center? New users are required to complete an orientation. Fitness staff will:
- Show you how to use the cardiovascular equipment
- Discuss Fitness Room policies
- Have you fill out a health history questionnaire that will be kept on file.

Free introductory strength-training class offered to novice exercisers. Available by appointment only; please see Fitness Room staff to schedule.

PERSONAL TRAINING AVAILABLE
Our degreed and certified health professionals will coach you to achieve optimum fitness results. Only annual Ultimate or Fitness Room passholders may use a personal trainer. Fees and appointments are arranged between the passholder and trainer. Information can be located at the community center front desk or fitness desk.

**CLIMBING WALL**

The 27-foot climbing wall is constructed of fiberglass-reinforced concrete and has the look and feel of actual rock. A full-length crack and nine top rope routes, including four auto belay units, allow climbers to test their skills on pitches ranging from a beginner’s slope to an overhanging 5.10+.
