CONSTRUCTION UNDERWAY

The Community Center Expansion is in full swing. You can expect to see many trucks, fencing and changes to parking through the spring months. The construction crew is currently digging the new warm water therapy pool on the east of the building, erecting the elevator shaft on the north side of the building and moving dirt to make way for the extension and additional parking on the south side of the building.

Temporary walls have been built in the gymnasium for the new MAC Gym on the west side of the building and many windows have been covered for safety. Spring will bring additional closures and changes to the building, parking and flow of the Community Center.

Follow the progress, keep informed of intermittent closures and changes in parking patterns by visiting www.westerville.org/centerexpansion.

FIND YOUR CLASS WHILE WE GROW

We thank you for your patience while we build you a bigger, better Westerville Community Center. Expansion and growth can always have unexpected turns and twists, and expanding a 96,000 sq ft facility by an additional 44,000 sq ft is no exception. Through the spring months, areas of the Community Center will be closed intermittently, possibly leaving scheduled class locations in flux.

Throughout the guide, you will notice that all class locations that may have been scheduled for the Community Center have been removed. This does not mean the class will not take place but may mean the location will change before the class begins to another location throughout the City. Locations could include the Recreation Program Center (64 E. Walnut St.), Westerville Senior Center (310 W. Main St.), Everal Barn at Heritage Park (60 N. Cleveland Ave.) or at various City buildings. But don’t worry, all location changes will be communicated via email to scheduled participants before the class begins. A running list of class locations and room closures will be available at www.westerville.org/parks.

Have a question? A member of our friendly team would be happy to answer any questions at (614) 901-6500. You can also sign up for the City’s weekly e-newsletter at www.westerville.org. Expansion updates can be found at www.westerville.org/centerexpansion.

OVERFLOW PARKING AVAILABLE

Overflow parking is available at the Westerville Sports Complex (325 N. Cleveland Ave.) and will continue through the spring months. A shuttle schedule will be posted at the Community Center and online at www.westerville.org/centerexpansion.
IMPORTANT INFORMATION

With the Expansion moving indoors this spring, it is necessary to begin rolling closures of some spaces throughout the Community Center. This spring you can expect to see some locations on the south side of the building close for work to be completed on the exterior walls. Since these locations include rental space, birthday party rentals will no longer be taken for 2019. But don’t worry, you can still schedule a rental for your special party at one of our many parks.

Closures through Expansion May Impact Programming

The Westerville Parks and Recreation team is committed to keeping you fully informed of all changes as schedules are confirmed. Throughout the Expansion, areas of the Community Center may need to close for construction. Here are some closures you can expect to see from April to October, to the best of our knowledge.

SPROUTS ROOM - Your little ones will still be able to enjoy some fun while you work out. Please check www.westerville.org/parks for the scheduled alternate location for the Sprouts Room.

BUCKEYE ROOMS - With the exterior wall construction underway, rentals will no longer be scheduled in Buckeye B or Buckeye C. Rentals may still take place throughout the many parks or facilities within the City. Call (614) 901-6515 for details.

TEEN ROOM - With many rooms closing in the south hall, the Teen Room may have alternate hours. Please check www.westerville.org/parks.

INDOOR PLAYGROUND - To make way for a new exterior wall construction, the indoor playground will need to close throughout spring and summer. With the warmer weather upon us, why not take advantage of the many outdoor playgrounds throughout the City. For a complete list of playgrounds visit www.westerville.org/parksandtrails.

GYMNASIUM - While the schedule is not finalized, staff has been working hard on alternate locations for open gym times that will include various Westerville Schools. A schedule will be available at www.westerville.org/parks when it becomes available.

FITNESS AREA - The Fitness area will be scheduled to close for a very limited time for movement of some equipment to its new location in the expanded portion of the Community Center. Check www.westerville.org/parks for all closure information.

TRACK - While the track will close intermittently throughout the expansion, why not plan to take your daily walk around one of the many trails throughout the City of Westerville. Maps of trail locations are available at the Community Center or you can find information at www.westerville.org/parksandtrails.

INDOOR POOL - Since closure of the indoor pool will take place throughout the summer months, Highlands Park Aquatic Center hours will be expanded to include additional days from May to late September. If you are a Community Center pass holder, you may use HPAC for no additional charge through the 2019 summer season. Check www.westerville.org/hpac for all extended hours throughout the summer.
Residents are invited to attend the State of the Community, a celebration of the Westerville community, beginning at 6:30 p.m. on Thursday, March 21 at The Point at Otterbein University (60 Collegeview Rd.).

Combining the traditional State of the Community (held annually in March) and the City’s annual Volunteer Dinner (usually hosted in April), the event will bring together members of the community, leaders from the City, Westerville City Schools, Westerville Public Library, the Westerville Area Chamber of Commerce and Otterbein University along with hundreds of faithful City volunteers.

“For several years, City Councillmembers and I have shared the goal of re-imagining the State of the Community to feature Westerville and our partners in a more pronounced manner,” said Westerville City Manager David Collinsworth.

“We look forward to bringing together community members with the organizations and volunteers who are making a big difference in Westerville.”

Attendees are invited to engage with City organizations as we celebrate achievements in Westerville over the past year.

For more information, visit www.westerville.org.

Get Involved

Are you interested in getting hands-on in your community? Find dozens of opportunities to get involved right now at www.westerville.org/volunteer.
Beginning March 1, Westerville Parks and Recreation is streamlining the means by which patrons can utilize the Westerville Community Center by reducing the seven pass options to one.

The 1-Pass All Access pass replaces all other pass options, and offers better access and more options than the previous group of passes. Both monthly and daily passes are available and include access to the gymnasium, indoor pool and climbing wall, plus the track and fitness area for those ages 14 and up. The no-commitment monthly pass has no initiation fee and gives the pass holder the freedom to cancel at anytime and return when able.

With the design of the new pass structure, a household pass has been included. If your family has three or more individuals residing at the same address, you can purchase a Household Pass. This will give everyone in your home access to enjoy the facility. Proof of residing is required for each member of the household being added to the pass. Registration with your local school district can be used for youth without a state issued ID.

“The last rate adjustment to the pass structure was in 2007,” said Parks and Recreation Director, Randy Auler. “Over the past 12 years, the cost of business has continued to rise while we kept rates low. It is now necessary to adjust rates to keep up with inflation and to ensure we can maintain the facility to the high standards the community has come to expect.”

The new pass rates follow. Below is a short list of answers to the most asked questions. Find more information and a complete list of frequently asked questions at www.westerville.org/centerpass.

**WHAT HAPPENS ON MARCH 1?**
Come March, nothing will immediately change for existing pass holders. Once your pass expires this year and is up for renewal, that is when you can transition to the new replacement pass. The simplified pass will give you access to the fitness area, track, gymnasium, indoor pool and climbing wall. There are no contracts or initiation fees. Prices for the pass are dependent on your age and family makeup and whether you are a resident or non-resident. Please note this monthly pass does not include specific classes or programs.

**WHAT AMENITIES DO I GET WITH THE NEW PASS?**
All pass holders have access to the entire facility which includes the indoor pool, gymnasiums and climbing wall during scheduled “open hours”. Those pass holders 14 years of age and older will also have access to the fitness area and track.

**IS THERE A MINIMUM TIME FRAME I MUST HAVE MY PASS BEFORE I CAN CANCEL?**
This is a no-commitment pass. Feel free to stop at any time; then come back and join us again when the time is right.

**CAN I CONTINUE TO RENEW MY CURRENT PASS INSTEAD OF SIGNING UP FOR THE NEW PASS?**
Only those who have a current expiration date of March 31 or earlier may renew their current pass but must do so before March 1.

The City of Westerville was named a 2019 Top 7 Intelligent Community by the Intelligent Community Forum (ICF). The international announcement was made at Laval University in Quebec on Monday, Feb. 11.

Westerville was one of only three cities from the United States to receive this prestigious distinction. Other recognized communities are:
- Abbotsford, British Columbia, Canada
- Chicago, Illinois
- Hudson, Ohio
- Sarnia-Lambton County, Ontario, Canada
- Sunshine Coast, Queensland, Australia
- Taoyuan, Taiwan

ICF members will now schedule a visit to all seven cities for an in-person evaluation of infrastructure, programs and partnerships that represent intelligent communities. Westerville expects its ICF visit this spring. The organization will then name a member of the Top 7 as the Intelligent Community of the Year at a global summit in New York City in June.

As part of the announcement, Westerville was recognized for its history of embracing innovation. From its role in the Underground Railroad to becoming the home of WeConnect (the nation’s first municipally owned data center), The Point at Otterbein University and more. Learn what makes Westerville a Top 7 Intelligent Community at www.westerville.org.

Westerville Chief Information Officer, Todd Jackson, attended the announcement in Quebec. “This is the first time a city in the U.S. has earned both the Smart21 and Top 7 designations with their first application,” said Jackson. “Overall, very few communities globally achieve both on their first attempt. We’re excited to be in the Top 7 class and look forward to hosting the ICF delegation when they come to see Westerville for themselves.”

The City was named to ICF’s list of Smart21 Communities of 2019 in October. From there, staff worked closely with key community stakeholders like JP Morgan Chase, Central Ohio Primary Care (COPC), Lake Shore Cryotronics, Otterbein University, Westerville City Schools and the Westerville Public Library in the process to be named to the Top 7 list.

Top 7 candidates are evaluated against the “ICF Method,” which is “the first conceptual framework for understanding all of the factors that determine a community’s competitiveness in the digital economy,” according to the organization’s website. Factors evaluated are broadband, knowledge workforce, innovation, digital equality, sustainability and advocacy.

For more information on the Top 7 or the ICF, visit www.intelligentcommunity.org.
Like a port in the storm, Westerville’s Communications Division technicians are the calming voices heard during emergencies. Operating dispatch for Westerville Police and Fire 24-hours a day, seven days a week, the team takes more than 70,000 emergency calls per year. Each day when Westerville’s public safety communication technicians enter their workspace they pass the words, “To the world you may be one person, but to one person you may be the world,” a motto that guides them through their work. Learn more about this dedicated team at www.westerville.org/police.

The City is preparing to unveil a program honoring the sons and daughters of Westerville who are serving or hold veteran status from the U.S. Armed Forces beginning in May. Through the Westerville Military Banner Program, the images of the City’s military heroes will be displayed on pole banners. Most banners will be concentrated in Uptown, though the program may expand to other areas of the City. The banners will be taken down and placed again in November for Veterans’ Day.

“From the time-honored tradition of the Field of Heroes to First Responders Park, the Westerville community has become known for its commitment to supporting those who serve our country,” said Westerville City Manager Dave Collinsworth. “We feel this program will do well to complement the initiatives already in place.”

Some residents called for the program to come to Westerville after seeing other communities celebrate the armed forces in this way. Westerville’s program is modeled after similar initiatives in cities in Ohio like Mentor, Stow and Munroe Falls.

Applications for the program were available beginning Monday, Jan. 7 and must be received by Friday, March 1. The full-color, double-sided banners cost $130. Checks should be made payable to the Westerville Parks Foundation. Applicants must provide a high-resolution digital image or scan of their military member’s photo(s). High-resolution means it is at least 300 dots-per-inch (DPI) ensuring the photos contain enough detail for print quality purposes.

After the banners are displayed in November, they will be taken down and available for pick-up by the applicant the first week of December.

This program is offered on a first come, first served basis. The first priority will be given to Westerville residents (proof of residency will be required e.g. copy of utility bill, driver’s license). Second priority will extend to residents of the Westerville City School District (WCSD).

Find more information on the City’s website at www.westerville.org/militarybanners.
Investing in the Community

Business Booms in Westerville

When Westerville’s business community succeeds, the residential community wins. Shovels breaking ground on new buildings, companies expanding in and moving to the City are all indicators of a community with a healthy economy. Companies investing in Westerville bring with them jobs, talent and income tax, the City’s top source of revenue.

That being said, let’s reflect on some of the business developments in the City and look ahead at what is to come.

When faced with the option of leaving the City, Central Ohio Primary Care Physicians (COPC) chose to stay and expand its footprint in Westerville. The largest physician-led primary care provider in the country brought $15 million in payroll to the City when they moved their headquarters to Africa Road, but they didn’t stop there. They soon opened an auxiliary service building next to their headquarters and are building an adjacent new lab facility expected to open in 2019.

Then there is Mid-City Electric, a Columbus Region institution, which saw Westerville as an ideal place to unite their operations. The 58-year-old, family-owned company got its start in Franklinton, where administrative and warehouse operations were separated by a mile. The organization’s move to 937 Eastwind Dr. not only brought the space to house everyone under one roof but shortened employee commute times by nearly 20%.

Looking ahead, 2019 will see the opening of DHL Supply Chain’s new headquarters at 360 Westar Pl., a $20 million investment. Built to support future growth, the company is building a four-story building in the City’s booming Westar Place.

Spring is a time of renewal. Appropriately enough, it’s also the season during which new recycling carts will be delivered to City of Westerville households.

The receptacles are equipped with wheels and a handle to make them easier-to-move. An attached lid secures items inside. At 65-gallons, the carts are expected to promote increased curbside recycling, supporting the City’s overall sustainability initiative.

The City of Westerville encourages residents to use this new start as a time to refresh themselves on the rules of recycling.

According to the Solid Waste Authority of Central Ohio (SWACO), approximately 70% of materials sent to the Franklin County landfill could have been recycled or composted.

For items residents can’t or don’t compost or reuse, SWACO says there are five types of materials accepted for household recycling in Franklin County:

1. Paper and cardboard (Remember to flatten!)
2. Plastic bottles and jugs (Leave on the lids and labels.)
3. Glass bottles and jars (All colors)
4. Metal cans (Be sure to take off aerosol tips.)
5. Cartons (Please rinse and then remove lids and straws.)

There’s one more thing to remember- be sure to keep items loose in your new recycling carts. No need to bag like-items.

Get more important recycling tips from SWACO at www.recycleright.org.

Interested in how recycling moves from Westerville to the SWACO plant? Visit www.westerville.org/tv for an informative video on the entire process.
As spring weather settles in, meet the men and women behind the lines who work diligently to keep power running to Westerville homes. Every year on April 18, the City encourages residents to participate in “Thank a Line Worker Day,” by showing gratitude. There are plenty of reasons to be thankful and proud of these line workers.

As the only municipally owned and operated suburban electric utility in Central Ohio, the Westerville Electric Division has served the community since 1898. Staffed 24-hours a day, seven days a week, this Division works tirelessly to provide outstanding customer service to Westerville’s 38,000 residents and more than 2,000 businesses.

Westerville’s lineworkers’ good works extend far beyond City limits. In March 2018, they spent more than 725 hours helping to restore power to Rye, NY after a nor’easter tore through the state, causing serious damage. In October, a team of Westerville lineworkers ran into the heart of Florida to help restore power to cities impacted by Hurricane Irma.

Back on the home front, the Division hosted an Open House, welcoming residents to experience just a taste of the lineworker’s life. They’ve saved kittens from trees and won top billings at the American Municipal Power’s local “Lineworker Rodeo.”

ASSESSING YOUR Electrical Safety Risk AS A FAMILY

Planning to get in some deep cleaning this spring? While you are collecting clutter and sweeping corners, the Westerville Electric and Fire Divisions want you to keep an eye out for electrical safety risks in your home. The U.S. Consumer Product Safety Commission recommends residents complete a home electrical safety inspection every six months. The following are a few examples of common electrical safety hazards. Why not get the family involved in identifying issues in your home by treating this like a scavenger hunt? (Children should look for, but not touch the safety hazards.)

**LIGHT BULBS** Ensure all light sources in your home are utilizing bulbs of the appropriate wattage. A light bulb with a higher-than-recommended wattage can overheat and cause a fire.

**ELECTRIC OUTLETS AND SWITCHES** All outlets and switches should be cool to the touch. If you can feel heat, it could be an indication that they are connected to unsafe wiring. If you notice this problem, call a qualified electrician.

**APPLIANCES** Be sure to unplug appliances when they are not in use. According to the Commission, appliances that are plugged in can cause a shock hazard (even when they are not in use).

May is Electrical Safety Month. Find a list of helpful electrical safety tips (including a link to the full U.S. Consumer Product Safety Commission Checklist) on the City’s website, www.westerville.org/electric.
Passion for Doing Good

Spring is a time of play in Westerville and with more than 600 acres of parkland and 44 miles of trails, there is certainly plenty of space to get outside and move. As the season heats up, the Westerville Division of Fire (WFD) encourages residents to stay safe with a few common-sense safety tips:

Invest in Safety Pads for Bicycling and Skating

This isn’t just advice for children, parents can set a powerful example by following suit. When out and about on bicycles, rollerblades and skates, WFD experts say it is imperative that residents wear protective padding. Helmets, knee and elbow pads can prevent serious injuries in the event of a mishap on the trails.

Heading outside? Bring Your Water

During the early spring days when the weather is still cool, it can be easy to trick yourself into leaving the water bottle at home. However, bringing the H2O along for the ride can help avoid dangerous conditions like dehydration and exhaustion.

Beware of Grilling Bravado

When the gray and brown of winter start to give way to green, many residents run straight to the grills. Before getting backyard culinary shows underway, even the most seasoned of grill masters should take a moment to run through their safety checklists. Be sure to never leave grills unattended and to follow the manufacturer’s recommendation for safe usage.

National EMS WEEK

National Emergency Medical Services (EMS) Week is Sunday, May 19 - Saturday, May 25. Presented by the American College of Emergency Physicians, in partnership with the National Association of Emergency Medical Technicians (EMTs), the week is designated to recognize those who provide EMS to local communities.

When a red, shiny Westerville Division of Fire (WFD) vehicle passes by with lights and sirens blaring, you take notice. Not only do their sights and sounds demand attention, but you know within those vehicles are men and women who have dedicated their careers to saving the lives of Westerville and Blendon Township residents. Most Westerville firefighters are also EMS responders.

Fire protection and prevention are primary functions of WFD, so are emergency medical services (EMS). In fact, responding to EMS calls accounted for the majority of WFD’s activities in 2017.

Want to show your appreciation for WFD? A small word of gratitude goes a long way. Here are some things you can do:

Have the family write thank-you notes and send them to a Westerville Fire Station:
- Westerville Station 111: 400 W. Main St.
- Westerville Station 112: 727 E. Schrock Rd.
- Westerville Station 113: 355 N. Spring St.

Get social!
Tweet @WestervilleFire a message of thanks to warm the hearts of the City’s first responders in red.

Find additional information about WFD’s contributions to the community at www.westerville.org/fire.

SIMPLE STEPS TO PREVENT SPRING INJURIES

Spring is a time of play in Westerville and with more than 600 acres of parkland and 44 miles of trails, there is certainly plenty of space to get outside and move. As the season heats up, the Westerville Division of Fire (WFD) encourages residents to stay safe with a few common-sense safety tips:

The first week of May is National Public Works Week. During this time, the City would like to shine the spotlight on the Westerville Public Service Department. The department is key to maintaining City infrastructure by way of four critical divisions:

**STREET MAINTENANCE DIVISION**
The community’s “Road Warriors” are members of this division and tend to traffic signals, mark pavement and patch potholes. The Street Maintenance team works diligently to keep 153 centerline miles of Westerville roadways clear of ice and snow each winter. This is also the division responsible for collecting a record-amount of leaves in Fall 2018.

**UTILITIES DIVISION**
This division is responsible for maintaining more than 400 miles of pipeline that make up the City’s water, sanitary sewer and stormwater systems.

**ENVIRONMENTAL MAINTENANCE**
Did you know the City maintains three cemeteries? They are all masterfully overseen by the Environmental Maintenance Division. This team also coordinates street sweeping and the all-important mosquito abatement program.

**FLEET MAINTENANCE DIVISION**
This division keeps 250 pieces of City equipment rolling. From compressors to salt spreaders, fire and police vehicles, the work of the Westerville Fleet Maintenance team is never done.

The Westerville’s Public Service Department is proud to provide outstanding services to residents and businesses. Next time you see a City vehicle passing by, be sure to give these dedicated public servants a wave.

Learn more about the Westerville Public Service Department at [www.westerville.org/service](http://www.westerville.org/service).

---

**PATCHWORK**

As freezing temperatures give way to the warmth of spring, potholes will inevitably appear on City streets. The Westerville Public Service Department is committed to patching these problematic spots. If you notice a street needing attention, let us know by selecting “Submit Request” on the My Westerville mobile app or by visiting [www.westerville.org/servicerequest](http://www.westerville.org/servicerequest).
GET THE MOST OUT OF THE “Westerville Consumer Confidence Report”

Each spring, Westerville residents receive a pamphlet from the City’s Water Division called the “Consumer Confidence Report.” It can be a bit intimidating to read at first, but this document is full of important information about the quality of water being channeled to home taps. Here are some things you can expect to learn from the report:

HOW WESTERVILLE WATER IS TREATED
Environmentally-conscious residents will be pleased to know that the City practices progressive and “green” methods to keep water safe. For example, after water has been treated and softened, it is thoroughly filtered through granular activated carbon (GAC) filters. GAC is a sustainable resource and can be processed and reused time and again.

WESTERVILLE’S SOURCE WATER AND HOW YOU CAN HELP PROTECT IT
The majority of the City’s drinking water is sourced from Alum Creek. By its nature, surface water is susceptible to contamination. That is why the process to purify Westerville’s water is so rigorous. However, residents might be encouraged to know they play a serious role in protecting the City’s source water. Check out the report for suggestions to get involved.

BREAKDOWN OF POTENTIAL CONTAMINANTS
The Westerville Water Division’s top priority is providing healthy and safe water to residents. It is important to understand what the Division is working against and what methods they use to succeed in keeping Westerville families safe.

Feel free to review the Westerville Water Division’s latest consumer confidence report at www.westerville.org/water.

Note: Expect your 2018 report between April - May 2019.

Remember to Light Ohio Blue this May
May 8-16

Annual Hydrant Flushing Program Returns in April

The Westerville Public Service Department will begin their annual hydrant-flushing program on Sunday, April 21.

This two-week-long process serves an important purpose, helping to clear particulates from the more than 2,400 hydrants in the City. These particulates build up over time and need to be flushed from water lines. The process also gives Public Service crews an opportunity to inspect hydrants and valves for operational issues.

During this time, residents may notice a brown-tint to their water. If this happens, the Public Service Department encourages residents to run the water through the tap for a few minutes. Residents are also encouraged to run their washer through a rinse cycle before completing laundry.

Questions? Call Westerville Public Service at (614) 901-6740 or visit www.westerville.org.

City Financial Assistance For Parks Programming

The City of Westerville believes that access to parks and recreation programs and services can be a key factor in bolstering quality of life for residents. The City’s financial assistance program is intended to help Westerville residents who would otherwise not be able to participate due to financial constraints take advantage of parks programs and services.

APPLYING FOR FINANCIAL ASSISTANCE

Financial assistance is awarded to residents of all ages living within the Westerville corporate City limits and can be used towards program registration fees, recreation facility passes (supplies and other costs are not eligible for financial assistance consideration) and daily admission passes. Eligibility is determined according to total household income in relation to a percentage multiplier of the Federal Poverty Guidelines. Funding for the financial assistance program is available on a limited basis.

Those interested in applying for assistance must complete an application form and supply a letter explaining their circumstances. Proof of residency is required for each person requesting assistance. For more information call (614) 901-6509.

National Bike Month
Celebrate National Bike Month this May

With warmer weather on the horizon and an award-winning Recreational Trail System, the City of Westerville is the perfect place to celebrate National Bike Month this May. There is hardly a better time to enjoy the benefits of riding your bike, whether it is to get to work or school, to save money on gas improve physical fitness, or to simply explore your community.

Established in 1956, National Bike Month is a chance to showcase the many benefits of bicycling and to encourage the community to give bicycling a try. Bike Month is sponsored by the League of American Bicyclists and celebrated in communities from coast-to-coast. National Bike Month is an opportunity to celebrate the unique power of the bicycle and the many reasons we ride.

To kick off National Bike Month, Westerville will host a Bike Rodeo at Everal Barn at Heritage Park on Saturday, May 11. Free bicycle safety checks and e-bike demonstrations will be offered and Westerville Parks and Recreation will be helping with helmet fitting and safety. You can also get your bike registered with the Westerville Division of Police. Participating vendors will include the Mid-Ohio Regional Planning Commission (MORPC), TREK, Central Ohio Greenways, Franklin County Metro Parks, Ohio to Erie Trail, Rails to Trails Conservancy and the Westerville Bicycle Club.

As part of National Bike Month, National Bike to Work Day will be held on Friday, May 17 with National Bike to Work Week 2019 taking place May 13-19. (National Bike to Work Day and Bike to Work Week originated in 1955 by the League of American Bicyclists and is endorsed by the American Medical Association.)

Westerville is a proud bronze-level, Bicycle-Friendly Community with more than 44 miles of trails, two Central Ohio Greenway trails (Alum Creek and Big Walnut Trails), a State trail (Ohio to Erie Trail) and U.S. Bicycle Route 50.

I'M OUT OF SHAPE
Ride at an easy pace; in a few months you will be in great shape. Map your route on a weekend to find the easiest way to work.

IT TAKES TOO LONG
The average commuter travels at 10 mph; the more you ride, the faster you will get.
Trips of less than three miles will be quicker by bike.
Trips of five to seven miles in urban areas may take the same time or less as by car.

IT'S TOO FAR
Try riding to work and taking mass transit home, then alternating the next day.
Combine riding and mass transit to shorten your commute.

MY BIKE IS BEAT UP
Visit a local bike shop for a tune up or bring you bike by the Bike Rodeo.

NO SHOWERS
Ride at an easy pace to stay cool and dry.
Ride home at a fast pace if you want a workout; shower when you get there.

I HAVE TO DRESS UP
Pack clothes with you and change at work; try rolling clothes instead of folding.

THE ROADS AREN'T SAFE
Pick up a Westerville Recreational Trail map and guide at City Hall or the Westerville Community Center to plan out your path to work.
Obey traffic signs, ride on the right, signal turns and stop at lights.
Wear bright clothing.
Wear a helmet every time you ride.

I HAVE TO RUN ERRANDS
Bolt a rack to the back of your bike to add carrying capacity.
Make sure that you have a lock to secure your bike while you are in a building.
Allow extra time to get to scheduled appointments and find parking.

Registration Information

REGISTRATION DATES

Friday, March 15 - Noon - Online Early Registration (Residents Only)
Saturday, March 16 - 8 a.m. - In-person Registration (Residents Only)
Sunday, March 17 - Noon - Online Open Registration (Residents and Non-Residents)
Monday, March 18 - 8 a.m. - In-person Open Registration (Residents and Non-Residents)

HOW TO UPDATE YOUR RESIDENCY STATUS WITH WESTERVILLE PARKS AND RECREATION AND UTILITY BILLING:

Contact Utility Billing at (614) 901-6430 or askutilitybilling@westerville.org to ensure your phone number is current.

Contact Parks and Recreation at (614) 901-6500 or parksandrec@westerville.org to confirm the phone number associated with your Utility Billing account and Parks and Recreation account are the same.

Once the phone number tied to the two departments are identical, you will no longer need to provide proof of residency and will receive resident rates when registering for programs with Parks and Recreation.

Make sure to keep both departments updated with address and contact information changes to ensure this will continue in the future.

For detailed information, call (614) 901-6500.

Visit the Westerville Community Center during the hours listed on page 35. Participants may register for ONE additional household other than their own during the registration process. Resident restrictions still apply. Senior Center members may register online or at the Community Center on Saturday and the Senior Center on Monday.

1. Visit www.westerville.org/registration
2. Enter ‘User Name:’ (we set it up as your home phone number with area code as a complete string, no hyphens or spaces). Parks and Recreation sets up a DEFAULT user name (#3 password same as #2)
3. Enter ‘Password:’ (Parks and Recreation sets up a default password)
4. Click ‘Registered Users Sign In’
5. At the top of the screen, select from one of the options listed based on what you intend on doing or use the search criteria to search for options.
6. When finished, it’s important to click “Logout” in the upper right side of your screen. If you don’t, your computer will remain logged in even after you shut down.

The Westerville Parks & Recreation Department is pleased to offer online registration for classes, programs and shelters. Online registration streamlines the process of registering by eliminating the need to wait in long lines on registration day.

Any household that has previously participated in a Parks and Recreation program, pass, or facility reservation may already have an online account.

Those wanting to sign up for the first time will need to create an account through our online registration site www.westerville.org/registration. Click “Create an Account” and follow the prompts.

Proof of residency is required in order to be eligible for the discounted resident rates.

With your active online account, you will be able to view class information, process registration and reservations, make secure credit card payments and view class enrollment counts from your home or office 24 hours a day! You can even make changes to your household and member’s information—fast, easy and secure. User name/passwords and household information can be changed once you log in. Click on “My Accounts.”

Visit the Westerville Community Center during the hours listed on page 35. Participants may register for ONE additional household other than their own during the registration process. Resident restrictions still apply. Senior Center members may register online or at the Community Center on Saturday and the Senior Center on Monday.
POLICIES & PROCEDURES

Fair Share Policy
The City of Westerville Parks and Recreation Department is largely financed through City Income Tax dollars. Therefore, to be considered a “Resident” in our registration process, you must live or work full time within the corporate City Limits of Westerville or be a spouse or child of such person. “Non-resident” applies to all others. Even though you may have a Westerville mailing address or live within the school district, you may not live within the Westerville City Limits. We ask for your understanding when registering.

Resident/Non-resident Rates
To receive discounted resident rates, Westerville residents will be required to present identification such as a valid driver’s license, photo ID card, utility bill or pay with a check with an address printed by the bank. Individuals employed full time in the Westerville City Limits will need to provide proof of employment on company letterhead with the signature of the personnel director or president or a current paycheck with their employer’s name and address along with a valid driver’s license. If a household has been granted residency status due to providing proof of Westerville income tax withholding and it is later revealed that a full refund of these taxes occurred, the City of Westerville reserves the right to collect the difference between the resident fee paid originally for the activity or pass and the appropriate non-resident fee. A $5.50 resident ID card may be purchased for registration and admission convenience.

Non-resident Fee Policy
The non-resident fee is an additional $5 to any program $20 or less and $10 for any program more than $20 and less than $60 and $15 for any program $60 or more.

Payment By Check
Checks should be made payable to the “City of Westerville.” There will be a $31 service fee for all checks not honored for any reason by any bank.

Scholarship Assistance Programs
The Westerville Parks Foundation offers scholarships for activities and passes to any age person who lives in the Westerville corporate City limits. These scholarship programs are designed to assist residents who may be experiencing a financial hardship with fees. Some restrictions may apply. Interested individuals may obtain scholarship applications at the Westerville Community Center.

Photo/Video Release Policy
By registering for any Westerville Parks and Recreation program, you agree to allow publication of photos/videos taken at any program, event or facility associated with the City of Westerville Parks and Recreation Department.

Age Policy
Children nine and under must be accompanied by an adult at all times while in the Community Center.

Smoking Policy
In accordance with City of Westerville Ordinance 2018-19, all indoor and outdoor public park spaces are smoke free.

Access to All Americans with Disabilities Act
This landmark civil rights legislation went into effect Jan. 26, 1992. It is a significant step forward to make our society’s services and opportunities fully available to all Americans by combating barriers and prejudices that confront those of us with disabilities. The City of Westerville is committed to implementing the intent and spirit of this legislation. Those who may need assistance in order to enjoy our programs should contact the Administrative Office at (614) 901-6500 at least two weeks in advance of the program to discuss any necessary accommodations. TDD line: (614) 901-6413.

Persons with disabilities are invited to participate in all programs offered through the Westerville Parks and Recreation Department. When registering for a program, we ask that participants requiring special assistance mark the designated box on the registration form or add a note to your class when registering online.

Pass Refund Policy
All Community Center PASSports, Highlands Park/Aquatic Center Passes, Sprouts Wait Room Cards and Gift Certificates are non-refundable and non-transferable.

Hardship Termination Criteria
The following criteria must be met to qualify for a hardship refund:
A job transfer outside a 25-mile radius of the Community Center. PASSholder or class registrant must provide a letter from his/her Human Resources Department stating that he/she is being transferred including forwarding address and phone number for verification.

In case of medical condition the following options are available:
A Community Center PASSholder or a class registrant may receive a refund if he/she provides a letter from a physician stating that they are on a medical restriction of an indefinite nature.
A Community Center Pass or Senior Center Membership can be put on hold and the expiration date extended if the participant provides a letter from a physician stating how long they are on a medical restriction.

A $5 transaction fee shall apply to all hardship refunds in addition to the prorated amount.

Notice to Participants
Participants must recognize that all classes/activities of a physical nature involve some risk and by registering for a class/activity of this nature there is an assumption of risk by the participant. The City of Westerville Parks and Recreation Department is dedicated to providing safe facilities and equipment as well as qualified staff for all participants. Every effort is made to ensure participant safety and to provide first-class recreational activities, facilities and parks.

In the event of a serious accident or illness, there will be determined by 4 p.m. On Saturdays, information will be available on the SPORTS/INCLEMENT WEATHER HOTLINE.

All day time (before 5 p.m.) programs will be canceled when Westerville Schools are closed due to inclement weather. Cancellation of evening programs (after 5 p.m.) will be determined by 4 p.m. on Saturdays, information will be available on daytime classes beginning at 8 a.m. and on evening classes beginning at 4 p.m. The Department will issue cancellation announcements on WBNS 10-TV and radio stations 94.7 FM and 610 AM. Information will also be available on the SPORTS/INCLEMENT WEATHER HOTLINE.

Due to Low Enrollment
The City of Westerville Parks and Recreation Department reserves the right to cancel classes due to low enrollment.

Cell Phone Policy
The use of cell phones in any City of Westerville Parks and Recreation Restroom, Locker Room, Fitness Area or Pool is not permitted.

Program Refund Policy
Canceled Classes
If a class is canceled or closed, you will receive a full refund in the form of a check or credit refund (must be on credit card used.) There will be no cash refunds. Refunds take approximately three weeks to process.

REFUND BEFORE THE CLASS BEGINS
Refunds will be made only before the start of the class for one of the following circumstances and a $5 transaction fee will apply:
• When the refund is requested at least seven (7) days in advance (except where otherwise noted) of the first class meeting provided it does not reduce the participation level below the required minimum.
• When documentation is presented for an approved hardship situation.

REFUNDS AFTER THE CLASS BEGINS
• Refunds will be made only when documentation is presented for an approved hardship situation.
• A $5 transaction fee will apply.

CUSTOMER SATISFACTION GUARANTEE POLICY
In the event you are not satisfied with a program or service, The Westerville Parks & Recreation Department shall offer the following options:
• Repeat the program at no charge - or
• Receive a gift card that can be applied to any other program - or
• Receive a refund (processing takes approximately two weeks.)

NOTE: Adult sports leagues, camps, trips, consumable program supplies, daily admissions, annual passes, facility rentals, special events or tickets to certain events are exempt from the Satisfaction Guarantee.

Camp Refund Policy
Camp refund policy will be as follows: A $25 transaction fee will be processed per week, per child for every refund issued. All camp refunds must be submitted 30 days before the start of the camp session the household is looking to get refunded for. For more information, call the Program Supervisor at (614) 901-6506.

FITNESS ROOM
The Fitness Room has more than 45 cardiovascular machines for all workout types and abilities and can be utilized by persons 14 years of age and older (effective March 1). TV monitors are placed within easy viewing and can be accessed through radio frequencies. The strength training area includes 20 Cybex, LifeFitness and Paramount selectorized machines and a free weight area with dumbbells (from two to 100 pounds).

ORIENTATION FOR NEW PASS HOLDERS
Are you new to the Community Center? New users are required to complete an orientation. Fitness staff will:

- Show you how to use the cardiovascular equipment
- Discuss Fitness Room policies
- Have you fill out a health history questionnaire that will be kept on file.

Free introductory strength-training class offered to novice exercisers. Available by appointment only; please see Fitness Room staff to schedule.

PERSONAL TRAINING AVAILABLE
Our degreed and certified health professionals will coach you to achieve optimum fitness results. Only annual Ultimate or Fitness Room passholders may use a personal trainer. Fees and appointments are arranged between the passholder and trainer. Information can be located at the community center front desk or fitness desk.

TRACK
The Track is 1/10 of a mile long and can be utilized by those ages 14 years and older.

SPROUTS WAIT ROOM
When it comes to your child, nothing is more important than his/her safety. The Sprouts Wait Room at the Westerville Community Center offers parents peace of mind while they work out. A well-trained staff provides quality child care for children ages 6 months to 9 years. By providing guideline policies on cleanliness, disciplinary action, health and safety, numbered wristbands, security cameras, and a sign in/out by parents, the Sprouts Wait Room ensures a safe environment. For more information, please call the Program Manager at (614) 901-6506.

CLIMBING WALL

The 27-foot climbing wall is constructed of fiberglass-reinforced concrete and has the look and feel of actual rock. A full-length crack and nine top rope routes, including four auto belay units, allow climbers to test their skills on pitches ranging from a beginner’s slope to an overhanging 5.10+.

Please be advised hours may be subject to change at any time.

***All climbers must be wearing closed-toe shoes.
***Climbers must be 40 lbs. or more to climb.

Please check www.westerville.org/parks for updates.
The Highlands Park Aquatic Center has something for everyone and features a speed and body slide tower, a zero-entry toddler pool with a simulated-rock slide, a spray playground, lazy river and eight-lane, 25-meter pool with diving well. Also available are patio and cabana rentals, a concession stand and family restrooms.

HIGHLANDS PARK AQUATIC CENTER
CLOSURE POLICY
In an effort to ensure the safety and security of everyone, we ask that all participants in the Monday - Friday swim lessons, adult swim and toddler swim gather their belongings and exit the facility before we reopen for our regular hours of operation. Any participant that paid a daily admission in the morning session that wishes to return, may reenter through the passholder line. We appreciate your understanding.

FAMILY GUEST PASS
As an additional benefit to pool pass holders, each household has the option of adding up to two additional guests to their season pass. Guest passes are unnamed passes attached to the primary household for which the season pass was purchased. The pass may only be used once per day, and the primary household is responsible for the conduct of their guests while in the facility.

POOL RENTALS
Private Pool rentals are available at Highlands Park Aquatic Center on Sunday evenings from 6:30 - 8:30 p.m. Call the Aquatics Manager at (614) 901-6510 for more rental information.

PATIO AND CABANA RENTALS
Call Highlands Park Aquatic Center at (614) 901-6581 for more rental information. Reservations begin May 1 (online only) and June 1 (in-person at HPAC facility). Rental rates DO NOT include pool admission.

FREE RENTALS (PATIO/CABANA)

HISTORIC TOURS OF EVERAL
Join in on a historical journey at Westerville’s Everal Barn and Homestead. Tours will last approximately 45-to-60-minutes depending on the size of the group, and are offered during non-rented times only. Contact the Facility Operations Manager at (614) 901-6549 at least 30 days prior to your date to check availability.
Introducing a new organization to Westerville Parks and Recreation classes. With more than 2,500 of the most innovative classes in the region offered each year, a more efficient setup was necessary to helping pinpoint classes that are of interest, in an easier way. With this new format, you can now search for classes based on activity and age.

**Enhanced Organization**

Class location has not changed much, but the section classes are included in has. Two areas now encompass all classes and are structured in the following way:

<table>
<thead>
<tr>
<th>SPECIALTY CLASSES</th>
<th>ACTIVITIES BY AGE</th>
</tr>
</thead>
<tbody>
<tr>
<td>Aquatics</td>

Swimming Lessons

ADAPTIVE SWIM LESSONS (Ages 3 - 12, Teen class for ages 13 - 18)
Adaptive Aquatics is designed for children and teens with special needs. This program is designed to give individuals an opportunity to experience the benefits of aquatics. With the assistance of aquatic staff, participants will work on enhancing their swimming abilities and comfort level in the water. This is a great opportunity to interact with others and have some fun! Parents may be in the water with their child.

TINY TOT SWIM LESSONS (Ages 6 - 24-months)
The Tiny Tot program is designed to develop the child's comfort level in water and readiness for learning more advanced swimming skills. Parents work one-on-one with their child in the water to learn front kicks, prone glide, underwater exploration, rolling over and holding position.

GOLDFISH SWIM LESSONS (24 months to 4-5 years)
The Goldfish program is designed to develop the child's comfort level in water and readiness for learning more advanced swimming skills. Parents work one-on-one with their child in the water to learn front kicks, prone glide, underwater exploration, rolling over and holding position.

THREE & ME LESSONS (Age 3)
This program acts as a bridge for your children between the parent/child and guppy classes. If your child is still hesitant to be in the water without a parent, this program may help. A parent will be in the water with their child. Children will work on front kicks, bubble blowing, supported floating, and underwater exploration.

GUPPY SWIM LESSONS (Ages 3 - 6)
Children must be comfortable in the water without their parents.
Water Exploration. This class is suitable for children who are beginner swimmers. Children will learn elementary swimming skills for building upon future levels. Objectives include: supported front and back floats, kicking, bubble blowing, alternate arm action and safety skills. Two-year-olds are not allowed in this class. Parents are not in the water with their children.

TADPOLE SWIM LESSONS (Ages 3 - 8)
Primary Skills. Suitable for swimmers who have passed Guppy and/or can meet the prerequisites. Children should be able to submerge for three seconds, float on their back and front with support and do a supported crawl. Objectives include: independent back and front crawl and finning on back. Most students require two or more sessions before completing all objectives.

TURTLE SWIM LESSONS (Ages 4 - 12)
Stroke Readiness. Suitable for students who have passed Tadpole and/or can meet the prerequisites. Children should be comfortable in 3.5' - 4' of water; float on their back and front, independently swim front crawl with arm strokes and kick for five yards. Objectives include: gliding with push off, coordinating components of the front and back crawl, elementary backstroke, treading water, bobbing, basics of diving and more.

DOLPHIN SWIM LESSONS (Ages 4 - 12)
This program bridges the gap between the Turtle class in shallow-water and the Minnow class in deeper water. Skills include floating, treading water, front and back crawl, basics of diving and deep water entry and safety.

MINNOW SWIM LESSONS (Ages 5 - 12)
Stroke Development. Suitable for swimmers who have passed Turtle and/or can meet the prerequisites. Children at this level should be comfortable in deep water; swim front crawl with rhythmic breathing for 20 yards, swim back crawl for 20 yards, tread water for 30 seconds and complete a dive from the seated position. Objectives include: deep water bobbing, rotary breathing, diving from side of pool, building endurance by swimming distances, the basics of breaststroke, side stroke, turning at the wall and more.

PORPOISE SWIM LESSONS (Ages 5 - 12)
Stroke Refinement. For swimmers who have passed Minnow and/or can meet the prerequisites. Children at this level should be comfortable in deep water; swim front crawl with rhythmic breathing for 25 yards, swim back crawl for 25 yards, tread water for one minute and complete a dive from the standing position. Objectives include: alternate breathing, elementary backstroke, dolphin kick, diving from a diving board and more.

SHARK SWIM LESSONS (Ages 6 - 14)
Swimmers should be able to dive into deep water; perform the four basic swim strokes for 15 yards each and tread water for one minute. Objectives will vary according to the student’s needs and level but include: approach and hurdle on diving board, enhancing strokes, butterfly stroke, flip turns, breast and side stroke turns, stroke enhancement, endurance training and diving.

TEEN/ADULT SWIM LESSONS
This class is suitable for teens and adults at the beginner-level. The instructor will develop individual lesson plans for each participant. Participants will gain confidence in their swimming skills and learn safety in and around the water.

HOMESCHOOL SWIM LESSONS
Swim lessons are a great physical education addition for the homeschool curriculum. Children will be divided according to their ages.

FAMILY LESSONS (Ages 3 and up with parents)
The first swim lesson that engages both parents and kids with the full lesson concentrating on actual learning time. Instructors will give a demonstration on a specific skill and parents will work one-on-one with their children with instructor guidance and individual instruction. For families with more than one child, one adult must be working with each child. Each 30-minute class will allow for additional pool time for the parents and kids to practice. Rate is per child, one adult per child.
WE'RE GROWING!
With the Expansion in full swing, some spring class locations may need to be moved.
Visit www.westerville.org/parks for updates on classes that do not have a location listed.

**INFANT AQUATICS 614**

**INSTRUCTOR(S):** Jayne Ackerman, Certified Infant Aquatic Survival Specialist  
**AGE(S):** 6 months and older with adult  
**RATE:** $50  
**DISCOUNTED RESIDENT RATE:** $45

Students learn how to survive drowning risks through survival swimming and self-rescue techniques. Survival floating and the swim-floating-swim sequence are mastered quickly and serve as the foundation for proper stroke development. This progressive program is designed to take students from beginners to advanced swimmers as efficiently as possible. Available one to five days per week. Contact (614) 300-5765 or swim@infantaquatics614.com to schedule lessons. Visit www.InfantAquatics614.com to learn more.

**COLUMBUS SWIM RESCUE**

**INSTRUCTOR(S):** Jennifer Tyson  
**AGE(S):** 6 months - 6 years

Babies 6-to-12-months learn to hold their breath under water, turn onto their backs and float unassisted. Children ages 1-to-6-years old are taught to expand this into a swim-floating-swim sequence. Your child will also learn on how to master the ISR (Instructor-Self-Rescue) technique when fully clothed. Call Jennifer Tyson, Certified ISR Instructor at j.tyson@infantswim.com or (614) 315-7174 to schedule.

**FREESTYLE CLINIC**

**DURATION:** 8 Weeks  
**INSTRUCTOR(S):** Jeanne Smith  
**AGE(S):** 16 & up

Through drills and guided practice you can master a more efficient freestyle. Accommodates both the novice swimmer and experienced athlete. The class is about perfecting form, not logging laps. Must be able to swim at least one length of the pool.

**LIFEGUARD CERTIFICATION COURSE**

**DURATION:** Varies  
**INSTRUCTOR(S):** Aquatics Staff  
**AGE(S):** 15 & up (by last day of course)  
**RATES:**  
**DISCOUNTED RESIDENT RATE:** $40

Participants must successfully pass the following prerequisite skills test on the first day of class: swim 300 yards (12 lengths) continuously utilizing the front crawl and breaststroke and retrieve a 10-pound brick from the bottom of the dive well. To complete the course, participants must be 15 years or older by the last day of class, demonstrate competency in all required skills and scenarios and pass the written exam. Upon completion participants will be certified in Lifeguard training/First Aid and CPR/AED for the professional Rescuer. NO REFUNDS IF YOU CAN NOT PASS THE PREREQUISITE SKILLS. All participants must bring a $35 check made payable to the American Red Cross for payment for certification.

Extended care availability will be listed under each camp description. Extended care is available from 7-8:45 a.m. and/or 4:10-6 p.m. Extended care is $25 per use.

Participant camp placement is determined by the camper age as of the last day camp is offered.

Select camps have a $50 minimum payment per child due for each registered week of camp with the remaining portion due May 1, allowing households the ability to defer their payments over time. All other camps are to be paid-in-full at the time of registration, unless otherwise noted.

Camp fees are based on a full five-day experience and will not be prorated for part-time attendance.

A $25 transaction fee will be processed per week, per child, for every refund issued. All camp refunds must be submitted 30-days before the start of camp.

Proof of residency is required by ALL residents at the beginning of each calendar year. Once provided, residency status will not be required until the following January. For more information, call (614) 901-6500.

ADAPTIVE & INCLUSIVE
Every year in May, Older Americans Month recognizes the contributions of older adults across the nation. This year's theme: Connect, Create, Contribute encourages the older adult community to:

- Connect with friends, family and services that support participation.
- Create by engaging in activities that promote learning, health and personal enrichment.
- Contribute time, talent and life experience to benefit others.

Westerville Parks and Recreation provides many opportunities each quarter that allow the older adult community to relax, learn, meet with friends and stay healthy, following the themes above. Classes and activities in spring include Delay the Disease (pg 80), S.E.L.F. Care Chair (pg 81), Traditional Hatha Yoga (pg 81), Ceramics (pg 83), Creative Lighting Workshop (pg 85), Memoir Writing Group (pg 90), support groups and weekly cards and games and many more throughout the Older Adult section (pgs 79-95).

Also available this May, to celebrate Older Americans Month are two Community Events that include the National Senior Health & Fitness Day and an Open House for new members complete with a tour, sample classes and refreshments included. Additional information can be found on page 28.

Everyone benefits when everyone can participate. Westerville encourages you to connect, create and contribute for stronger and more diverse communities this May and throughout the year.
