6 CREATE A SAFE DAY,
EVERY DAY

7 DELIVER EXCELLENT
RESULTS

KEY PRIORITIES

In 2014, residents and program users were engaged to gather information to update the Parks, Recreation and Open Space (PROS) plan and outline the community's vision. The plan guides the Westerville Parks and Recreation Department in the forecasting and development of initiatives and priorities that include well-balanced parks, facilities and programs.

The following key priorities were identified.

-  Expansion of the trail system
-  Expansion of the Community Center
-  Upgrade existing parks
-  Improve access to local waterways
-  Expand older adult programming
-  Expand adult fitness and wellness programs
-  Expand community special events
-  Create an outdoor adventure and nature program

The Strategic Plan identifies specific actions to achieve PROS priorities.

COMMUNITY ENGAGEMENT

CORE FOCUS

Create and deliver innovative parks and facilities aligned with the needs and demands of users to elicit a WOW response from the community.

Employ an innovative and customer focused approach to strengthen and expand existing programs and services as well as provide fresh and creative recreation programs and services which align to current trends in the industry to meet the diverse needs of all ages and abilities.

Expand community engagement through the following opportunities:

- Engage the community in the planning process for parks, services and programs
- Utilize residents and users in volunteer roles where appropriate
- Strengthen and develop community partnerships
