Welcome

Welcome to the Westerville Community Recreation Guide, your go-to publication for all things City news and Parks activities.

Summer is almost here and Westerville Parks and Recreation is excited to get up and moving with you! We hope you enjoy exploring the season’s class offerings for the entire family and dreaming up ways to make this your most active season yet.

Within these pages, you’ll also find updates about projects and programs like the Westerville Community Center expansion on pages 4-5, First Responders Park expansion on page 7, 4th of July festivities on page 16 and much more.

It is always our intention to bring you a high-quality Guide with information relevant to your life. If you’d like to see something else included in this publication, or if you notice something we could be doing better, please don’t hesitate to notify Toni Schorling, Community Recreation Guide Editor, at toni.schorling@westerville.org.

Welcome

Water walkers enjoy using the Lazy River at Highlands Park Aquatic Center. Did you know there are extended hours in 2019 with special hours scheduled for Water Walkers? See page 41 for details.

Cover Image: Enjoy summer fun at the Hanby Park (115 E. Park St.) splash pad, open throughout the season.
Swimmers enjoy the existing indoor pool before it closes mid-May for reconstruction.

Work has started on the new entry and lobby of the Community Center. You will soon see temporary walls and front desk during the renovation.

The much-loved former Sprouts room has been cleared and the back wall has been knocked out to expand space and continue construction.
Construction is happening all around the Westerville Community Center, and spring and summer will bring about the most adjustments for space and programming to date.

We greatly appreciate your patience while working around these inconveniences. But you can see the Center's improvements and new features taking shape. The schedule now requires the closure of a few more spaces, but no worries - we have a space or a plan to keep all your activities in motion.

If you want to be one of the last swimmers in the existing indoor pool, you’ll need to come in before May 15. At that time, the pool as we know it will close to prepare for construction of a renovated leisure pool and brand-new warm-water therapy pool at the Community Center.

All pool, Ultimate and 1Pass holders may utilize Highlands Park Aquatic Center (HPAC) at no additional charge. Special hours have been added to the HPAC 2019 season that will accommodate preschool swimming, water walkers, lap-swimmers, aqua aerobics, swim lessons and Otters Swim Team. The general season has also been extended to include limited early season hours beginning May 16 through opening day, May 25 and late season hours from August 13 - September 2. A full list of hours may be found at www.westerville.org/parkshours.

Wayfinding signs will help you find your way around. If you have any trouble, a Parks and Recreation staff member will be happy to assist you.

Childcare remains available on the south end of the Center in Maple Room C for the duration of the project.

Fees will remain unchanged when the new room opens.

The all-new childcare room is expected to open next spring. It will feature enhanced security, more play space, toys and activities so you can ensure you child is safe and happy during your workout.

New, interactive slides (combine gaming with swimming!) and water features are on their way. A warm-water therapy pool will be a completely new addition. The new pool opens with the completed project next spring.

Plan to enter the Community Center from the south/side entrance after April 29. The front entry plaza and lobby will be under construction through the term of the project but will be much improved by next spring’s opening with a new entry (goodbye rotating door), front desk area and plentiful seating.

Childcare remains available on the south end of the Center in Maple Room C for the duration of the project.

Childcare Room Hours:
- Monday-Saturday 8:45 a.m. - 1 p.m.
- Monday-Thursday 4-9 p.m.
- Sunday Closed

Fees will remain unchanged when the new room opens.

Daily Hourly Rates:
- $2.50 per hr./first child
- $1 each additional child in the same family
  (one-hour minimum/two-hour maximum)

Multiple Visit Discount Cards:
- 10-hour discount card for $22.50
- 50-hour discount card for $100
Discount cards are non-refundable and can be purchased at the Front Desk of the Community Center.
Westerville Field of Heroes Returns
"WELCOME HOME"

Field of Heroes has long been a landmark tradition in Westerville, bringing thousands to the City to pay reverence to those who serve our country. Each year, hundreds of volunteers from the Westerville Sunrise Rotary donate countless hours to make this event happen.

The theme for this year’s event is “Welcome Home.” In addition to the flags, the Sunrise Rotary will display letters and videos, a World War II Reader’s Theater will tell local stories and there will be a concert by the Westerville Community Band.

Get the full details about the Field of Heroes at www.fieldofheroes.org.

Here’s a quick take on this patriotic event:

- 3,000 flags will be planted
- 2.5 acres of planted flags
- 6 acres of total event space
- 250 volunteers work together to pull this event together

When the City broke ground on the expansion of First Responders Park, 374 W. Main St. this spring, it marked an important milestone in months of careful planning.

First dedicated in 2010, the park was established to honor all first responders. The space was adorned with “C-40,” a section of steel from the north tower of the World Trade Center that fell during the terrorist attacks on Sept. 11, 2001. A year later, a privately funded sculpture, “The Crossing,” was dedicated at the park in honor of fallen Westerville firefighter David Theisen, who died in 1998 while battling a fire in Crooksville, Ohio.

While the park served the community well as the site of numerous 9/11 Observances and other events, City leaders recognized the need for key improvements to reduce road noise and to increase its capacity. This became ever more apparent after the deaths of Westerville Division of Police (WPD) officers Anthony P. Morelli and Eric Joering in February 2018.

When tragedy struck the community, thousands of people gathered in the City to pay their respects, and the need for a larger, permanent place to honor the City’s first responders was clear.

In the months that followed, a committee of Westerville City leaders, first responders and staff worked with landscape architecture firms POD Design and McGill Smith Punshon (which provided design services free of charge) to thoughtfully envision the transformation of this special park to a place that reflects the new normal of a community forever changed by tragedy.

The expansion of First Responders Park is expected to be complete in October 2019. Find more information about the project at www.westerville.org/frp.
Envisioning a More Accessible Uptown
For All

The Uptown Improvement Project, which includes State Street between Home and Walnut Streets, will improve the heart of Westerville’s compliance with the Americans with Disabilities Act (ADA), creating wider sidewalks that are easier to maneuver for people who use adaptive equipment and have other needs.

“Uptown has evolved over the last hundred years. We are proud of the history this unique district holds, and want to ensure it can be enjoyed by all, including individuals who need more space to move about the City,” said Westerville City Manager David Collinsworth.

In addition to bringing sidewalks to compliance, other improvements were thoughtfully planned to help ensure the continued safety and vitality of Uptown. These include the installation of bump outs on the north side of the Westerville Division of Police (WPD) drive, east and west sides of the City Hall crosswalk, plus one at the Westerville Public Library/West Plum Street crossing with a pedestrian-activated flasher.

This project is expected to begin in August. In the meantime, Columbia Gas intends to replace a low-pressure gas line, located beneath the State Street pavement, with medium-pressure service and to relocate meters to the side or rear of the building (at the City’s request). That work is expected to begin in June.

The City has worked with Columbia Gas to create a construction schedule that allows both projects to move forward while reducing the impact to merchants, parking, project costs and timelines. Find the schedule at www.westerville.org/uptown.
SPRING ROAD RECONSTRUCTION

The much-anticipated second, and final, phase of the Spring Road Reconstruction project is underway.

This phase of improvements covers Spring Road, between East Schrock Road and East Walnut Street, and includes enhanced pedestrian crossings, pavement reconstruction, new curbing and upgraded storm water controls/treatment.

Phase II is funded in part by a $500,000 grant through the Ohio Public Works Commission.

The first phase of the project, Spring Road from East Schrock Road to Huber Village Boulevard, was completed in September 2017.

You can find the most up-to-date information about this project on the GoWesterville interactive map at www.westerville.org/construction.

DHL’S NEW NORTH AMERICAN HEADQUARTERS

BY THE NUMBERS

DHL’s decision to build its new North American headquarters in Westar Place was exciting news because it signaled another major commitment to and an investment in the community.

The company, which has had a presence in Westerville since 1991, cited its collaborative relationship with the community as a primary reason they wanted to remain in Westerville. Additionally, the City’s location is hard to beat for DHL, putting them within a 10-hour drive of 46% of the nation’s population.

The building is expected to be complete in December and will feature collaborative workspaces, outdoor seating, walkway and connection to Westerville’s 51 miles of recreation trails.

Westerville is “on a roll” with the deployment of new recycling carts this spring. With a larger capacity and features that make them easier to maneuver (wheels, a handle and an attached lid), it’s never been easier to recycle in Westerville.

However, if you find yourself tossing any old thing in the recycling with the hope that it will end up in the right place (sometimes referred to as “wish-cycling”), you could be hurting the process more than you help. When unrecyclable items find their way into equipment, they can cause a clog in the system. For example, “tanglers” like cords, ribbon and shoelaces can become stuck in machinery and force operations to shut down while workers untangle the items from equipment.

Don’t worry, recycling the correct way is not a complicated process. Follow this handy guide from the Solid Waste Authority of Central Ohio (SWACO). Want to learn more? Visit www.westerville.org/recycling.

When Westerville businesses invest in green technology, the whole community wins. Not only can these programs support the reduction of harmful emissions, they can help reduce future energy costs by keeping usage low during peak times.

The Westerville Electric Division has historically been a hub of sustainable innovation in the City. From the Nest Rush Hour Rewards program to its popular businessWISE offerings, the Division offers programs that encourage energy conservation. This year, they have introduced two new opportunities aimed to help the Westerville business community better serve their customers through green innovation.

Next, Westerville Electric launched a Commercial Solar Rebate Program. The City is offering an incentive rate of $.10 per Watt (AC) up to $10,000. That could offset up to 5% of project costs for systems of 100 kW or less. This program is currently available to Westerville businesses served by the Electric Division.

The “PowerUp” program offers electric vehicle supply equipment rebates to help increase the availability of electric vehicle charging stations within the community including the office workplace, retail, hotel, institutional, industrial and multi-family properties. This program is not currently offered to single family residential property owners.

For more information about these initiatives, visit www.westerville.org/electric and select “programs.”

From the daily delivery of outstanding customer service to their willingness to travel far distances to help communities in need and beyond, the men and women of the Westerville Electric Division have always been sources of pride for the City.

The City’s lineworkers are skilled experts in their field, earning top honors on the national stage. Most recently, Westerville lineman Curtis Blaze earned first place overall in the Apprentice category at the 2019 Public Power Lineworkers Rodeo in Colorado Springs. He earned a perfect score in every challenge, including a written exam.

The Rodeo is the leading event where more than 50 journeyman and 100 apprentice lineworkers from public power providers across the nation gather to take part in training opportunities and competition.

Learn more about the Westerville Electric Division, visit www.westerville.org/electric.
Jeff Hartnell and Mike Townsley were selected as Westerville Champions in recognition of their outstanding impact on the community at the 2019 State of the Community event in March. The program elects those who go above and beyond to improve the quality of life in the City. To be eligible for this recognition, residents must be a visionary and community role model, demonstrate exemplary leadership in the Westerville community, have forever changed or improved the community, created a lasting impression that is evident in future generations and/or significantly impacted local history and quality of life.

JEFF HARTNELL was born a leader and raised his hand in service throughout his life. He loved Westerville, arguably more than he loved his alma mater Michigan State. His contributions helped lead to a renaissance in Uptown Westerville, which we all enjoy today. In fact, if you’ve ever attended a 4th Friday, thank Jeff. The popular event did not exist until he brought the concept to life.

As Executive Director of the Westerville Visitors and Convention Bureau, Jeff transformed Uptown once a month from April to September, increasing visibility, vendor participation and community attendance, which catapulted from 800 to 11,000 and ultimately led to a closure of State Street to accommodate the popularity of the event.

Jeff shared his love for introducing Westerville to visitors with anyone, anywhere, anytime. His pride for our community was evident in his involvement in multiple charity events, like Honor Flight, and working with young athletes as a mentor and coach.

MIKE TOWNSLEY was an advocate and an ardent volunteer for all things Westerville. He graciously gave of his knowledge as a Certified Public Accountant and experience to assist many community organizations.

A member of the Westerville Area Chamber of Commerce (since 1991), Mike served as the organization’s Secretary/Treasurer for 11 years. He also served the City as the Treasurer for Issue 54, a successful tax levy campaign which helped place Westerville in excellent financial position while providing critically needed funds for rehabilitation and improvement of the City’s infrastructure.

Mike was a member of the 2010 Charter Review Commission, and a founding Board member of the Westerville-Blendon Township JEDZ. In this role, he helped the JEDZ Board establish its financial guiding principles and policies as well as prepared its annual budgets, submitted its annual filings and set up the required banking accounts.

Described as a “dedicated and most dependable volunteer,” Mike enjoyed attending the Westerville Tree Lighting, the Chamber’s Evening of Elegance and could be counted on to help set up and tear down the Music & Arts Festival as a volunteer.

Jeff and Mike were the 10th and 11th Champion honorees, respectively. To learn more about the program, including how you can nominate a community member for the program, visit www.westerville.org/champions.
Westerville’s Volunteers of the Year
Chaplain Corp

Reverends James Meacham, David Hogg, Dave Murdoch, Danny Lambert and Jonathan Bull were named the 2018 Volunteers of the Year for their work above and beyond the call of duty during a time of unimaginable sorrow.

The Westerville Chaplain Corps was established to integrate clergy of various faiths into Westerville’s public safety agencies. Last year, these five men of faith had the monumental task of helping to manage the force of an emotional shock wave that impacted thousands after the tragic deaths of Westerville Division of Police officers Anthony P. Morelli and Eric Joering on Feb. 10.

From those who came to the makeshift memorial at Westerville City Hall to grieve, to those who attended one of many vigils, Westerville’s Chaplains held a steady presence and spoke words of hope and healing. They prayed with families and strangers alike, uniting the community in a spirit of resiliency.

VOLUNTEER OF THE YEAR NOMINATIONS
Do you know someone who gives selflessly throughout the year to help make life better in Westerville? You can now nominate them for Volunteer of the Year. This individual will be recognized for service in 2019 at the 2020 State of the Community. Look for more information at www.westerville.org.

The Westerville Division of Police (WPD) and the Center for Family Safety and Healing are partnering to help parents and guardians protect children in this digital world.

In March, WPD officer Matthew Ware and Caitlyn Tully from the Center partnered to discuss how parents and guardians can help children navigate technology safely at a Community Forum.

Today, a mobile phone is never far from its owner and a person’s social media persona seems to outweigh in-person interactions; today’s teenagers are connected in a way that their parents could have never imagined through text messaging, social media and innumerable mobile applications. The improper use of technology (harassment, sending inappropriate photos) can result in long-term social consequences and even criminal charges.

“Kids today are digital natives, they have always had technology. They know it better than we do in most instances,” said Officer Ware. Officer Ware and Tully agree that parents and guardians need not be afraid of emerging technology, but should take an active interest in it and create an open dialogue with youths about safety.

“Technology is here to stay, we are not going to go back in time,” said Ware. “We need to embrace it and have open conversations about the correct way to use technology and the potential consequences of improper use.”

With this boost in connectivity comes access to information and positive interaction, but also has its risks. A study of high schoolers by the U.S. Centers for Disease Control and Prevention found that nearly 15% of respondents reported being bullied electronically in the past 12 months.

“I refer to it as ‘keyboard courage.’ This is where kids have conversations over various apps without fear from a direct interaction, which sometimes creates an escalated or aggravated situation the next time they see each other,” said Ware.

Many savvy parents employ the use of parental control apps which give them access to a child’s phone activity. However, Tully encourages parents to focus on empowerment through education, rather than control. She cites research from the University of Central Florida which found that teens whose parents utilize parental control apps are more likely to experience online risks. She echoes Officer Ware’s advice about keeping the lines of communication open.

“We know that when parents are involved, teens have fewer issues with friends and less online harassment,” said Tully.

In addition to bullying and harassment, Officer Ware says even the most basic app functions, such as adding friends or followers, can pose significant safety risks. He finds one common pitfall of teens with technology is the act of “friending” everyone who sends a request, even if they don’t know them in real life. This gives potential strangers access to a bevy of identifying information.

“Devices or apps may automatically log a teen’s location. This is because many apps require “Location Services” to be set to “on.” Apps may request limited access to location data (only when someone is using the app) or full access (even when they are not using the app),” said Tully. “Take Snapchat, for example. If a user has their location setting on, any of their Snapchat friends can see their pinpoint location on the Snapchat Map.”

For the parent or guardian looking to learn more about what their teens may be encountering online, Tully encourages the Common Sense Media’s resources at www.commonseensmedia.org. For more information about online safety, visit The Center for Family Safety and Healing at www.familysafetyandhealing.org.
The Westerville Divisions of Police (WPD) and Fire (WFD) are leveraging cutting-edge technology to help improve emergency response and planning.

In late April, the Divisions received two drones, the DJI-brand Matrice 210 and Mavic Pro. Bringing the technology to the City was nearly a year and a half in the making.

“A group of officers and firefighters have worked very hard to make sure we made the best decisions possible for the equipment we were purchasing and making sure we follow all applicable Federal Aviation Administration (FAA) rules and regulations,” said WPD Corporal Justin Alloway, who was integrally involved in the process. “We wanted to make sure, as we venture into an area of new technology, that it’s done the right way and not the quick way.”

An approximately $37,000 investment, the drones will provide a multitude of public safety benefits for the community.

“This technology allows us to do some things we have not been able to do, such as providing aerial views of buildings under construction, 360-degree views of buildings for origin and cause investigations after fires, locate fires in buildings with the FLIR (Forward-Looking Infrared) camera during active fires and overhaul of buildings post-fire. It also gives us the ability to search large areas via the air for missing persons and provides us additional views of properties for emergency planning,” said Chief Fire Marshal David Williams.

Additionally, the drones will provide a live feed to the City’s Emergency Operations Center (EOC) in the event of natural or manmade disasters. This will allow the incident commander and City leaders to make fast and well-informed decisions about long and short term operations.

As a secondary use, the technology may be used in service to other City departments for photography needs. However, Westerville Fire Chief Brian Miller emphasizes that the drones will only be flown by trained pilots, in accordance with FAA regulations. He says a number of Westerville officers and firefighters have taken months of classes to obtain their pilot’s licenses through the FAA, as well as certifications through the Federal Emergency Management Agency.

“We won’t be flying these drones around randomly, we will have policies and procedures in place for each use case,” Chief Miller said.

Chief Miller says it is important for residents to be aware of the new technology and its benefits. Westerville firefighters and police officers will have the drones on display at 4th Friday events.

“Our goal is to socialize this with the community so they’re aware of it. We don’t want it to be a surprise that we have this new equipment,” said Miller.

July is Parks and Recreation Month

When you live in a “City within a Park” like Westerville, any day can hold an opportunity to play. Residents will see even more chances for fun in July for Parks and Recreation Month, with the theme, “Game On!”

Founded by the National Recreation and Park Association (NRPA), Parks and Recreation Month is held annually to help encourage residents to take advantage of the recreation opportunities around them.

Here’s what Westerville Parks and Recreation has in store:

Summer is here and the weather is great for a bike ride on the many trails around the City. While you are out, why not take a tour of some of the many sculptures around Westerville? Two tours have been created from which you may choose.

**Not a bicycle rider?** There is also a walking tour through the Uptown District. Snap a photo of each sculpture and tag #westervillearts.
With 51-miles of recreational trails to explore, Westerville is the perfect place to cruise on your favorite two-wheeled mode of transportation. Nothing can put a damper on the fun like an injury, so be sure to stay safe with these tips:

**WEAR YOUR PROTECTIVE GEAR**
This life-saving attire is a must. Properly fitted bike helmets can reduce the risk of serious head and brain injuries.

**KNOW WHERE YOU CAN AND CANNOT RIDE**
Recreational trails, roadways along the sharrow systems and normal roadways are all fair game. If you are riding along a road without a marked bike lane, stay as far as you can safely on the right side of the roadway.

**FOLLOW THE RULES AND COMMUNICATE**
Remember to move with traffic, stop at all stop signs/lights and communicate your intentions with universal hand signals. When moving along recreational trails, be sure to voice your intentions when passing other people.

Want more? Watch the “Bike Safe” video series on Westerville TV, www.westerville.org/tv.

Registration Information

REGISTRATION DATES

Friday, May 17 - Noon - Online Early Registration (Residents Only)
Saturday, May 18 - 8 a.m. - In-person Registration (Residents Only)
Sunday, May 19 - Noon - Online Open Registration (Residents and Non-Residents)
Monday, May 20 - 8 a.m. - In-person Open Registration (Residents and Non-Residents)

HOW TO UPDATE YOUR RESIDENCY STATUS WITH WESTERVILLE PARKS AND RECREATION AND UTILITY BILLING:

Contact Utility Billing at (614) 901-6430 or askutilitybilling@westerville.org to ensure your phone number is current.

Contact Parks and Recreation at (614) 901-6500 or parksandrec@westerville.org to confirm the phone number associated with your Utility Billing account and Parks and Recreation account are the same.

Once the phone number tied to the two departments are identical, you will no longer need to provide proof of residency and will receive resident rates when registering for programs with Parks and Recreation.

Make sure to keep both departments updated with address and contact information changes to ensure this will continue in the future.

For detailed information, call (614) 901-6500.

The Westerville Parks & Recreation Department is pleased to offer online registration for classes, programs and shelters. Online registration streamlines the process of registering by eliminating the need to wait in long lines on registration day.

Any household that has previously participated in a Parks and Recreation program, pass, or facility reservation may already have an online account.

Those wanting to sign up for the first time will need to create an account through our online registration site www.westerville.org/registration. Click “Create an Account” and follow the prompts.

Proof of residency is required in order to be eligible for the discounted resident rates.

With your active online account, you will be able to view class information, process registration and reservations, make secure credit card payments and view class enrollment counts from your home or office 24 hours a day! You can even make changes to your household and member’s information–fast, easy and secure. User name/passwords and household information can be changed once you log in. Click on “My Accounts.”

[Online Registration Instructions]

1. Visit www.westerville.org/registration
2. Enter ‘User Name:’ (we set it up as your home phone number with area code as a complete string, no hyphens or spaces). Parks and Recreation sets up a DEFAULT user name (#3 password same as #2)
3. Enter ‘Password:’ (Parks and Recreation sets up a default password)
4. Click ‘Registered Users Sign In’
5. At the top of the screen, select from one of the options listed based on what you intend on doing or use the search criteria to search for options.
6. When finished, it’s important to click “Logout” in the upper right side of your screen. If you don’t, your computer will remain logged in even after you shut down.

Visit the Westerville Community Center during the hours listed on page 35. Participants may register for ONE additional household other than their own during the registration process. Resident restrictions still apply. Senior Center members may register online or at the Community Center on Saturday and the Senior Center on Monday.

ONLINE

IN PERSON
POLICIES & PROCEDURES

Fair Share Policy
The City of Westerville Parks and Recreation Department is largely financed through City Income Tax dollars. Therefore, to be considered a “Resident” in our registration process, you must live or work full time within the corporate City Limits of Westerville or be a spouse or child of such person. “Non-resident” applies to all others. Even though you may have a Westerville mailing address or live within the school district, you may not live within the Westerville City Limits. We ask for your understanding when registering.

Resident/Non-resident Rates
To receive discounted resident rates, Westerville residents will be required to present identification such as a valid driver’s license, photo ID card, utility bill or pay with a check with an address printed by the bank. Individuals employed full time in the Westerville City Limits will need to provide proof of employment on company letterhead with the signature of the personnel director or president or a current paycheck with their employer’s name and address along with a valid driver’s license. If a household has been granted residency status due to providing proof of Westerville income tax withholding and it is later revealed that a full refund of these taxes occurred, the City of Westerville reserves the right to collect the difference between the resident fee paid originally and the non-resident fee. A $35 resident ID card may be purchased for registration and admission convenience.

Non-resident Fee Policy
The non-resident fee is an additional $5 to any program $20 or less and $10 for any program more than $20 and less than $60 and $15 for any program $60 or more.

Payment By Check
Checks should be made payable to the “City of Westerville.” There will be a $31 service fee for all checks not honored for any reason by any bank.

Financial Assistance
Financial assistance for Parks and Recreation programming is available through the City of Westerville. Information may be found at www.westerville.org.

Photo/Video Release Policy
By registering for any Westerville Parks and Recreation program, you agree to allow publication of photos/videos taken at any program, event or facility associated with the City of Westerville Parks and Recreation Department.

Age Policy
Children nine and under must be accompanied by an adult at all times while in the Community Center.

Smoking Policy
In accordance with City of Westerville Ordinance 2018-19, all indoor and outdoor public park spaces are smoke-free.

Access to All Americans with Disabilities Act
This landmark civil rights legislation went into effect Jan. 26, 1992. It is a significant step forward to make our society’s services and opportunities fully available to all Americans by combating barriers and prejudices that confront those of us with disabilities. The City of Westerville is committed to implementing the intent and spirit of this legislation. Those who may need assistance in order to enjoy our programs should contact the Administrative Office at (614) 901-6500 at least two weeks in advance of the program to discuss any necessary accommodations. TDD line: (614) 901-6413.

Persons with disabilities are invited to participate in all programs offered through the Westerville Parks and Recreation Department. When registering for a program, we ask that participants requiring special assistance mark the designated box on the registration form or add a note to your class when registering online.

Pass Cancellation Policy
Community Center passes purchased using the ACH method of payment, authorizing a once-a-month debit from a checking or savings account, are monthly passes with no expiration date. The pass can be canceled anytime, for any reason. A Pass Cancellation Form must be filled out and returned to the Westerville Community Center front desk or filled out online at least five business days prior to the 15th of the month. A Pass Cancellation Form received less than five business days prior to the 15th could result in a debit to your account.

All other passes purchased with payment-in-full will be active for one year from the date of purchase or good for one season (Highlands Park Aquatic Center). The pass can be canceled anytime, for any reason. A Pass Cancellation Form must be filled out and returned to the Parks and Recreation Department or filled out online. A pro-rated refund, minus a $30 service charge, will be returned within three-four weeks.

Proof of Residing
Proof of residing is required of each household member ages 6 and older wishing to purchase a monthly or annual household pass at the Westerville Community Center or a seasonal pass at the Highlands Park Aquatic Center. Types of proof may include a state issued ID, pay stub, utility bill or report card/school registration. Proof of residing is required each time a new person is added to the pass.

Notice to Participants
Participants must recognize that all classes/activities of a physical nature involve some risk and by registering for a class/activity of this nature there is an assumption of risk by the participant. The City of Westerville Parks and Recreation Department is dedicated to providing safe facilities and equipment as well as qualified staff for all participants. Every effort is made to ensure participant safety and to provide first-class recreational activities, facilities and parks. In the event of a serious accident or illness, it is the policy of the City of Westerville to: (1) contact the Westerville Fire Department Paramedics to perform first aid and, when necessary, recommend transport of the victim to the hospital; (2) reach the parent, guardian or emergency contact as soon as the situation allows.

Cell Phone Policy
The use of cell phones in any City of Westerville Parks and Recreation Restroom, Locker Room, Fitness Area or Pool is not permitted.

Program Refund Policy
If a class is canceled or closed, you will receive a full refund in the form of a check or credit refund (must be on credit card used.) There will be no cash refunds. Refunds take approximately three weeks to process.

REFUND BEFORE THE CLASS BEGINS
Refunds will be made only before the start of the class for one of the following circumstances and a $5 transaction fee will apply:

• When the refund is requested at least seven (7) days in advance (except where otherwise noted) of the first class meeting provided it does not reduce the participation level below the required minimum.

• When documentation is presented for an approved hardship situation.

REFUNDS AFTER THE CLASS BEGINS
• Refunds will be made only when documentation is presented for an approved hardship situation.

CUSTOMER SATISFACTION GUARANTEE POLICY
In the event you are not satisfied with a program or service, The Westerville Parks & Recreation Department shall offer the following options:

• Repeat the program at no charge - or
• Receive a gift card that can be applied to any other program - or
• Receive a refund (processing takes approximately two weeks.)

NOTE: Adult sports leagues, camps, trips, consumable program supplies, daily admissions, annual passes, facility rentals, special events or tickets to certain events are exempt from the Satisfaction Guarantee.

Camp Refund Policy
Camp refund policy will be as follows: A $25 transaction fee will be processed per week, per child for every refund issued. All camp refunds must be submitted 30 days before the start of the camp session the household is looking to get refunded for. For more information, call the Program Supervisor at (614) 901-6566.

Cancellation of Activities
Due to Inclement Weather
All daytime (before 5 p.m.) programs will be canceled when Westerville Schools are closed due to inclement weather. Cancellation of evening programs (after 5 p.m.) will be determined by 4 p.m. On Saturdays, information will be available on daytime classes beginning at 8 a.m. and on evening classes beginning at 4 p.m. The Department will issue cancellation announcements on WBNS 10-TV and radio stations 94.7 FM and 610 AM. Information will also be available on the SPORTS/INCLEMENT WEATHER HOTLINE.

Due to Low Enrollment
The City of Westerville Parks and Recreation Department reserves the right to cancel classes due to low enrollment.

### ZENITH CLIMBING WALL

The 27-foot climbing wall is constructed of fiberglass-reinforced concrete and has the look and feel of actual rock. A full-length crack and nine top rope routes, including four auto belay units, allow climbers to test their skills on pitches ranging from a beginner’s slope to an overhanging 5.10+.

The Highlands Park Aquatic Center has something for everyone and features a speed and body slide tower, a zero-entry toddler pool with a simulated-rock slide, a spray playground, lazy river and eight-lane, 25-meter pool with diving well. Also available are patio and cabana rentals, a concession stand and family restrooms.

**HIGHLANDS PARK AQUATIC CENTER CLOSURE POLICY**

In an effort to ensure the safety and security of everyone, we ask that all participants in the Monday - Friday swim lessons, adult swim and toddler swim gather their belongings and exit the facility before we reopen for our regular hours of operation. Any participant that paid a daily admission in the morning session that wishes to return, may reenter through the passholder line. We appreciate your understanding.

**FAMILY GUEST PASS**

As an additional benefit to pool pass holders, each household has the option of adding up to two additional guests to their season pass. Guest passes are unnamed passes attached to the primary household for which the season pass was purchased. The pass may only be used once per day, and the primary household is responsible for the conduct of their guests while in the facility.

**POOL RENTALS**

Private Pool rentals are available at Highlands Park Aquatic Center on Sunday evenings from 6:30 - 8:30 p.m. Call the Aquatics Manager at (614) 901-6510 for more rental information.

**PATIO AND CABANA RENTALS**

Call Highlands Park Aquatic Center at (614) 901-6581 for more rental information. Reservations begin May 1 (online only) and June 1 (in-person at HPAC facility). Rental rates DO NOT include pool admission.

**FREE RENTALS (PATIO/CABANA)**

Free Rentals for season passholders - restrictions apply. Please see [www.westerville.org/aquatics](http://www.westerville.org/aquatics) or HPAC front desk for details.

For weather related information regarding programs, please call (614) 901-SWIM (7946).
The Community Center offers many options for room rentals. The multipurpose rooms located at the south end of the building host numerous classes and special events and are popular rental spaces. They can be reserved as one 3,515 room or be separated into three smaller rooms and rented individually. The flexibility of the space can accommodate any event, from wedding receptions to corporate meetings.

HISTORIC TOURS OF EVERAL
Join in on a historical journey at Westerville’s Everal Barn and Homestead. Tours will last approximately 45-to-60-minutes depending on the size of the group, and are offered during non-rented times only. Contact the Facility Operations Manager at (614) 901-6549 at least 30 days prior to your date to check availability.
When the City’s indoor pool areas close on May 16, all Community Center pool, Ultimate and 1Pass holders may access to Highlands Park Aquatic Center (HPAC), located at 245 S. Spring Rd.

With the park swimming with extra activity, it’s important to consider healthy and safe swimming practices. Here are some tips to consider this summer:

**HAVE A RINSE BEFORE YOU TAKE A DIP**
The Center for Disease Control encourages swimmers to rinse off in a shower for one minute before entering a pool to prevent tracking any outside substances into the water.

**NEVER LEAVE CHILDREN UNATTENDED NEAR THE WATER**
According to the U.S. Consumer Product Safety Commission (CPSC), drowning is the top cause of unintentional deaths in children ages 1-4.

**SICK SWIMMERS SHOULD STAY HOME**
Swim diaper or not, a child who is sick with diarrhea should stay out of the water to avoid contamination.

Learn more about the facility at [www.westerville.org/HPAC](http://www.westerville.org/HPAC).

Have you heard? May 20-26 is Healthy and Safe Swimming Week! Learn more at [www.cdc.gov/healthywater](http://www.cdc.gov/healthywater).

Swimming Lessons

ADAPTIVE SWIM LESSONS (Ages 3-12)
Adaptive Aquatics is designed for children and teens with special needs. This program is designed to give individuals an opportunity to experience the benefits of aquatics. With the assistance of aquatic staff, participants will work on enhancing their swimming abilities and comfort level in the water. This is a great opportunity to interact with others and have some fun. Parents may be in the water with their child.

TINY TOT SWIM LESSONS (Ages 6-24-months)
The Tiny Tot program is designed to develop the child’s comfort level in water and readiness for learning more advanced swimming skills. Parents work one-on-one with their child in the water to learn front kicks, prone glide, underwater exploration, rolling over and holding position.

GOLDFISH SWIM LESSONS (24 months to 4-5 years)
The Goldfish program is designed to develop the child’s comfort level in water and readiness for learning more advanced swimming skills. Parents work one-on-one with their child in the water to learn front kicks, prone glide, underwater exploration, rolling over and holding position.

THREE & ME LESSONS (Age 3)
This program acts as a bridge for your children between the parent/child and guppy classes. If your child is still hesitant to be in the water without a parent, this program may help. A parent will be in the water with their child. Children will work on front kicks, bubble blowing, supported floating and underwater exploration.

GUPPY SWIM LESSONS (Ages 3-6)
Children must be comfortable in the water without their parents.
Water Exploration. This class is suitable for children who are beginner swimmers. Children will learn elementary swimming skills for building upon future levels. Objectives include: supported front and back floats, kicking, bubble blowing, alternate arm action and safety skills. Two-year-olds are not allowed in this class. Parents are not in the water with their children.

TADPOLE SWIM LESSONS (Ages 3-8)
Primary Skills. Suitable for swimmers who have passed Guppy and/or can meet the prerequisites. Children should be able to submerge for three seconds, float on their back and front with support and do a supported crawl. Objectives include: independent back and front crawl and finning on back. Most students require two or more sessions before completing all objectives.

TURTLE SWIM LESSONS (Ages 4-12)
Stroke Readiness. Suitable for students who have passed Tadpole and/or can meet the prerequisites. Children should be comfortable in 3.5’ - 4’ of water, float on their back and front independently, swim front crawl with arm strokes and kick for five yards. Objectives include: gliding with push off, coordinating components of the front and back crawl, elementary backstroke, treading water, bobbing, basics of diving and more.

DOLPHIN SWIM LESSONS (Ages 4-12)
This program bridges the gap between the Turtle class in shallow-water and the Minnow class in deeper water. Skills include floating, treading water, front and back crawl, basics of diving and deep water entry and safety.

MINNOW SWIM LESSONS (Ages 5-12)
Stroke Development. Suitable for swimmers who have passed Turtle and/or can meet the prerequisites. Children at this level should be comfortable in deep water, swim front crawl with rhythmic breathing for 20 yards, swim back crawl for 20 yards, tread water for 30 seconds and complete a dive from the seated position. Objectives include: deep water bobbing, rotary breathing, diving from side of pool, building endurance by swimming distances, the basics of breaststroke, side stroke, turning at the wall and more.

PORPOISE SWIM LESSONS (Ages 5-12)
Stroke Refinement. For swimmers who have passed Minnow and/or can meet the prerequisites. Children at this level should be comfortable in deep water, swim front crawl with rhythmic breathing for 25 yards, swim back crawl for 25 yards, tread water for one minute and complete a dive from the standing position. Objectives include: alternate breathing, elementary backstroke, dolphin kick, diving from a diving board and more.

SHARK SWIM LESSONS (Ages 6-14)
Swimmers should be able to dive into deep water, perform the four basic swim strokes for 15 yards each and tread water for one minute. Objectives will vary according to the student’s needs and level but include: approach and hurdle on diving board, enhancing strokes, butterfly stroke, flip turns, breast and side stroke turns, stroke enhancement, endurance training and diving.

TEEN/ADULT SWIM LESSONS
This class is suitable for teens and adults at the beginner-level. The instructor will develop individual lesson plans for each participant. Participants will gain confidence in their swimming skills and learn safety in and around the water.

INFANT AQUATICS 614
INSTRUCTOR(S): Jayne Ackerman, Certified Infant Aquatic Survival Specialist
AGE(S): 6 months and older
Students learn how to survive drowning risks through survival swimming and self-rescue techniques. Survival floating and the swim-float-swim sequence are mastered quickly and serve as the foundation for proper stroke development. This progressive program is designed to take students from beginners to advanced swimmers as efficiently as possible. Available one to five days per week. Contact (614) 300-5765 or swim@infantaquatics614.com to schedule lessons. Visit www.InfantAquatics614.com to learn more.

Day Camps

Camp registration is open.

**IMPORTANT INFORMATION**

Extended care availability will be listed under each camp description. Extended care is available from 7:45 a.m. and/or 4:10-6 p.m. Extended care is $2.50 per use.

Participant camp placement is determined by the camper age as of the last day camp is offered.

Camps fees are based on a full five-day experience and will not be prorated for part-time attendance.

A $25 transaction fee will be processed per week, per child, for every refund issued. All camp refunds must be submitted 30-days before the start of camp.

Proof of residency is required by ALL residents at the beginning of each calendar year. Once provided, residency status will not be required until the following January.

For more information, call (614) 901-6500.

Beginning with summer registration, Westerville Senior Center members will have added benefits to keeping their membership current. Not only will members, both resident and non-resident be offered priority registration for Senior Center classes and events, they will also have access to the following:

- Free use of the Community Center track Monday - Saturday from 8-9:30 a.m.
- One free lunch at the Senior Center for the month of their birthday
- Special membership rates for classes in the Older Adult section of the guide

Priority Registration for members for summer classes will be Thursday, May 16 beginning at 12 p.m. online or in-person at the Westerville Senior Center only. Each quarter will follow this format with Senior Center member registration happening the Thursday before regular registration begins. It is important to note that members may not register at the Community Center on the special member registration date.

Also starting in summer are new opportunities for all older adults ages 55 and better, both resident or non-resident. These individuals can now register for any class in the Older Adult section of the guide that is not labeled Senior Center member. The rate for those not currently members of the Senior Center will be slightly higher and registration will be available during regular registration.
