10 YEARS OF BUNNY HOP 5K

Introducing Westerville Helps
Page 4-5
Welcome

Some exciting changes are headed to the Westerville Community Recreation Guide this year and next. Midsummer, residents will receive a bonus guide between the spring and fall issue. This special edition will have more content and a few new classes and programs to consider with the grand re-opening of the Westerville Community Center.

In 2021, this publication will be appearing in your mailbox on a bi-monthly (every other month) basis. Because residents will receive two more publications each year directly from the City, we will be discontinuing the “City Reporter” pages in the Westerville Magazine, which is published by CityScene Media. Westerville Magazine will remain in production by CityScene.

We look forward to the opportunity to present more information about City programs, events and special services along with expanded health, fitness and recreational programming. Contact us at communityaffairs@westerville.org with questions.

WESTERVILLE PARKS AND RECREATION
42 Information
53 Classes
The City of Westerville has expanded a financial assistance program that has long existed in Parks & Recreation for reduced or waived program fees to other public services, including utility bills, sidewalk maintenance and home improvements. Westerville Helps will now house all financial assistance opportunities for residents in need.

Residents who are located inside city limits and meet certain household income criteria may apply for one of several programs to help manage financial hardship. Westerville Helps was developed to reinvest some funding back into the community for public aid in certain categories.

**PARKS & RECREATION**
An assistance program has been in place for reduced or waived fees with Parks & Recreation programming since the 1980s. Managed by the Westerville Parks Foundation, eligible uses of financial assistance include registration fees, daily passes, classes and recreation facility passes.

The Foundation raises funds annually (primarily through the Bunny Hop 5K) to support the program, which is available to residents via an application process. In this category, Federal Poverty Income Guidelines for the National School Lunch Program determine eligibility.

**UTILITY BILLING**
This part of the Westerville Helps is entirely unique, because it is based on the generosity of the community. The source of funding in this category is generated by a $1 opt-in donation elected by existing customers.

The City bills an average of 17,200 accounts each month. Of these, 80 accounts reach the shut-off point each month – which means no payment has been received for 60 days.

The Utility Billing office does not shut off utilities in extreme winter weather conditions (below 32 degrees) and will make payment arrangements for any customer – preferably prior to shut-off day. Westerville Helps offers another option to residents who may be unable to make the electric portion of their utility payment.

The program offers eligible and approved residents a maximum $500 credit per year, which can be used at one time or over several months. Residents must meet the Federal Poverty Guidelines for the National School Lunch Program to apply.

**SIDEWALK MAINTENANCE**
One of two programs offered for home maintenance and improvement aid, Westerville Helps provides a category to assist with public sidewalk repairs.

Property owners are required to maintain the sidewalk abutting their property. While many municipal programs provide 30-days notice to homeowners to make repairs, Westerville’s program has been more accommodating. As an option, a homeowner may choose to have the City make the repairs and provide reimbursement upon receipt of an invoice, or may make repayment over a five-year period with no interest (as a property tax assessment).

The cost associated with making sidewalks ADA-compliant is borne by the City. With the passage of the 2% income tax levy and recognizing the significant loss of street tree canopy, the City made another sidewalk policy revision by accepting the financial responsibility of making repairs to any sidewalks damaged by tree roots beginning in 2009. In 2018, Westerville City Council agreed to make repairs/replace all sidewalks at the end of the current program cycle – accelerated and scheduled to occur in 2021.

Until that time, Westerville Helps will provide a credit to eligible property owners of up to 50% of the sidewalk replacement costs up to a maximum of $1,500. See eligibility requirements in the table on the next page.

HOME IMPROVEMENTS
Aging and unkempt homes, particularly those owned by individuals who are unable to maintain their properties due to physical, financial or other hardships, are common complaints received by the Code Enforcement division. In the past, staff has worked with a variety of nonprofit organizations, family members, churches and more to help guide homeowners to resources after code complaints. This program aims to address problems to the exterior of homes before reaching enforcement processes.

Eligible property owners would be able to receive reimbursement of renovation expenses up to 50% of a $10,000 exterior home remodeling project (maximum reimbursement is $5,000). Qualifying reimbursements include windows, doors, porch and/or patio remodeling and construction, siding, landscaping, lighting, handicap ramps, and exterior painting.

Reimbursement Eligibility
To be eligible for reimbursement, the following conditions must exist:

- Home is located within the City of Westerville limits
- Home is single-family, owner-occupied
- Resident must have lived in the residence for a minimum of twelve (12) months prior to submittal of application
- Resident must live in the home for at least five years post project or the grant (or prorated portion thereof) must be repaid to the City
- Resident’s maximum household income must not exceed the Westerville median household income ($86,466 according to US Census Bureau for 2017)
- Homeowner must be current on all taxes
- No liens may be filed against the property in question. Prior to the release of the final reimbursement payment, the Code Enforcement Officer shall certify the property is in compliance with Residential Housing Code

The Westerville Parks Foundation hosts the annual Bunny Hop 5K on Saturday, April 11 beginning at 8 a.m. at the Westerville Sports Complex (325 N. Cleveland Ave.)

The Foundation, a 501(c)(3) nonprofit celebrating its own milestone 20 years of service, helps support recreation opportunities and spaces in the “City within a Park” through volunteering and fundraising efforts.

Now in its 10th year, the walk/run is the organization’s signature event and fundraiser. Last year, more than 400 people participated in the 5K, helping to raise nearly $9,000 to support Westerville Parks.

The event has grown steadily into a community tradition over the last decade. Paired with the annual Spring Eggstravaganza, attendees are welcomed into a festival atmosphere with a petting zoo, games, inflatables and more.

To register for The Westerville Parks Foundation Bunny Hop 5K, hop on over to www.westervillebunnyhop.com.

BUNNY HOP BY THE NUMBERS:

- More than 150 people have volunteered 200 hours to help run this event in the last decade
- Raised more than $100,000 to fund financial assistance programs for Parks & Recreation fees and classes
- More than 3,500 participants in 10 years
- 170 sponsors

Top sponsors: Mount Carmel Health System, Westerville Amateur Soccer Association (WASA), Grace Evangelical Lutheran Church

A huge thank you to the Foundation for helping raise $464,327 toward the enhancement of First Responders Park (374 W. Main St.) In addition to the Foundation’s donation, the $1.1 million First Responders Park project was completed and rededicated last November in part with a $500,000 grant from the state of Ohio and more than $170,000 in in-kind support.

Thank You!

City Council member Diane Conley accepts the donation from Parks Foundation member Pete Otteson. 
The Intelligent Community Forum (ICF) has again named Westerville to its prestigious international list of “Top7” Intelligent Communities. The organization announced the honor Monday, Feb. 10 in Taiwan, marking a back-to-back designation for Westerville on both Smart21 and Top7 lists.

The ICF evaluates communities on the basis of their performance in six key indicators: broadband connectivity, knowledge workforce, innovation, digital equality, advocacy and sustainability.

Westerville was recognized for its commitment to innovation through cutting-edge collaborations like The Point at Otterbein University, which houses an exclusive “FinTech” program with J.P. Morgan Chase. Other public programs, including WeConnect, the first municipal data center in the U.S. and sustainable programs through the Westerville Electric Division helped earn ICF’s acknowledgment.

The Top7 designation follows the announcement last October of Westerville on ICF’s list of “Smart21” communities. The organization also named Westerville to its 2020 top five list of 30 communities ranked by sustainability. Westerville was named a Top7 and Smart21 community for 2019, making it the only city in Ohio to make both lists on its first attempt last year.

The Westerville Division of Fire (WFD) has partnered with Nationwide Children’s Hospital to equip all medic vehicles with pediatric CPAP (Continuous Positive Airway Pressure) equipment. WFD is among the first emergency medical service (EMS) providers to carry the equipment full-time to treat infants and children in respiratory distress, helping avoid the invasive procedure of intubation* with better long-term outcomes.

The custom device was designed by WFD medics and emergency medical specialists experienced in helping the youngest patients overcome breathing obstructions and/or facilitate rest from work of breathing (caused by a medical issue). Further, medics worked with manufacturers to develop a piece of tubing that facilitates the airflow needed for small patients.

“We want to use CPAP en route to the hospital instead of intubation when possible,” said Frank Orth, M.D., WFD’s Medical Director. “Intubation is an invasive procedure, and the goal is to avoid having to admit these children for long-term health care if we can eliminate work of breathing through CPAP. What we see in CPAP use is that it helps us prevent further deterioration and the difficulty of weaning off ventilation if intubated.”

CPAP in adults is a standard intervention for emergency care. WFD was among the first in the state to carry adult CPAP equipment.

“We’re excited to be one of the pioneers in this and know it will have a major impact in EMS,” said Fire Chief Brian Miller. “Westerville Fire was in front of this for use in adults, and pediatric CPAP is now part of our protocol if we have a child in respiratory distress.”

Part of the innovation will be monitoring the data to push for the manufacturing of a full kit for pediatric use, says Chief Miller. The pediatric kits include about $100 in equipment (tubes, ports, masks, depending on size); four kits have been assembled for each of the medics responding to medical emergencies in and around Westerville.

“The innovation is in the design and retro-fitting of equipment to work for this purpose. But it doesn’t exist yet as an entire kit and we’re eager to share our success with manufacturers so that EMS providers everywhere have access,” said Chief Miller.

Westerville and National Children’s Hospital plan to monitor results and future cases to study the intervention of patients who start on CPAP and continue treatment in the emergency department. Further, WFD plans to offer demonstrations and gather Central Ohio-area departments interested in implementing the strategy.

“This is a good opportunity to capture some of the good work and start the momentum to learn in the field,” said Dr. Orth. “Other departments are right behind us on this because it makes sense.”

Nationwide Children’s Hospital joined WFD firefighter/medics at the Tuesday, January 21 Westerville City Council meeting to discuss the program. Throughout the year, WFD medics and NCH physicians and educators will present the kit and procedure to professional audiences.

Westerville recently welcomed two new Deputy Chiefs to the Westerville Division of Fire (WFD). With a few months under their belts, Deputy Chiefs Mindy Gabriel and George Sorge are reflecting on what they’ve learned and what they’re looking to accomplish.

A 17-year veteran of the fire service, Deputy Chief Gabriel is excited to make her mark in an organization that puts the wellbeing of residents first.

“I have loved meeting all the people, both in the City and the Fire Division. There are so many talented people here who are committed to the residents of Westerville,” she said.

With a proven track record of developing innovative programs for the evolving fire-based EMS, Chief Gabriel is focusing on providing the men and women of WFD with the tools they need to be a success.

“I want to increase training opportunities and make sure we are best utilizing documentation software to provide data that drives our training and departmental focus,” she said. “We’ll also explore new equipment options in cardiac monitoring and continue to invest in the growth and development of our skilled firefighter/paramedics.”

Deputy Chief George Sorge is overseeing fire and rescue operations in the City. He brings 23 years of fire service to his position.

“We’re going to continue to protect the residents, visitors, business owners—anyone who lives, works and plays in the City of Westerville and Blendon Township—with cutting-edge fire protection and emergency medical services.”

Deputy Chief Sorge has a heart for teaching and developing the talent of firefighters/paramedics. A state of Ohio Fire Instructor, he prioritizes training and education.

“I’ve developed a number of training programs on topics like high-rise firefighting, firefighter self-rescue and multi-rescue company drills,” said Chief Sorge. “Westerville’s firefighters/paramedics are committed to continual education.”

Meet Brian Gorenflo. Brian is an IT-sort of guy. Information Technology. As-in taking apart computers at a young age. As-in always recruited to fix family and friend’s computers and devices. As-in excited to help manage what the City sees as another municipal utility: the WeConnect data center and fiber network.

WHAT LED YOU TO THIS INTEREST/PROFESSION?
I have always been fascinated by technology. I enjoyed taking apart VCR’s, cassette players, old computers, etc. I wanted to see how electronics were put together and try to repair them. Of course, as always, you have plenty of left over screws when you put them back together.

My grandfather was a radio tech in the Army and had a workshop in the attic where he would repair old transistor and vacuum radios. My father has always been a tinkerer as well and interested in technology. I guess the apple doesn’t fall far from the tree. I never saw myself making a career out of it, but my interest and talent led me in this direction. I wake up every morning and enjoy what I do; there is never a dull moment.

HOW DO YOU DESCRIBE A DATA CENTER?
A data center is a “secure” building built with redundancy at its core to ensure uptime and reliability. It is redundant in power, internet, cooling, building access and fire suppression to protect the data it houses. Since it is built to be accessible and reliable 24/7, it is a great place to colocate a business server and network equipment for continuous uptime as well. Think of a data center as an upscale “condo” for servers and computer equipment. We provide power, air conditioning, clean air and comfortable living quarters for that type of equipment.

HOW DO YOU DESCRIBE WHAT YOU DO?
On a small level, I manage the day-to-day operations and business development for a 16,000-square-foot community data center that is e-connected to miles of fiber that runs throughout the City. Many office buildings within Westerville are already connected, and we can offer fiber internet at an attractive rate for businesses of all sizes, including small and mid-sized organizations and companies. My job is to share the unique advantage businesses have here that is not available anywhere else in the United States.

CITIES DON’T OFTEN OPERATE IN THIS SPACE. DID WESTERVILLE’S ACTION HERE AS THE FIRST COMMERCIALY AVAILABLE MUNICIPAL DATA CENTER OWNER AND OPERATOR IN THE NATION ATTRACT YOU TO THIS POSITION?
We recently built a new home in Westerville and love the community. I have always been intrigued what the benefits of true, municipally managed data centers could offer. Now I’m able to be directly involved, first-hand, along with many others to help foster the growth and lay out a strategic roadmap for the future success of this enterprise.

WHY ARE DATA CENTERS IMPORTANT FOR BUSINESS?
Most businesses rely on having good internet connectivity and access to their files and applications on a constant basis. Data centers offer a highly reliable level of service. Many compliance guidelines currently recommend moving your data to the “cloud.” A data center is the hub of the “cloud,” where you have the option to fully move your data to the “cloud” or to move your “business-critical” applications and hardware into a rack where you have physical access. WeConnect offers both options and better yet, we can customize a business need to lead it in the right direction for safe, compliant protection.

WHAT ROLE COULD A DATA CENTER HAVE AS A RESIDENTIAL AMENITY?
WeConnect is the data center and fiber network, which ultimately could be the backbone to enable a high-speed internet offering to residents. In some other cities across the U.S., this is treated like another utility, and Westerville already operates in that space. While we’re not there yet, this could someday be a reality. The possibilities are endless.

SO WHAT’S IT LIKE BEING THE IT GUY IN THE FAMILY?
I am the “extended” family IT guy. I enjoy helping friends and family with their technology and simplifying the complexity to make it easier to use and understand. It hasn’t been so much computers lately as it has been installing “smart home” devices and configuring them to work the way they are advertised.
You work hard to turn your data into dollars.

Let us protect it.

The Westerville Division of Police (WPD) is recruiting men and women to join the department, with testing available now through March 11, 2020. With some of WPD’s most tenured officers nearing retirement and new leadership, WPD is seeking the next generation of men and women who will serve our motto of “Being There When Needed.”

WHAT MAKES WPD SPECIAL?

Training. WPD’s organizational philosophy is high-visibility, total-resource policing. There are many opportunities for advancement within the department, including patrol, K-9, investigations, school resource officers, crime prevention, joint tactical team members and task force positions. Training and professional development are priorities at WPD. The more advanced our agency, the better we can serve the community we serve.

Diversity. We value diversity in our agency and know our differences – from our beliefs to our backgrounds – make us a better organization. Westerville is genuinely a welcoming community and it’s growing. WPD wants its officers to have full, enriching careers and be part of the fabric that makes up its vibrant community.

Leadership. Specifically, WPD is “Westerville First.” Under the leadership of Chief Charles Chandler, WPD stays focused on Westerville and its needs, issues and trends. That has involved strategic decision making that centers around professional development and prioritizing work that enhances public safety at home. Find out more at www.westerville.org/police.

HOW DO I GET INVOLVED?

Whether you’re already certified in law enforcement or you know someone who may be interested in a law enforcement career, WPD has programs for more than one stage of life:

- For students beginning at age 14, WPD offers a one-week Youth Police Academy in the summer.
- After students complete that program, they can enroll in the Westerville Youth Explorers program. This is a pre-professional program for young adults to gain real law enforcement experience and exposure to help guide a potential career choice.
- Already working or ready to apply? Go to www.westerville.org/joinWPD.

THANK YOU, FIJI

Westerville Division of Police K9 Fiji retired in January after seven years of service. The 9-year-old Belgian Malinois has transitioned to retirement in the home of Sgt. Bryan Schwartz, her partner since 2013.

Schwartz was 19-years into his career in law enforcement when he and Fiji became partners. With Schwartz’s promotion to a patrol management position, the team completed their transition on Saturday, January 11.

Fiji worked as a specialist in the detection of narcotics, with skills in tracking, area and article searches, criminal apprehension, and handler protection. She was called for service nearly 1,200 times in her career, resulting in the seizure and investigation of more than $2 million in illegal narcotics and U.S. currency related to narcotic investigations.

Fiji and Schwartz were an award-winning team. Last August, they won first place in the Rastin Challenge competition for firefighters, law enforcement officers and K9 teams in Mount Vernon, Ohio. The duo also earned medals (10 gold, four silver and five bronze to be exact) at competitions throughout the state and region. Fiji earned a life-saving medal and two exceptional duty medals at WPD.

“Fiji always took her work seriously, and I’m really proud of her,” says Officer Schwartz. “I feel like we’ve done well by WPD’s long tradition of excellence in the K9 program. She has been unique in the program due to the fact that she is a female police K9. Typically, you see male working dogs in this job. She is very energetic and loves playing with tennis balls, so I’m looking forward to her having more time for that.”

Schwartz said Fiji has been a good fit in all her roles from day one. “She is one of the family. It’s like having another child.”
WPD Chief Charles Chandler had some new ideas when he took the helm of the department last August. Among them was an organizational restructuring to streamline and modernize operations of the department. This new structure features the promotions of many officers you know, and aligns the system with Chief Chandler’s “Westerville First” strategic priority.

The primary command structure includes the removal of two positions that were previously considered command staff positions. Those positions were reallocated to frontline supervisory roles. The addition of a sergeant to investigations and a lieutenant to professional standards, will help provide better investigative services to the community and assist in the goal of achieving national law enforcement accreditation for the division. Under the new structure Assistant Chiefs and the Captain have bureau commander responsibilities reporting directly to Chief Chandler. The new executive level structure includes the promotion of two former Lieutenants, Ron McMillin and Tracey Myers, who each have spent the majority of their law enforcement careers at WPD. This structure features the elimination of the Corporal rank with 15 promotions, including six new Lieutenants, seven Sergeants, a Captain and Assistant Chief. This restructuring did not include the addition of more supervisory positions but a shift in titles, placement and responsibilities.

Ron McMillin has been promoted to Assistant Chief, filling another seat in the executive office with Assistant Chief Holly Murchland. McMillin will oversee the Patrol operations of WPD. Emergency Communications (9-1-1) is also under McMillin’s supervision.

Tracey Myers has been promoted to Captain. The position of Captain has been re-introduced into the WPD organization. Myers will oversee Investigations and Records. Records is also under new management, with Court Administrator Marisa Akamine serving as supervisor of a consolidated Court and Records operation.

Longtime WPD supervisors Steve Fridley, Tony Rudd, Doug Stephens, Brian Spoon, Greg Franey and Aaron Dickison have been promoted to Lieutenant and will oversee the day-to-day operations of specialized units and their related shifts.

Lt. Spoon will oversee the Professional Standards unit. Lt. Fridley will manage the Community Services unit, which includes the school resource officer program, crime prevention and D.A.R.E. Lt. Stephens will continue to supervise the Investigations unit, along with Sgt. Justin Alloway.

The City of Westerville is joining the U.S. Census Bureau and community partners to help ensure every resident is counted in the 2020 Census when it opens on Wednesday, April 1.

Responses to the census can only be used to produce statistics. By law, all household and business survey responses to the U.S. Census Bureau are kept completely confidential.

With an estimated 300 million-plus citizens in the United States, it may be tempting to think that a single response won’t count for much—but that would be incorrect. Census data impacts the daily lives of citizens, informing how more than $675 billion in federal dollars should flow back to state, county and local-level infrastructure and community projects. The data collected also helps determine the number of seats each state will have in the U.S. House of Representatives.

New in 2020, the U.S. Census Bureau will accept online responses. Each home will receive an invitation to respond to a short questionnaire—by phone, mail or online.

The Westerville Public Library (126 S. State St.) will offer a dedicated census station for residents to complete their surveys online. A station will also be available at Otterbein University’s Courtwright Memorial Library (138 W. Main St.) for students and members of the public.

Survey respondents leave their mark on history and join a tradition of civic responsibility first established in 1790.

Learn more about the census at www.2020census.gov.

WE COUNT:
HOW YOUR RESPONSE TO THE 2020 CENSUS HELPS WESTERVILLE

REPRESENTATION
This data gives the City a better high-level understanding of who our residents are and insight into their evolving needs. It can help inform decisions about future programs and infrastructure updates.

ECONOMIC DEVELOPMENT EFFORTS
This data is crucial to economic development in communities, informing prospective businesses with accurate data about the City.

DISASTER RECOVERY
Census responses help the City prepare for a disaster. Aid organizations, like the Federal Emergency Management Agency (FEMA), use this data as well when planning recovery efforts after a widespread emergency.
The leisure pool at the Westerville Community Center has reopened after construction of a new water playground to go along with the zero-entry pool, lazy river and water aerobic/lap lanes. This fun interactive equipment features mini dueling slides, a tube slide, fountains and the nearly 159-gallon water bucket for a new, fun and exhilarating splash zone.

THE EXPANSION PROJECT IS MOVING ALONG WITH MANY AREAS ALREADY OPEN TO THE PUBLIC. THESE INCLUDE:

- Entry doors and drop-off area
- Sprouts childcare room
- Updated locker rooms
- Leisure pool

OPENING THIS SUMMER:

- New MAC (Multipurpose Activity Courts) gymnasium with adventure activities
- Two-story fitness area
- Group fitness areas
- Indoor, interactive slides
- Gathering rooms
- Demonstration kitchen
- Older Adult area
- E-Sports room

Westerville and its community partners will celebrate 2019 and its many achievements while looking to the future of our City on Thursday, March 12 at The Point at Otterbein University for the annual State of the Community.

The event will also play host to the announcement of the 2019 Westerville Champion, a program of Westerville Parks & Recreation to honor long-term civil servants who volunteer, donate and positively influence others in our community. Similarly, the 2019 Volunteer of the Year will be recognized.

The public is invited to attend. Appetizers, desserts and non-alcoholic drinks will be served. For more information, visit www.westerville.org/soc.

The Westerville Champions program recognizes outstanding citizens whose service and activities significantly enhanced the quality of life in Westerville. Since the inception of the program, the following individuals have been recognized as Westerville Champions:

EDWIN “DUBBS” ROUSH (2014)
MARY LOU PROUTY (2014)

JAMES MCCANN (2015)
WARREN “ERNIE” ERNSBERGER (2015)
DICK RANO (2016)
MARY BAILEY (2016)

FRANCIS “RED” BAILEY (2016)
DON BARLOW (2017)
MIKAL “MIKE” TOWNSLEY (2018)
JEFF HARTNELL (2018)
As the weather warms up and the days grow longer, the City is ramping up improvements planned for 2020. Here is a look at some of the major projects on the horizon:

**UPTOWN IMPROVEMENTS**

Pavement resurfacing, sidewalk improvements and other updates along State Street, between Walnut and Home Streets, are expected to resume early in March or April. The Uptown Improvement Project will bring Westerville’s historic area into compliance with the Americans with Disabilities Act (ADA). This project is expected to be completed in November. Get updates at [www.westerville.org/uptown](http://www.westerville.org/uptown).

**NEW SIGNAL AT TOWERS TRAIL AND COUNTY LINE ROAD**

Westerville’s first Pedestrian Hybrid Beacon (PHB) at the intersection of Towers Trail and County Line Road will be installed this spring. Sometimes called a High-Intensity Activated crossWALK (HAWK) beacon, these signals create safer, more efficient pedestrian crossings on busy streets. They are often tied to the traffic signal system, so pedestrian wait times may vary. Read about this project at [www.westerville.org/PHB](http://www.westerville.org/PHB).

**IMPROVEMENTS ON NORTH STATE STREET**

**Water Line Updates:** The City is “retiring” an aging waterline in Uptown to ensure the continued delivery of excellent water services for years to come. These critical infrastructure improvements involve replacing a water line on North State Street, between West Home Street and Broadway Avenue. Following the replacement, crews will connect homes from West Home Street to West Broadway Avenue to the new water lines. Please watch for workers in the area and traffic adjustments during this work.

**North State Street Widening Project:** To improve traffic conditions and make way for continuing business development in the area, the City is widening northbound North State Street, between Hoff Road and Polaris Parkway. Get project updates on the GoWesterville interactive map, [www.westerville.org/construction](http://www.westerville.org/construction).

Find more information on the GoWesterville Interactive map at [www.westerville.org/construction](http://www.westerville.org/construction).
Last November, Westerville voters said yes to a 0.96 mill request to combine operations of the Westerville Division of Police (WPD), Emergency Communications (9-1-1), Investigations and Mayor’s Court and bringing these departments together under one roof.

Since that time, the City has been at work on the initial steps to get the property at 229 Huber Village Blvd prepared for transformation into the new Westerville Police/Court Facility.

Here are the latest activity milestones, with construction and renovations starting late this year or early 2021.

Architectural firm Brandstetter-Carroll retained to complete design work
Final plan design is expected in late spring/early summer 2020
Westerville City Council to approve the final design; plans will be submitted to Planning Commission and then Building Department for review
Concurrently, City administration will work to prepare for sale of $15 million bond issue in the fall 2020
Project goes out to bid in the fall, with bid award contemplated in October/November time frame (this year)
Construction schedule expected to be at least 12 months for occupancy in late 2021/early 2022

GET HIP TO businessWISE

In addition to providing reliable power services, the Westerville Electric Division (WED) oversees a number of programs focused on energy efficiency and sustainability.

For large and small commercial and industrial (C&I) customers, WED offers BusinessWISE (or, the Westerville Incentive Savings for Efficiency Program), which offers financial incentives for energy-saving initiatives.

“Through this program, the City empowers the Westerville business community to do what they can to conserve energy. It helps the environment and also helps keep the cost of power low for all customers by reducing peak usage,” said Westerville Electric Utility Manager Chris Monacelli.

The program offers rebates for lighting fixtures, lighting controls, ventilating and air conditioning (HVAC) upgrades and custom efficiency projects.

These improvements, both small and large, add up to make a significant impact over the years:

2016 - 12 projects, paid $136,000 in incentives, 21,900 MWh lifetime savings
2017 - 19 projects, paid $98,000 in incentives, 17,300 MWh lifetime savings
2018 - 33 projects, paid $519,000 in incentives, 79,500 MWh lifetime savings

Charter Review to Fulfill 10-Year Duty

The Charter for the City of Westerville is the guiding document for the City’s governance—a “mini-Constitution” of sorts. Every 10 years, Westerville City Council appoints a Charter Review Commission, residents who are charged with the full review of the Charter to provide recommendations for updates, revisions and edits that best reflect City programs, services and community governance needs.

A five-member Commission last met in January 2010, reviewing the Charter in-depth, with a focus on fine-tuning the City’s time-tested document. The group proposed a number of amendments to existing Charter language and relevant edits. This committee will consider the same objective, with any proposed modifications posted online on the City of Westerville website at www.westerville.org for resident review.

Special thanks to the following individuals who will serve on the Charter Review Commission in 2020:

Larry Jenkins, Chair
Lavonne Bailey, Vice Chair
Dennis Blair
John Bokros
Megan Reamsnyder

MEET KATIE SASS
WESTERVILLE’S EMPLOYEE OF THE YEAR

For the past 14 years, Katie Sass has brought her trademark enthusiasm and optimism to various roles with Westerville Parks and Recreation. Today, she helps oversee customer service operations at the Westerville Community Center, rental operations and helps with technology adoption and integration, leading the way with a bright smile and unwavering commitment to making a resident’s day. Katie brings that same positive attitude to everything she does, especially when spending time with her husband, Shawn, and two young children. It’s this consistent energy that inspired her colleagues to nominate her as the City of Westerville’s 2019 Employee of the Year.

YOU’VE DEDICATED YOUR CAREER TO HELPING RESIDENTS THROUGH WESTERVILLE PARKS AND RECREATION. WHAT INSPIRED YOU TO GET INTO THIS LINE OF WORK? I love working with kids and I love sports, which I did part-time as an instructor for active preschool classes and a birthday party leader. As I progressed into a few different roles, I started to enjoy the facility end of the operation and wanted a change from programming.

FROM ADOPTING NEW TECHNOLOGY TO EMBRACING CHALLENGES, YOUR COLLEAGUES APPRECIATE YOUR POSITIVE OUTLOOK. WHAT MOTIVATES YOU TO BRING THIS ENERGY TO YOUR WORK? I think new technology intimidates some people. I like finding new ways of doing things and showing staff how it can make their job easier. It’s fun to see the ‘light bulbs’ go on. New technology brings new opportunities. We have started to embrace that more and more, and learn from our mistakes. Sometimes even I have to remember that! The more positive you are, the better the reaction will be to change.

WHAT IS SOMETHING ABOUT YOUR ROLE THAT MIGHT SURPRISE RESIDENTS? I am the state coordinator for the Ohio Senior Olympics state games. I get the opportunity to work with athletes from all over the midwest, bring them to Westerville and help them fulfill their competitive spirit with others in their age group. It keeps me in the programming mindset.

WHAT IS YOUR FAVORITE PART OF YOUR JOB? Not a day in recreation is the same. There is always a new opportunity or a new challenge every day so boredom is never an issue!

WHAT IS SOMETHING YOU’D LIKE RESIDENTS TO KNOW ABOUT WESTERVILLE PARKS AND RECREATION? We always have the best interest of the residents at the forefront of our projects/programs/ideas. We’re very passionate about our patrons. We all find and fight for what is best for them. We really do work hard to make life better for the residents of Westerville.
The Westerville Public Service Department is adding a pilot project compost “drop-off” this spring to its list of environmentally-friendly programs for residents.

Through the program, residents can place compostable food waste items in marked 64-gallon receptacles at City facilities located at 350 Park Meadow Rd. and 469 Westdale Ave. 24-hours a day, seven days a week. The containers will be serviced weekly by Columbus-based GoZERO.

Neighboring cities like Bexley and Upper Arlington have recently launched programs of their own. Kevin Weaver, Westerville’s Public Service Director, says Westerville City Council recommended staff look into composting as a continuation of ongoing sustainability efforts.

“We’re pleased to bring this program to residents, which will allow them to participate in the reduction of food waste without the work of maintaining a compost pile in their yards,” Weaver said. “The City is aiming to divert at least 10 tons of food waste from the landfill with the program this year.”

The program is made possible by a grant of up to $9,240 (the maximum reimbursable amount) from the Solid Waste Authority of Ohio’s (SWACO) Community Waste Reduction Grant program. Westerville is one of four communities receiving grants to start or expand community composting from the organization.

This program is optional and offered free-of-charge to residents.

Find more information at www.westerville.org/composting.

Happy February 29 to Westerville Leap-Year Babies

Since 2020 is a leap year, we want to treat our oldest and youngest Westerville Leap Year baby to a very special birthday celebration in February. If you were born on February 29, email us at communityaffairs@westerville.org with your leap age and actual age, and what day you celebrate outside of every fourth year. Pictures of Westerville’s “oldest” leap-year baby and “youngest” leap-year baby will be featured in a special edition of the Westerville Community Recreation Guide AND receive a free day pass to the Westerville Community Center.
Johnston-McVay Park
ADDs PLAY, GREEN SPACE TO SOUTHEAST SIDE

Construction of Johnston-McVay Park, located at 480 S. Hempstead Rd., begins soon. Its completion will fulfill a vision set forth in the Westerville Parks & Recreation master plan (Parks, Recreation and Open Spaces, or “PROS” for short) to invest in and create a park in the southeast area of the City.

According to Westerville Parks and Recreation Director Randy Auler, the park was designed to delight.

“Each park in Westerville is designed as a ‘signature space.’ With unique interactive elements that reflect its location, educational themes and, of course, the needs and imaginations of park users in mind.”

The City worked with residents to create a blueprint for the park that honored the deeply philanthropic and nature-loving Johnston and McVay families. After a series of public meetings, the final design:
- Preserves the property’s natural beauty and mature trees.
- Implements whimsical and educational play elements.
- Adds a realigned entry drive and bridge, shelter, restroom, trail network, parking lot, creek interaction zone and much more.

“This was already a beautiful piece of property. We want to enhance the existing scenery with elements that will remind people of all ages what it feels like to play outside and interact with nature,” said Randy Auler.

For a glimpse of what is to come, review the final design at www.westerville.org/parks.

NATURE TRAIL ALMOST COMPLETE at Heritage Park

If you enjoy nature and getting into the woods, a new trail will be available this spring at Heritage Park, 60 N. Cleveland Ave., thanks to a grant from the Ohio Environmental Protection Agency (EPA) Environmental Education Fund and partnership between Westerville Parks and Recreation (WPR), Westerville City Schools (WCS) and Eclipse Aerial & Mapping LLC. Along with WPR staff, volunteers from WCS, Otterbein University, Eclipse Aerial, FACT, Metro Parks and JP Morgan Chase donated more than 56 hours to create the 1,200 ft. trail and 6,000 sq. ft. natural play area. Students from WCS mapped out the trail and created an electronic version of their work. They will be presenting their work to Westerville City Council this spring.

For more information, contact the program manager at kim.chapman@westerville.org.
May is National Bike Month

Westerville Parks and Recreation staff is asking cyclists to “tune-up” their safety knowledge before hitting the City’s cycling-friendly streets and recreation trails.

A Crash (Preventing) Course on Bike Safety

WHEN USING SHARROWS...
- Remember that cyclists in the sharrows must abide by the same laws as motorists
- Heed all speed limits and traffic signals
- Signal your intentions
- Ride with the flow of traffic

WHEN ON STREETS WITHOUT A SHARROW OR BIKE LANE...
- Ride as far to the right as you can safely watching for parked vehicles, car doors and other hazards.

Rules of the Recreational Trails (Ordinance No. 05-13)
- Abide by all signage
- Yield to cross traffic at intersections
- Keep right except to pass
- Announce passing
- Avoid blocking trail
- Respect others and private property
- Pets must be leashed/Obey scoop law
- Unauthorized motorized vehicles prohibited
- Users shall observe a 15 miles-per-hour speed limit on all Park Trails

Westerville Parks and Recreation (WPR) is excited to offer a new program for ages 14-18 for teens interested in becoming a Camp Counselor. A Counselor in Training (CIT), has the opportunity to volunteer with main day camps, be engaged with Kids Fun Clubs, or gain hands-on outdoor education training and volunteer in outdoor education camps. The purpose of the program is to provide young adults the opportunity to gain work experience, develop marketable skills, enjoy recreational activities and learn the importance of volunteer service.

“The main function of a CIT is to provide assistance in the organization and implementation of a summer day camp,” said Chelsea VanAssche, Camp Supervisor for WPR. “The goal of the program is to help transition campers into counselors and create responsible and young leaders who can contribute positively to day camps and the Westerville community. By the time they are able to work as a camp counselor, they are well equipped with the training and experience to be strong counselors and provide high-quality day camp programming.”

CIT Requirements

- Complete an online application available at www.westerville.org/camps. Application deadline is Friday, April 3.
- Qualified candidates will be contacted for an in-person interview throughout April; final offers will be made in early May.
- Applicants must be available for training the week of May 26 and available to volunteer starting June 1-July 31.
- Each CIT will receive a volunteer hours verification letter.

The American Red Cross honors individuals who have gone above and beyond the call of duty, both on and off the clock. Last July, Caroline Lawrence, a freshman at Gordon College in Wenham, Massachusetts and seasonal lifeguard with Westerville Parks and Recreation used her CPR training to save a life while on vacation. She and her family were at a restaurant when another patron’s heart stopped. Caroline used her training and performed CPR on the man until the paramedics arrived.

“I am glad I was in the right place at the right time and was able to use my training to help,” said Lawrence. “There is a need for more people to be trained in CPR so they can confidently help someone if the need arises.”

The squad attending to the man said Caroline’s early intervention is what saved his life.

CONGRATULATIONS, CAROLINE.

The City is testing new technology to help Uptown Westerville visitors find public parking options from a free mobile application.

In February, small sensors were installed in the asphalt of 350 parking spaces in four public lots, (see map for A, B, C and D lot location.) These sensors communicate space vacancies to the ParkingGenius mobile application, which in turn tells users how many spaces are available in real-time. The app will even give turn-by-turn directions to the parking lot.

“As the heart of our community, Uptown Westerville is a beloved and popular destination for visitors and residents,” said City Engineer Scott Tourville. “We’re hoping this service makes finding parking as easy as possible.

One benefit of the program is the ability to capture occupancy data for the various lots.

“This data is a powerful tool for us and can help inform future decisions about parking in Uptown,” Tourville said.

The technology will not capture personal information, such as license plate numbers, car make or models, etc. Only information related to the use of the monitored parking spots will be recorded.

The pilot program will run in Uptown for up to 16 months, after which point Westerville City Council will evaluate its success and determine if the program will continue.

The mobile application indicates only the number of open spaces and cannot be used to reserve specific parking spots.

The City of Westerville Electric Division is taking the charge to increase the availability of electric vehicle charging stations within the community. Through the PowerUp Electric Vehicle Supply Equipment Rebate Program, businesses are offered incentives to install qualified charging stations. Some of these charging stations, like those adjacent to Hoff Woods Park at LakeShore Cryotronics (575 McCorkle Blvd.), are available for public use. Users at LakeShore pay a price-per-kilowatt hour.

Check out the map above to see where you can charge up your electric vehicle.

The City is exploring options to add more public charging stations. Learn more about the PowerUp program at www.westerville.org/powerup.

- LakeShore Cryotronics (Fee-based)
- Walgreens 748 N State St. (Fee-based)

*LakeShore Cryotronics offers charging stations for a price-per-kWh.*
As construction continues to take shape, the new Shops at Westar Place are creating a buzz in Westerville. The development, located at the corner of Cleveland Avenue and Polaris Parkway, is bringing requested amenities to the employees of Westar.

The product of Polaris Westar LLC. development team Pat Madden and John Royer, the 24,000-square-foot building is set to house four much-anticipated additions to the City:

- **HOT CHICKEN TAKEOVER**: Known for its Nashville-style hot chicken, this restaurant has a strong following in Central Ohio.
- **SABABA MEDITERRANEAN GRILL**: Offering a fusion of Middle Eastern and Mediterranean cuisine, Sababa offers made-to-order, fast-casual dining.
- **HAMMER AND NAILS GROOMING SHOP**: In its first Ohio location, Hammer & Nails Grooming offers a full-service salon in “a relaxed man care nirvana.”
- **FERGUSON BATH, KITCHEN & LIGHTING**: This state-of-the-art showroom carries high-end plumbing and lighting fixtures, as well as appliances.

That’s not all that’s in store for the Shops at Westar Place. Two new businesses will be joining the collection. Look for announcements on new developments at business.westerville.org.

If you have driven along Cleveland Avenue, between County Line Road and Polaris Parkway, between 2018-2019, you may recall a large mound of dirt where DHL Supply Chain’s new North American headquarters now stands. What you might not know is how the City and the company worked together to save tens of thousands of dollars in project costs.

You’ve heard it said that people should not make mountains out of molehills. But this particular mound of dirt posed quite the conundrum. Approximately 25,000 cubic yards of dirt were moved to DHL’s site from other development sites. The company determined they did not require that much worm food, which created some challenges including the cost and logistics of transporting the material.

Staff from the City and company put their heads together and created a plan: DHL would raise their site by 3-6 inches to utilize 6,000 cubic yards from the pile and the City would allow them to use an existing structure to cross Alum Creek to transport the rest to land owned by city off Africa which is anticipated to need the fill material when it develops.

The collaboration and creative problem solving paid off with more than $30,000 in cost savings for DHL Supply Chain and the City.

After a year of careful research and planning, The Westerville Partnership (the City, Westerville Area Chamber, Westerville City Schools, Westerville Public Library and Otterbein University) has a plan to expand upon opportunities that would strengthen the area workforce.

A series of facilitated discussions and online surveys of more than 3,500 people (including Westerville employers, post-secondary students, high school students and counselors) revealed insight into some of the difficulties within Westerville's workforce including:

**STRENGTHENING TALENT PIPELINE KEY TO FUTURE SUCCESS**

This research helped the Partnership identify a number of strategic recommendations in key categories: Talent Development, Talent Attraction and Workforce System Alignment.

Like a game of “connect the dots,” many of the resources needed by members of the workforce and employers already exist within Westerville and broader Columbus Region. From higher education, access to free training resources and the development of the future workforce, the key points are all within reach in Westerville and the two counties in which it sits.

**WESTERVILLE RECEIVES TREE CITIES OF THE WORLD DESIGNATION**

From 50 international cities chosen for this award, the City of Westerville placed in the top 5.
The City of Westerville is one that never sleeps. Surely most are familiar with the men and women in blue and red, working all hours to keep residents safe. In April, the City is taking time to celebrate the tireless professionals of the Westerville Electric and Communications Divisions who also respond to the call 24-hours a day, seven days a week, 365 days of the year.

**NATIONAL PUBLIC SAFETY TELECOMMUNICATORS WEEK**
**April 14-18**
True first responders, Westerville’s 9-1-1 communications technicians respond to more than 70,000 calls for service each year. They are the calming voices on the line with focused minds as they direct police and fire personnel to the place of need.

The City of Westerville Income Tax Division is standing ready to help residents file ahead of the Wednesday, April 15 deadline. Each year, the team offers extended walk-in hours at their office, 64 E. Walnut St., to make it easier for residents to complete what can often be described as a stressful task.

“One of the best parts of our jobs is interacting with residents and helping them get this important task off of their ‘to-do’ lists correctly and on time,” said Melinda Ulry, City Income Tax Administrator. “It’s a service we provide free of charge.”

Walk-ins are always welcome from 8 a.m. - 4:30 p.m., Monday through Friday. The extended schedule at 64 E. Walnut is as follows:
- Saturday, April 4 from 8 a.m. - 12 p.m.
- Tuesday, April 14 from 7 a.m. - 6 p.m.
- Wednesday, April 15 from 7 a.m. - 6 p.m.

It will be easier than ever to Tell Westerville if you need assistance, like filing a service request. That’s because the City’s mobile application and service request portal will receive a reboot beginning in April.

The “Tell Westerville” mobile application replaces the “My Westerville” application launched in 2015. With a fresher look and better access to need-to-know information, the app will put the City in the palm of your hand. Building on the digital customer service brand set forth by the City’s Twitter account, @TellWesterville.

“No day in the City of Westerville is ever the same and we need to consistently communicate what’s happening in the community with our residents,” said Christa Dickey, Community Affairs Director. “Tell Westerville will give users a direct line to the City, as well as offers the City a way to share the latest on construction, events, videos and more.”

Powered by See.Click.Fix., the mobile application will feature a sleek new design that is easy to use.

As always, service requests can be submitted through the website at www.westerville.org/servicerequest.

To download this digital extension of the City’s customer service team, simply visit your mobile application store (Google Play, Apple App Store) and search “Tell Westerville” to download.

The Intelligent Community Forum (ICF) named Westerville number five of 30 communities ranked by sustainability.

ICF evaluates communities on the basis of their performance in six key indicators: broadband connectivity, knowledge workforce, innovation, digital equality, advocacy and sustainability.

The City was honored for its many environmentally friendly programs like BusinessWISE, a Westerville Electric Division program that provides incentives for businesses that perform energy-saving facility upgrades.

In October, ICF announced that Westerville was an overall international 2020 Smart21 community. Since then, the City and 20 other communities engaged in a more intensive application process to be considered for the organization's list of 2020 Top7 Intelligent Community.

Westerville has the distinct honor of being the first City named to both lists on its first attempt for recognition in 2019. The ICF announced the 2020 Top7 honorees in February.

Registration Information

REGISTRATION DATES

Friday, March 15 - Noon - Online Early Registration (Residents Only)
Saturday, March 16 - 8 a.m. - In-person Registration (Residents Only)
Sunday, March 17 - Noon - Online Open Registration (Residents and Non-Residents)
Monday, March 18 - 8 a.m. - In-person Open Registration (Residents and Non-Residents)

HOW TO UPDATE YOUR RESIDENCY STATUS WITH WESTERVILLE PARKS AND RECREATION AND UTILITY BILLING:

Contact Utility Billing at (614) 901-6430 or askutilitybilling@westerville.org to ensure your phone number is current.

Contact Parks and Recreation at (614) 901-6500 or parksandrec@westerville.org to confirm the phone number associated with your Utility Billing account and Parks and Recreation account are the same.

Once the phone number tied to the two departments are identical, you will no longer need to provide proof of residency and will receive resident rates when registering for programs with Parks and Recreation.

Make sure to keep both departments updated with address and contact information changes to ensure this will continue in the future.

For detailed information, call (614) 901-6500.

The Westerville Parks & Recreation Department is pleased to offer online registration for classes, programs and shelters. Online registration streamlines the process of registering by eliminating the need to wait in long lines on registration day.

Any household that has previously participated in a Parks and Recreation program, pass, or facility reservation may already have an online account.

Those wanting to sign up for the first time will need to create an account through our online registration site www.westerville.org/registration. Click “Create an Account” and follow the prompts.

Proof of residency is required in order to be eligible for the discounted resident rates.

With your active online account, you will be able to view class information, process registration and reservations, make secure credit card payments and view class enrollment counts from your home or office 24 hours a day! You can even make changes to your household and member’s information—fast, easy and secure. User name/passwords and household information can be changed once you log in. Click on “My Accounts.”

Visit the Westerville Community Center during the hours listed on page 35. Participants may register for ONE additional household other than their own during the registration process. Resident restrictions still apply. Senior Center members may register online or at the Community Center on Saturday and the Senior Center on Monday.

1. Visit www.westerville.org/registration
2. Enter ‘User Name:’ (we set it up as your home phone number with area code as a complete string, no hyphens or spaces). Parks and Recreation sets up a DEFAULT user name (#3 password same as #2)
3. Enter ‘Password:’ (Parks and Recreation sets up a default password)
4. Click ‘Registered Users Sign In’
5. At the top of the screen, select from one of the options listed based on what you intend on doing or use the search criteria to search for options.
6. When finished, it’s important to click “Logout” in the upper right side of your screen. If you don’t, your computer will remain logged in even after you shut down.
POLICIES & PROCEDURES

Fair Share Policy
The City of Westerville Parks and Recreation Department is largely financed through City Income Tax dollars. Therefore, to be considered a “Resident” in our registration process, you must live or work full time within the corporate City Limits of Westerville or be a spouse or child of such person. “Non-resident” applies to all others. Even though you may have a Westerville mailing address or live within the school district, you may not live within the Westerville City Limits. We ask for your understanding when registering.

Resident/Non-resident Rates
To receive discounted resident rates, Westerville residents will be required to present identification such as a valid driver’s license, photo ID card, utility bill or pay with a check with an address printed by the bank. Individuals employed full time in the Westerville City Limits will need to provide proof of employment on company letterhead with the signature of the personnel director or president or a current paycheck with their employee’s name and address along with a valid driver’s license. If a household has been granted residency status due to providing proof of Westerville income tax withholding and it is later revealed that a full refund of these taxes occurred, the City of Westerville reserves the right to collect the difference between the resident fee paid originally for the activity or pass and the appropriate non-resident fee. A $5.50 resident ID card may be purchased for registration and admission convenience.

Non-resident Fee Policy
The non-resident fee is an additional $5 to any program $20 or less and $10 for any program more than $20 and less than $60 and $15 for any program $60 or more.

Payment By Check
Checks should be made payable to the “City of Westerville.” There will be a $31 service fee for all checks not honored for any reason by any bank.

Financial Assistance
Financial assistance for Parks and Recreation programming is available through the City of Westerville. Information may be found at www.westerville.org.

Photo / Video Release Policy
By registering for any Westerville Parks and Recreation program, you agree to allow publication of photos/videos taken at any program, event or facility associated with the City of Westerville Parks and Recreation Department.

Age Policy
Children nine and under must be accompanied by an adult at all times while in the Community Center.

Smoking Policy
In accordance with City of Westerville Ordinance 2018-19, all indoor and outdoor public park spaces are smoke free.

Access to All Americans with Disabilities Act
This landmark civil rights legislation went into effect Jan. 26, 1992. It is a significant step forward to make our society’s services and opportunities fully available to all Americans by combating barriers and prejudices that confront those of us with disabilities. The City of Westerville is committed to implementing the intent and spirit of this legislation. Those who may need assistance in order to enjoy our programs should contact the Administrative Office at (614) 901-6500 at least two weeks in advance of the program to discuss any necessary accommodations. TDD line: (614) 901-6413.

Persons with disabilities are invited to participate in all programs offered through the Westerville Parks and Recreation Department. When registering for a program, we ask that participants requiring special assistance mark the designated box on the registration form or add a note to your class when registering online.

Pass Cancellation Policy
Community Center passes purchased using the ACH method of payment, authorizing a once-a-month debit from a checking or savings account, are monthly passes with no expiration date. The pass can be cancelled anytime, for any reason. A Pass Cancellation Form must be filled out and returned to the Westerville Community Center front desk or filled out online at least five business days prior to the 15th of the month. A Pass Cancellation Form received less than five business days prior to the 15th could result in a debit to your account.

Community Center and Highlands Park Aquatic Center passes can be canceled anytime, for any reason. A Pass Cancellation Form must be filled out and returned to the Parks and Recreation Department or filled out online. A pro-rated refund, minus a $30 service charge, will be returned within three-four weeks.

Program Refund Policy
If a class is canceled or closed, you will receive a full refund in the form of a check or credit refund (must be on credit card used). There will be no cash refunds. Refunds take approximately three weeks to process.

CANCELED CLASSES
Refunds will be made only after the start of the class for one of the following circumstances and a $5 transaction fee will apply:
• When the refund is requested at least seven (7) days in advance (except where otherwise noted) of the first class meeting provided it does not reduce the participation level below the required minimum.
• When documentation is presented for an approved hardship situation.

CUSTOMER SATISFACTION GUARANTEE POLICY
In the event you are not satisfied with a program or service, The Westerville Parks & Recreation Department shall offer the following options:
• Repeat the program at no charge - or
• Receive a gift card that can be applied to any other program - or
• Receive a refund (processing takes approximately two weeks.)

NOTE: Adult sports leagues, camps, trips, consumable program supplies, daily admissions, annual passes, facility rentals, special events or tickets to certain events are exempt from the Satisfaction Guarantee.

Camp Refund Policy
Camp refund policy will be as follows: A $25 transaction fee will be processed per week, per child for every refund issued. All camp refunds must be submitted 30 days before the start of the camp session the household is looking to get refunded for. For more information, call the Program Supervisor at (614) 901-6566.

Cancellation of Activities
Due to Inclement Weather
All daytime (before 5 p.m.) programs will be canceled when Westerville Schools are closed due to inclement weather. Cancellation of evening programs (after 5 p.m.) will be determined by 4 p.m. On Saturdays, information will be available on daytime classes beginning at 8 a.m. and on evening classes beginning at 4 p.m. The Department will issue cancellation announcements on WBNS 10-TV and radio stations 94.7 FM and 610 AM. Information will also be available on the SPORTS/INCLLEMENTWEATHER HOTLINE

Due to Low Enrollment
The City of Westerville Parks and Recreation Department reserves the right to cancel classes due to low enrollment.
Fitness Room & Track

FITNESS ROOM
The Fitness Room has more than 45 cardiovascular machines for all workout types and abilities and can be utilized by persons 14 years of age and older (effective March 1). TV monitors are placed within easy viewing and can be accessed through radio frequencies. The strength training area includes 20 Cybex, LifeFitness and Paramount selectorized machines and a free weight area with dumbbells (from two to 100 pounds).

ORIENTATION FOR NEW PASS HOLDERS
Are you new to the Community Center? New users are required to complete an orientation. Fitness staff will:

- Show you how to use the cardiovascular equipment
- Discuss Fitness Room policies
- Have you fill out a health history questionnaire that will be kept on file.

Free introductory strength-training class offered to novice exercisers. Available by appointment only; please see Fitness Room staff to schedule.

PERSONAL TRAINING AVAILABLE
Our degreed and certified health professionals will coach you to achieve optimum fitness results. Only annual Ultimate or Fitness Room passholders may use a personal trainer. Fees and appointments are arranged between the passholder and trainer. Information can be located at the community center front desk or fitness desk.

TRACK
The Track is 1/10 of a mile long and can be utilized by those ages 14 years and older.

SPROUTS WAIT ROOM
When it comes to your child, nothing is more important than his/her safety. The Sprouts Wait Room at the Westerville Community Center offers parents peace of mind while they work out. A well-trained staff provides quality child care for children ages 6 months to 9 years. By providing guideline policies on cleanliness, disciplinary action, health and safety, numbered wristbands, security cameras, and a sign in/out by parents, the Sprouts Wait Room ensures a safe environment. For more information, please call the Program Manager at (614) 901-6506.
The indoor pool complex at the Community Center is home to new and exciting updates. Adding to the eight-lane competition pool and diving boards is the updated leisure pool that includes new dueling activity slides, shallow play area with a new water playground, a lazy river, whirlpool, fountains and deep water lap lanes.

Contact the Aquatics Manager at (614) 901-6510 for information regarding Watering Hole and Highlands Park Aquatic Center rental information.

Please visit www.westerville.org/wateringhole for up-to-date Lap Lane schedules.

WESTERVILLE PARKS AND RECREATION DEPARTMENT • (614) 901-6500 • www.westerville.org
The Highlands Park Aquatic Center has something for everyone and features a speed and body slide tower, a zero-entry toddler pool with a simulated-rock slide, a spray playground, lazy river and eight-lane, 25-meter pool with diving well. Also available are patio and cabana rentals, a concession stand and family restrooms.

HIGHLANDS PARK AQUATIC CENTER CLOSURE POLICY
In an effort to ensure the safety and security of everyone, we ask that all participants in the Monday - Friday swim lessons, adult swim and toddler swim gather their belongings and exit the facility before we reopen for our regular hours of operation. Any participant that paid a daily admission in the morning session that wishes to return, may reenter through the passholder line. We appreciate your understanding.

FAMILY GUEST PASS
As an additional benefit to pool pass holders, each household has the option of adding up to two additional guests to their season pass. Guest passes are unnamed passes attached to the primary household for which the season pass was purchased. The pass may only be used once per day, and the primary household is responsible for the conduct of their guests while in the facility.

POOL RENTALS
Private Pool rentals are available at Highlands Park Aquatic Center on Sunday evenings from 6:30 - 8:30 p.m. Call the Aquatics Manager at (614) 901-6510 for more rental information.

PATIO AND CABANA RENTALS
Call Highlands Park Aquatic Center at (614) 901-6581 for more rental information. Reservations begin May 1 (online only) and June 1 (in-person at HPAC facility). Rental rates DO NOT include pool admission.

FREE RENTALS (PATIO/CABANA)
Free Rentals for season passholders - restrictions apply. Please see www.westerville.org/aquatics or HPAC front desk for details.

Swimming Lessons

ADAPTIVE SWIM LESSONS (Ages 3 -12, Teen class for ages 13 -18)
Adaptive Aquatics is designed for children and teens with special needs. This program is designed to give individuals an opportunity to experience the benefits of aquatics. With the assistance of aquatic staff, participants will work on enhancing their swimming abilities and comfort level in the water. This is a great opportunity to interact with others and have some fun! Parents may be in the water with their child.

TINY TOT SWIM LESSONS (Ages 6-24 months)
The Tiny Tots program is designed to develop the child’s comfort level in water and readiness for learning more advanced swimming skills. Parents work one-on-one with their child in the water to learn front kicks, prone glide, underwater exploration, rolling over and holding position.

GOLDFISH SWIM LESSONS (24 months to 4-5 years)
The Goldfish program is designed to develop the child’s comfort level in water and readiness for learning more advanced swimming skills. Parents work one-on-one with their child in the water to learn front kicks, prone glide, underwater exploration, rolling over and holding position.

THREE & ME LESSONS (Age 3)
This program acts as a bridge for your children between the parent/child and guppy classes. If your child is still hesitant to be in the water without a parent, this program may help. A parent will be in the water with their child. Children will work on front kicks, bubble blowing, supported floating, and underwater exploration.

GUPPY SWIM LESSONS (Ages 3-6)
Children must be comfortable in the water without their parents.
Water Exploration. This class is suitable for children who are beginner swimmers. Children will learn elementary swimming skills for building upon future levels. Objectives include: supported front and back floats, kicking, bubble blowing, alternate arm action and safety skills. Two-year-olds are not allowed in this class. Parents are not in the water with their children.

TADPOLE SWIM LESSONS (Ages 3-8)
Primary Skills. Suitable for swimmers who have passed Guppy and/or can meet the prerequisites. Children should be able to submerge for three seconds, float on their back and front with support and do a supported crawl. Objectives include: independent back and front crawl and finning on back. Most students require two or more sessions before completing all objectives.

TURTLE SWIM LESSONS (Ages 4-12)
Stroke Readiness. Suitable for students who have passed Tadpole and/or can meet the prerequisites. Children should be comfortable in 3.5’-4’ of water; float on their back and front independently, swim front crawl with arm strokes and kick for five yards. Objectives include: gliding with push off, coordinating components of the front and back crawl, elementary backstroke, treading water, bobbing, basics of diving and more.

DOLPHIN SWIM LESSONS (Ages 4-12)
This program bridges the gap between the Turtle class in shallow-water and the Minnow class in deeper water. Skills include floating, treading water, front and back crawl, basics of diving and deep water entry and safety.

MINNOW SWIM LESSONS (Ages 5-12)
Stroke Development. Suitable for swimmers who have passed Turtle and/or can meet the prerequisites. Children at this level should be comfortable in deep water; swim front crawl with rhythmic breathing for 20 yards, swim back crawl for 20 yards, tread water for 30 seconds and complete a dive from the seated position. Objectives include: deep water bobbing, rotary breathing, diving from side of pool, building endurance by swimming distances, the basics of breaststroke, side stroke, turning at the wall and more.

PORPOISE SWIM LESSONS (Ages 5-12)
Stroke Refinement. For swimmers who have passed Minnow and/or can meet the prerequisites. Children at this level should be comfortable in deep water; swim front crawl with rhythmic breathing for 25 yards, swim back crawl for 25 yards, tread water for one minute and complete a dive from the standing position. Objectives include: alternate breathing, elementary backstroke, dolphin kick, diving from a diving board and more.

SHARK SWIM LESSONS (Ages 6-14)
Swimmers should be able to dive into deep water; perform the four basic swim strokes for 15 yards each and tread water for one minute. Objectives will vary according to the student’s needs and level but include: approach and hurdle on diving board, enhancing strokes, butterfly stroke, flip turns, breast and side stroke turns, stroke enhancement, endurance training and diving.

TEEN/ADULT SWIM LESSONS
This class is suitable for teens and adults at the beginner level. The instructor will develop individual lesson plans for each participant. Participants will gain confidence in their swimming skills and learn safety in and around the water.

HOMESCHOOL SWIM LESSONS
Swim lessons are a great physical education addition for the homeschool curriculum. Children will be divided according to their ages.

FAMILY LESSONS (Ages 3 and up with parents)
The first swim lesson that engages both parents and kids with the full lesson concentrating on actual learning time. Instructors will give a demonstration on a specific skill and parents will work one-on-one with their children with instructor guidance and individual instruction. For families with more than one child, one adult must be working with each child. Each 30-minute class will allow for additional pool time for the parents and kids to practice. Rate is per child, one adult per child.

DIVING LESSONS
This class will help participants gain knowledge of and build upon competitive diving skills. Specific skills taught include: front approach, front jump, back dive and more. Participants must be able to swim one length of the lap pool.

Level I - Divers will learn diving safety, shallow and deep dives, and competitive diving entries. Students must be able to swim one complete lap before taking this class.

Level II - Divers will learn forward and back take-offs, straight, tuck and pike positions, dive come-outs and body control. Students must complete Level I before taking this class.

Level III - Divers will learn front, back, reverse and inward dives using tuck, pike and straight positions. Students will also work on basic somersaulting and twisting at this level. Completion of Levels I & II are required to take this class.

### SUMMER DAY CAMP PARENT MEETING
- **Thursday,** April 23, 6:30 p.m.  
  Wednesday, April 29, 6:30 p.m.  
  Tuesday, May 5, 6:30 p.m.  
  Everal Barn  
  60 N. Cleveland Ave.

Extended care is available from 7-8:50 a.m. and/or 4:10-6 p.m. and is $2.50 per use. Availability is listed under each camp description.

Participant camp placement is determined by the campers age as of the last day camp is offered. Select camps have a $50 minimum payment per child for each registered week of camp with the remaining portion due May 1. This allows the household the ability to defer their payments over time. All other camps are to be paid in full at the time of the registration.

Camp fees are based on a full five-day experience and will not be prorated for part-time attendance.

A $25 transaction fee will be processed per week, per child, for every refund issued. All camp refunds must be submitted 30 days before the start of the camp.

Proof of residency is required prior to registration. For more information on how to update your residency status, see page 44 or call (614) 901-6500.
HERITAGE KIDS CAMP

Kevin Thuman from Prime Tours will be here to provide information about this exciting trip.

NEW YORK IN THE FALL - OCTOBER 5-8, 2020
This popular trip features a three-night stay at the Edison Hotel just steps from Times Square and include major sites including the Statue of Liberty, Ellis Island, Central Park and the 9/11 Museum. We will tour NBC studios and enjoy the view from the top of Rockefeller Center. We will also attend a yet-to-be determined Broadway play and much more. This tour has sold out in 2018 and 2019!

HAWAII CRUISE - NOVEMBER 12-21, 2020
This bucket list tour features a two-night stay in Oahu followed by a seven-night Norwegian Cruise that includes Island hopping to four locations. This award winning itinerary gives you nearly 100 hours in port to capture the spirit and soul of Hawaii as you visit Oahu, Kauai, Maui and the Big Island. Also included is two nights in Honolulu where you can tour Pearl Harbor and the beautiful North Shore of Oahu. Space is limited and booking fast.

HISTORY AND THE HOLIDAYS - DECEMBER, 2020 (TENTATIVE)
Celebrate the holiday season with some American history along with a trip to Nashville, America’s hottest city. This motor coach tour will travel to the birthplace of Abraham Lincoln in Kentucky and Andrew Jackson’s Hermitage Plantation near Nashville. Two of the nights will be at the spectacular Gaylord’s Opryland Hotel where you will have a Christmas dinner and show featuring a top country musician. A second evening in Nashville features a riverboat cruise on the General Jackson Riverboat including a holiday dinner show. Enjoy some time on your own in downtown Nashville and much more on this extraordinary holiday tour.

SEINE RIVER CRUISE FALL 2021 (DATES TBD BASED ON RIVERBOAT SAIL DATES)
This fabulous river cruise combines time in France’s unparalleled capital of Paris with beautiful scenery along the Seine River and the picturesque and historical region of Normandy and the D-Day beaches. Visit Claude Monet’s stunning gardens, the historic landing beaches at Normandy including Omaha Beach, Point du Hoc and the American Cemetery, Experience Rouen, the home to Joan of Arc and the gothic cathedral that was once the tallest building in Europe. Discover the rich history of Paris and see the iconic sites of the Louvre Museum, Arc de Triomphe, Eiffel Tower and more.
